Hill and Stone Report Activity In Real Estate

Hill and Stone's Winnetka office reports the following recent real estate sales:

Fred W. Fairman has purchased the 140 foot lot next to Dr. Blatchford's home on the Arbor Vitae road; Ervin Dryer bought the 100 foot vacant lot on Maple avenue, just south of Pine street; the 150 foot frontage on the northeast corner of Lincoln avenue and Summit street has been purchased by Mrs. Julia R. Dickinson; Sidney Stein has bought the 192 foot frontage in Hubbard Woods, on Private road; Willard C. McNitt has purchased the 75 foot frontage on the northeast corner of Pine and Locust streets; D. I. Dunn has purchased 50 feet of property on Asbury avenue, Hubbard Woods, just west of Vernon avenue.

The title of the forthcoming Warner classic, "Lucretia Lombard," has been changed to "Loveless Marriages." It is stated that the reason for this is the fact that movie fans may not be misled into believing the photoplay is a costume picture, as "Lombard" is a province in Italy, and "Lucretia" was the first name of the late Madame Borgia. Monte Blue and Irene Rich are starred in the feature.

Teachers Find Homes: Board Says Thank You!

Winnetka's autumn problem of housing the teachers of the public schools has been solved, thanks to the generous help of the householders of the village in offering living accommodations for the instructors.

Appeals sounded by the Winnetka Parent-Teacher association in the columns of the Winnetka Talk brought almost immediate response from scores of residents who placed rooms at the disposal of the teachers.

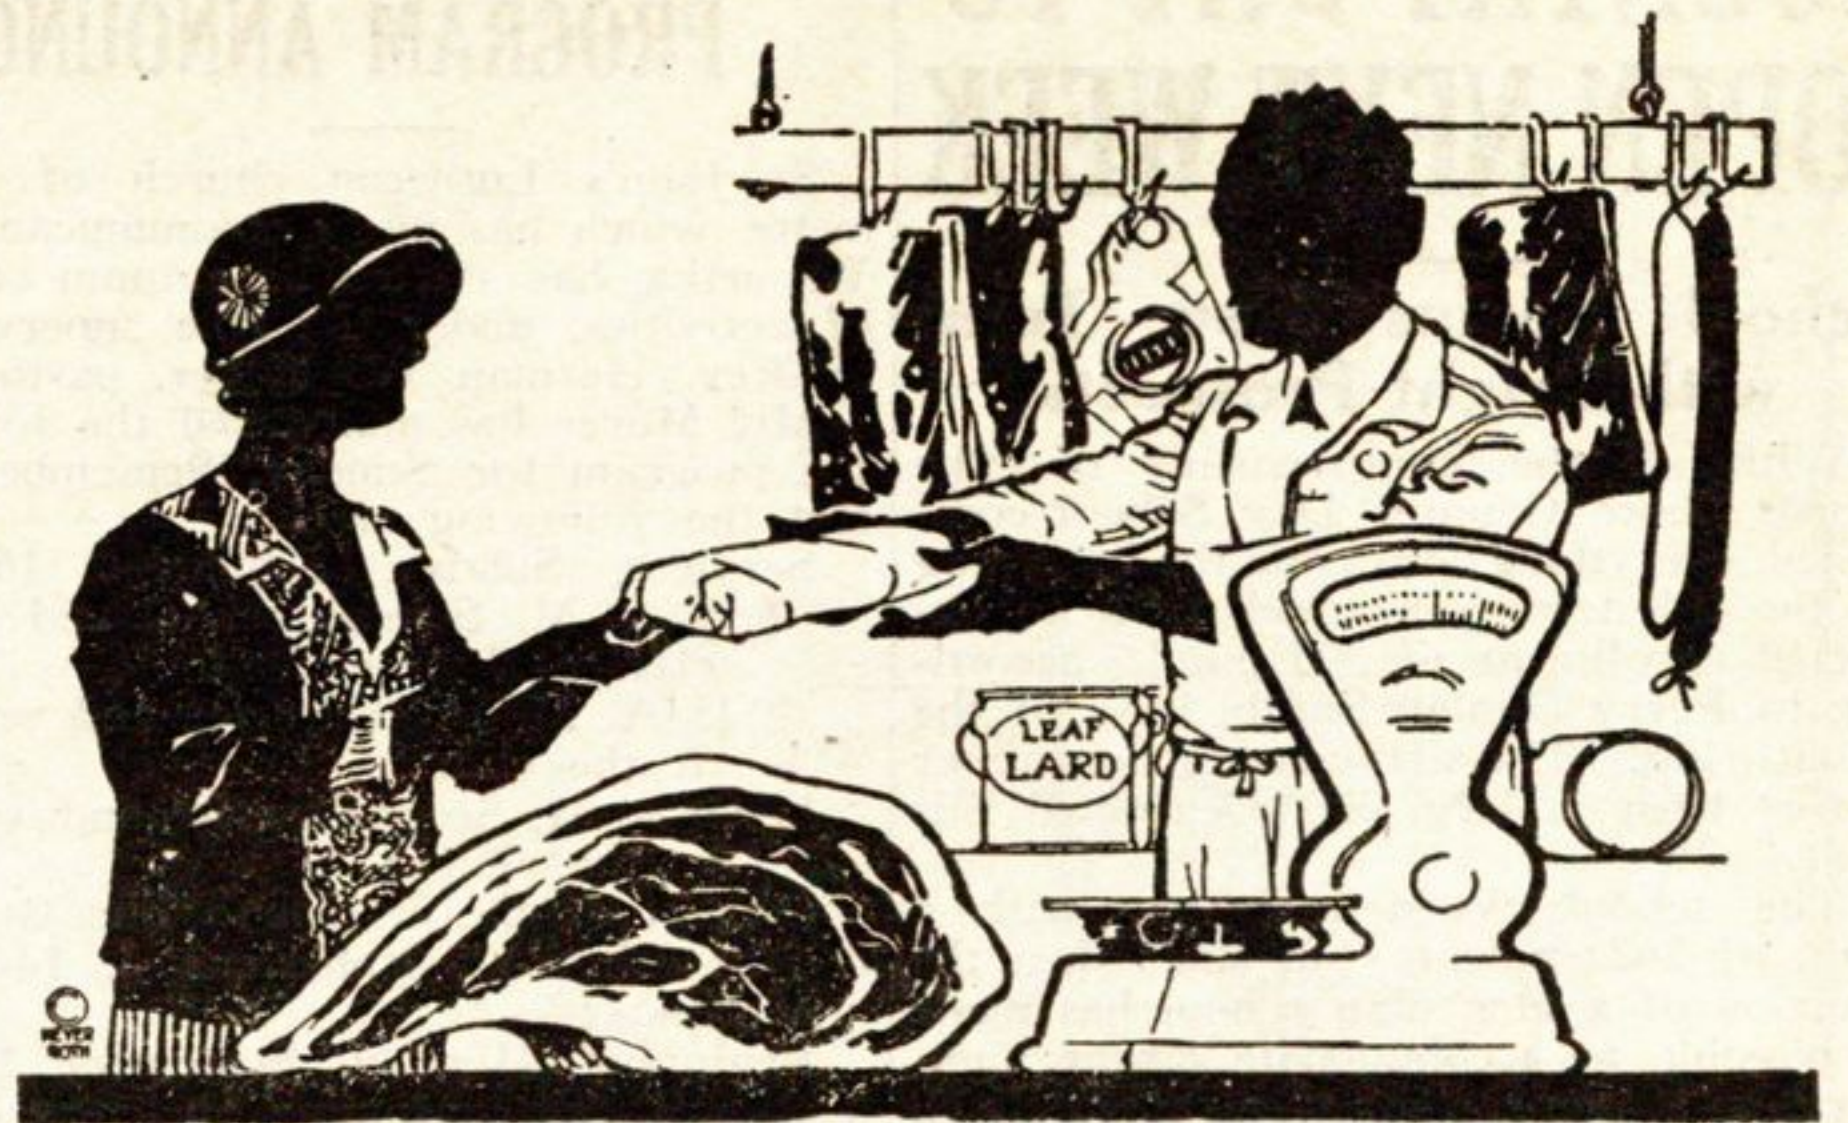

The Parent-Teacher association and the Board of Education, through Mrs. F. Wagner, chairman of the committee in charge of locating rooms for teachers, have asked the Talk to give expression to their appreciation of this splendid demonstration of Winnetka's community spirit.

MANAGER ON VACATION

Village manager H. L. Woolhiser is absent from his desk while enjoying a brief vacation at Almo, Wisconsin. He expects to return to his duties in the village about October 1.

TEACHER AT BLOOMINGTON

Miss Virginia E. Ogan of Hubbard Woods has gone to Bloomington, Illinois, to teach in the Kindergarten department of the public schools of that city. Her address there is 511 East Taylor street.

Making Life Comfortable for Everyone

In spite of ravings of communist and bolshevik, life is becoming more democratic. Those things which would have been considered luxuries for the wealthy only a few generations back are today making life comfortable for everyone.

The days when many were forced to forage in the woods in search of faggots for fuel are now remembered only in fiction. Today even the modest home enjoys the same satisfactory instant fuel service which is part of the culinary equipment of the largest estates.
