We Make It Easy to Get North Side Cleaning Service

WHEN you want clothes cleaned right, use our new branch station at 504 Main Street, in the Evanshire Hotel, in Evanston. The telephone number is Evanston 2410 or Wilmette 2410.

Clothes cleaned right do wear better, yes, and look better too. The reason we can clean clothes *clean* is that our work rooms are equipped with the most efficient, improved machinery. Also, everyone in this

establishment is skilled in his or her particular job.

We clean sports suits and hats, dresses, coats, suits, gloves, spats and wraps as they should be cleaned—thoroughly and without a trace of odor. Rugs, furs and curtains too last longer when they are cleaned the North Side way.

Leave a call for the things you want cleaned. If you want them back by the end of the week, be sure to get them to us before Wednesday noon.

*Call Wilmette 2410 or Evanston 2410 and
a route man will call for your garments.*
