

4000 SEE FINALS OF TENNIS MEET

Alonso, Big Drawing Card, Takes State Title

More than 4,000 tennis fans gathered at the Skokie Country club Sunday afternoon to see the finals in the singles and doubles in the Illinois State championship tournament held last week on the hard courts of the Skokie club. Manuel Alonso, Spanish champion, was the outstanding player of the day, defeating William T. Tilden, America's premier tennis player, for the Illinois State championship. The sets between Alonso and Tilden went 8-6, 11-13, 6-3, 6-1.

Although Tilden has been beaten by scattered players from America and Australia, Alonso is the first European who has beaten the American star. Both men displayed the very best kind of sportsmanship through the match and both were highly applauded by the crowd. Alonso as especially quick in the back court, covering it like a flash. Many of his points were won on passing strokes and he aced Tilden four or five times.

Mrs. Wills Wins
Another great favorite with the galleries was the California lass, Miss Helen Wills, who won the final round in the women's singles by defeating Miss Marion Leighton of Chicago. Her spirited driving and rallies to the net for a speeding shot made the outcome of the match a foregone conclusion after a few games.

The boys' doubles championship went to Cliff Nelson and Emmet Pare who defeated Donald Strachan and A. L. Weiner, Tilden's favorite. By beating Miss Margaret Delay, Ruth Dunscombe won the girls' singles final in 6-2, 6-4.

Westbrook-Hayes, Champs
Playing in great shape Walter Westbrook, Detroit, and Walter Hayes, Chicago, won the final match for the doubles trophy by upsetting George Lott Jr., and Lawrence Rice, from Chicago and Boston respectively. Earlier in the tournament young Lott won the juniors' singles championship by defeating David O'Laughlin, boy champion of the United States.

Those who sponsored the tournament declare it to be one of the best that has been held in this part of the country. This statement is concurred in by North Shore tennis fans who watched the play.

Prominent Church Woman Dies at Home in Indiana

News reached the village this week of the death on Friday, July 6, of Mrs. Mulla Buck Dean, wife of the Rev. J. E. Dean, and sister of F. A. Buck of Wilmette, at her home in West Lebanon, Indiana. Death came after many months of suffering with cancer, pneumonia developing in recent weeks.

Mrs. Dean was well known on the north shore as a prominent worker in Methodist church circles. She was especially active in Sunday school work in the Wheadon Methodist church at Evanston where for many years she was superintendent of the school. She was the founder of the Junior league chapter in the Wheadon church. Her interests were largely devoted to work among boys.

Mrs. Dean was born in Ashton, Illinois, the daughter of Abram F. and Katherine (Trimmer) Buck. Mrs. Dean is survived by her husband and a small daughter, Dorothy.

KENILWORTH TAX LEVY IS PASSED

Provides for Assessment and Collection of \$46,765

By passing the annual tax levy ordinance Monday night the Kenilworth village board provided the funds necessary for the continuance of the village government from the first of last May to April 30, 1924.

The tax levy bill provided for the raising of the \$46,765 voted in the appropriation ordinance passed June 18. The amount will be raised by the assessment of real and personal property in the village of Kenilworth according to its valuation.

Contained in the ordinance are the following items for the various departments. Fire department and fire protection, \$3,300; police department salaries, \$10,000; current expenses, \$3,000; health department, \$100; labor for sidewalk cleaning and repairs, \$4,000; material for street and sidewalk clean-

ing and repairs, \$2,000; removing snow from sidewalks, \$500; street lighting, \$4,600; garbage removal, \$4,200; rent, \$500; insurance and fidelity, \$750; legal services not including help, \$4,500; zoning expense, \$1,500; stationery, printing and supplies, \$400; furniture and fixtures, \$500; interest on bonds, \$415; principal on three bonds, \$1,500, and general fund \$1,500.

Although the bill provides certain definite sums for the maintenance of the above departments, it does not necessarily follow that the various departments will spend all of the money allotted to them. As a matter of fact the village government usually spends less than \$40,000 a year even though a greater amount is provided for in the tax levy ordinance.

N. U. Students to Make Detailed Maps of Campus

Six groups of students of the engineering school of Northwestern university are engaged in surveying the campus and in map-making. The location of buildings, walks, trees, and shrubs more than 18 inches high will be designated on the maps. The students are also taking cognizance of the lake shore, and will state the depth of the water at regular intervals.
