

COUNTRY CLUB HAS BIG RALLY

Installation of Officers Features Largest Annual Meeting in Club History

McCLURE GIVES PLANS

Ambitious Program Is Arranged for New Club Year

Installation of officers recently elected to direct the affairs of the Ouilmette Country club during the next twelve months, was the feature of the annual meeting and dinner at the club attended by 250 members last Thursday evening.

With the attendance the largest in the history of annual meetings of the club, converted the session into a veritable rally. In addition to the annual report by secretary Elmer A. Rich, Jr., and an address by president Charles W. Triggs, in which he reviewed the work of the past year and formally introduced W. Frank McClure, the new president, there was an interesting and spirited discussion of the program for the coming year.

Plans were inaugurated for an intensive membership campaign with 300 members, the maximum roster of the club, as the goal. President McClure spoke briefly outlining a number of excellent plans to make the Ouilmette Country club the most popular organization of its character on the north shore.

Augmenting the dinner, installation ceremonies and discussion, was an excellent program given by Miss Rita Smith, a well known entertainer, who delighted the guest with songs and stories of the period of the Civil war, with guitar accompaniment.

Officers installed at the annual meeting were:

W. Frank McClure, president.
F. E. Harwood, vice president.
Elmer A. Rich, Jr., secretary (relected).
F. J. Scheidenhelm, treasurer, (relected).
A. W. Crawford, W. D. Lawrence, J. H. Krafthefer and H. P. Pruden, directors.

Bungalow Tea Room Is Opened to North Shore

The Bungalow Tea Room, formerly the Robinson restaurant in the Metropolitan building on Central avenue, near Wilmette avenue, Wilmette was formally opened to the residents of the north shore on the Fourth of July.

Jesse R. Gathercoal, Jr., a well known former resident of the village, is proprietor of the Tea Room. He is an expert in the better class restaurant business, only recently having been associated with the Commissary department of the Chicago, North Shore and Milwaukee railway.

A splendid cooling system, said to be unrivalled anywhere in the country, has been installed in the Tea Room, so that the absolute comfort of guests is assured during the warmest weather. An excellent dance floor is a feature of the restaurant.

Baptist Leaders Attend Illinois Summer Assembly

Rev. Francis C. Stifler, pastor of the Wilmette Baptist church, and Edwin Phelps, Wilmette resident and national leader in Baptist young people's work, are to attend the sessions of the Illinois Baptist Summer Assembly held at Shurtleff college, Alton, Ill., July 7-14.

Both Mr. Stifler and Mr. Phelps are members of the teaching staff of the assembly, which is held for the purpose of giving the young people of the denomination instruction in religious work, particularly as it pertains to church administration.

Mr. Stifler is to give courses on the organization of the local church for missions and the conduct of vesper services. Mr. Phelps will deal with leadership training, B. Y. P. U. organization, and will conduct a B. Y. P. U. clinic.

About 400 young people of the Baptist church of Illinois will attend the assembly, which is an annual event.
