SOCIAL ACTIVITIES

Sheridan Shore Club Introduces Bi-Monthly Out-of-Door Dancing

THE New Sheridan Shore Yacht club promises a most successful season. Situated as it is, all the sports and pleasures of beach and water induce the members to make the club their summer headquarters, or at least to appear again and again to enjoy its offerings. An innovation of the month is the fortnightly dancing which will continue throughout the summer. The dancing which commenced Friday evening, July 13, will take place every other Friday night from 8 to 11 o'clock on the cement terrace of the beach. Lawrence D. Ely, chairman of the entertainment committee, will direct the dances.

A number of new boats lie at anchor in the harbor. Sailing enthusiasts will be able to witness races which will be scheduled every Saturday afternoon. George F. Noyes is Chairman of the regatta committee.

On Friday afternoon, July 20, there will be a ladies' bridge party. An informal beach supper will take place Saturday evening, and on Friday, July 27, a dinner dance will occur from 6 to 11 o'clock, followed by another basket beach supper on Saturday, July 28.

The beautiful estate of Mr. and Mrs. A. J. Lichtstern located on Sheridan road and the County line in Glencoe is to be opened to the public on Wednesday, July 25, for a garden party under the auspices of the Service Star Legion for the benefit of ex-service men in hospitals here who have not received government compensation yet and who, or whose families, are in temporary need. The party will start at 2 o'clock and there will be bridge and mah-jongg, fortune telling booths, and tea. Those who wish to play mah-jongg are asked to bring their own sets. A portion of the lawn and beach will be set aside for those who wish to take basket suppers to the party and after supper there will be dancing on the lawn and at sundown a moving picture will be shown.

Mrs. J. Harry Selz is chairman of the committee on arrangements, which includes Mrs. Joseph Byfield, Mrs. Joseph C. Carry, Mrs. Albert Hale, Mrs. John H. Buckingham, Mrs. Austin Selz, Mrs. Lichtstern, Mrs. Allen R. Smart, Mrs. A. H. Harding, Mrs. Henry H. Tilton, and Mrs. F. Wight Neumann. Mrs. Frederic W. Bentley, president of the Chicago chapter of the Service Star legion, is the only woman on a committee of five recently appointed by President Harding to go to France to plan memorials for the battlefields and burial grounds where the Americans fought and are buried.

The Ravinia club will present the fifth children's afternoon program on Thursday afternoon, July 26, at three o'clock. The affair this year will be novel, for it will be given for the children rather than by them. Children all along the north shore are urged to come in any kind of fancy costume. A carnival spirit will prevail. Booths and itinerant vendors will sell many kinds of favors popular with children. The program will be a music pageant. At the close of the program, all children will be asked to take part in the grand march.

Announcement is made of the marriage of Miss Catherine Glen, daughter of Mr. Thomas Glen, 1059 Chatfield road, and Mr. Robert M. James, son of Mr. and Mrs. J. M. James of 1409 West Seventy-First place, Chicago. The marriage ceremony was performed by Rev. J. H. McArthur at his home, 6607 Wood street, Chicago.

Eight little girls in Wilmette, combining a child's love of "Pretend" with talent for the dramatic, formed a club which has produced several plays. The last one, given on Thursday afternoon, July 12, at the home of Mrs. A. L. Miller, 106 Sixth street, was very successful. Cinderella, her Prince Charming, the wicked step-mother, the fairy god-mother and the other characters, ever popular in the hearts of children, lived again in the portrayal by the youthful actresses.

Enthusied, perhaps, by the object of the play, namely a contribution to the Chicago Tribune Ice Fund, the little drama was well produced under the direction of a member of the club, Olive Humphries. Following is the cast of characters:

Cinderella Ann Levin
 Charlotte Louise Humphries
 Julia Mary Jane Miller
 The stepmother Olive Humphries
 The Prince Hortense Schroeder
 The page Vivian Lorenzini
 The fairy Godmother Carol Levin

After the play, songs and recitations were given by the various characters.

Owing to the interest of their friends, the children were successful in their philanthropic contribution.

Quite one of the most successful parties of the summer was held Saturday evening at the Thorne residence, 474 Willow street. The hostesses, the Misses Ellison, who are staying at the house with their mother, while their grandparents, Mr. and Mrs. Charles Thorne, are visiting in Charlottesville, Virginia, spared no effort to make their party pretty as well as successful.

The two large porches were thrown open for dancing, and the lawn and summer house, strung with bright Chinese lanterns, seemed almost like a glimpse into fairyland.

Among the guests present were: Bess Stutson, Ralph Oricle, Stanley Wheatley, Duncan Sarnsworth, Bruce Thomas, Richard Burke, Virginia Klein, Helen and Margaret Haire, Sally Windes, and friends from Evanston.

Mrs. George Willis Risley, 916 Main street, Evanston, announces the marriage of her daughter Ruth Clarine, to Mr. Karl Steinkamp of Evanston, on Saturday, July 14. The ceremony occurred at the residence of the bride. Rev. O. F. Mattison of Evanston read the service at four o'clock.

Mr. and Mrs. Steinkamp will spend their honeymoon in Oconomowoc, Wisconsin. They will be at home after September first at 1125 Maple avenue, Evanston.

An engagement of great interest to Chicago and north shore society is that of Miss Lucretia Green, daughter of Mr. and Mrs. William Ogden Green, 90 Locust road, Winnetka, and Mr. Kenneth Carpenter, son of Mr. and Mrs. Edwin F. Carpenter of Evanston. The announcement was made last Saturday. The wedding will take place some time next month. Miss Green, president of the Junior League, is one of the popular and very attractive girls in society.

Little folk of the city, occupants of the Matheom Day nursery were brought to Winnetka to spend a day of merry making in the open. Mrs. Theodore Coine of Provident avenue, interested in the beneficial work of the nursery which is connected with the Chicago Commons, invited the children for luncheon. In the afternoon an entertainment was given in the garden. The Day Nursery committee assisted Mrs. Coine.

Mrs. Harry C. Watts returned Friday from a three months' visit in England. She was the guest of Lady Isabel Sykes (Isabel Bonar-Law) and Mrs. Johnsen of Westwood, Kent. In 1916 Crown Prince Alexander of Serbia decorated Mrs. Watts, then Miss Susana Guevara of Valparaiso, Chile, for her relief work among the Serbians.

Mrs. Edgar Foster Alden, 352 Linden street, will open her home and garden on Saturday afternoon, July 21, at two o'clock for a garden card party given by the garden committee of the Illinois Women's Athletic club. Mrs. Alden is chairman of the garden committee.

Major E. O. Trowbridge of Kansas City, has been spending a few weeks with his brother, Dr. E. G. Trowbridge, 1111 Oak street. Mrs. Trowbridge has gone west for the month of August to visit Indian Pueblos and reservations in New Mexico and Arizona.

Miss Josephine Sidley has left to spend three weeks with Mr. and Mrs. William Horlick of Racine, who have a cottage for the summer in Greenwich, Connecticut.

Mrs. Lon C. Hill, with her two children, has arrived from Texas to spend the summer with her parents. Mr. and Mrs. George Knox Owsley
