

# UNITED WE STAND

to promote the best interests of Winnetka.

We shall do this by an even more scrupulous observance of the foundation principles of honesty and justice.

## We have set to work—

- (1) to find and remove abuses that now exist.
- (2) to prevent or to adjust controversies between employer and employee or between buyer and seller.
- (3) to take an active part in all movements that seem likely to affect Winnetka.

**TALK AND WORK WITH US**
