

# Check Up On Your Printing Needs

Don't wait until you are actually in need of printing. Rush orders are not, as a rule, satisfactory either to the Printer or Customer.

The summer months are not as rushed as the balance of the year and your order now will assure you of Excellent Service. Why not let us fill your printing needs for the coming year?

Phone Winnetka  
**388**

Our representative will call for your order and deliver it.
