

Winnetka Camp Fire Girls Give Program at Ravinia

CAMP Fire Girls are to have a part in the Children's afternoon at Ravinia next Thursday. The second half of the program will consist of Indian stories and legends preceded by a short prelude to be presented by the Camp Fire Girls of Winnetka. They will march on to the stage in costume using the Council step and after giving the Camp Fire Call "Wohelo," will sing "The Boating Song" with motions. One of the ideals of Camp Fire is the development of a love of nature and a knowledge of woodcraft such as the Indians possessed, and the girls are proud to be given the opportunity to present this scene expressing the atmosphere of the great out-of-doors.

At the Bob o' Link "Hullabaloo,"

for example—

A count of the cars parked at Bob o'Link during the tournament last Wednesday showed that of the sixty-three cars present, fourteen were Cadillacs—twice as many as any other car regardless of its price.

This event is attended by a group of men who typify the experienced and discriminating automobile owner. They depend upon their cars for transportation—reliable, comfortable, carefree transportation which brings them to the first tee on time, with train-like regularity.

A check of the cars at your own club on any afternoon will quite surely show a similar preference for Cadillac.
