

Announcing Formal Opening of The ORRINGTON

THE PUBLIC is cordially invited to attend the formal opening of THE ORRINGTON on Saturday evening, September the twenty-second, from six o'clock until midnight, when it will be our pleasure to exhibit typical apartments, the dining rooms, banquet hall, ballroom, roof garden, gentlemen's clubroom, and many other attractions.

For those who seek a winter or permanent home of utmost comfort amid the very best environment THE ORRINGTON offers accommodations above the ordinary plus the big advantage of suburban atmosphere within twenty-two minutes of the city.

There are still many desirable apartments available and we will be just as happy to show these to those who are only casually interested as to those who are thinking of quarters for immediate occupancy. Be sure to come Saturday.

—THE MANAGEMENT.

Special traffic officers will regulate traffic Saturday evening so ample parking place will be accorded all those who visit THE ORRINGTON on that eventful evening.
