"Call Mr. Keegan," is the challenge to north shore householders interested in heating systems. The call is sounded by the North Shore Combustion company, located on Electric place, Wilmette. They specialize in combustion oil heaters.

Magistrate Orders Circus Men Held to Grand Jury

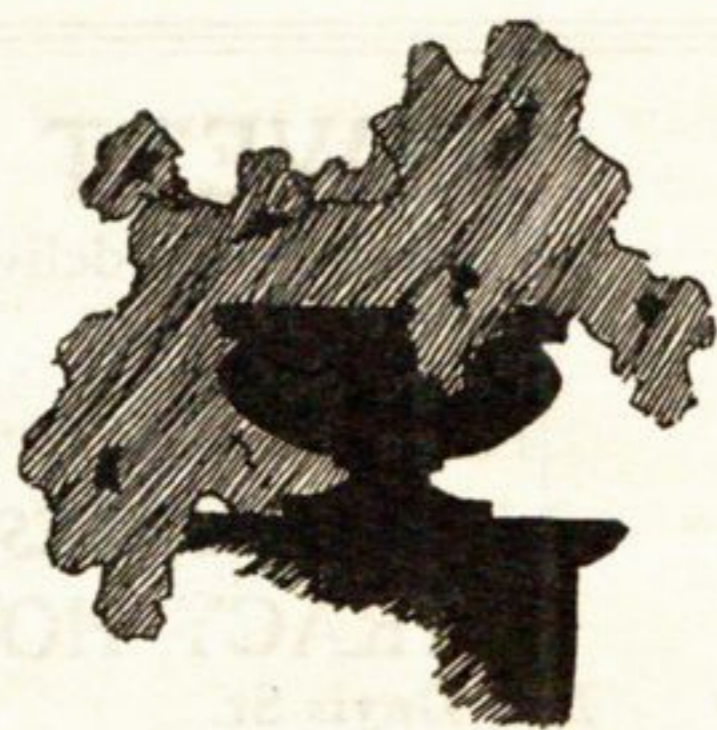

Andrew Theis and Harold Matthies, who were arrested two weeks ago on the charge of operating a confidence game and obtaining money under false pretenses in connection with the Wilmette American Legion circus last May, were held over to the criminal court Monday when their case was tried before Magistrate Daniel M. Mickey. Their bonds were set at \$1,000 each.

It is charged that Theis and Matthies, together with Mr. and Mrs. Samuel Burgdorf who have not been located, conducted a contest in such a manner that Theis came into possession of an automobile rightfully the property of another.

THE PUBLIC FORUM

Editor, Weekly Talk:
Since Superintendent Washburne's announcement of my resignation from the Winnetka public schools appeared in the last issue of the Talk a considerable number of parents have expressed surprise that I should be leaving Winnetka.

Permit me to say that it is my intention to make by home in Winnetka indefinitely, and I trust my usefulness to the children of our village will not en-

tirely end with the serving of my official relations with the schools. I know of no community in which I would rather live than Winnetka. The happiest teaching years of my life have been spent with the children here, and it is only with the keenest regret that I contemplate giving up my work with them. I am hoping in the fall to establish in Winnetka a model children's workshop where I can demonstrate clearly that workshop activities are invaluable in the education of boys and girls from kindergarten age up.

Very truly yours,
CHARLES A. KINNEY.
