

# GET NURSE FOR HEALTH CENTER

## Full-time Nurse to be Secured in Near Future

The local committee of the Grosse Point health center held a meeting at the Wilmette Village hall on Monday evening, September 17, Mrs. John A. Hogmann, presiding.

Miss Jane Hufford, publicity director of the Chicago Tuberculosis Institute, was present at this meeting to represent the Institute. Because of a slight accident, Mrs. Theodore B. Sachs, superintendent of the Institute, was unable to be there.

The chief matter under advisement was the Grosse Point nursing service. Since the resignation of Miss Cora Queen, who has taken up the school nursing service at Winnetka, the Institute has been unable to secure the services of another nurse for this position. Miss Ethel Lucas has been engaged, however, as relief nurse and her time will be divided between Grosse Point and Park Ridge for the present.

As soon as possible a full time nurse will be secured for Grosse Point.

Miss Hufford conferred with the numbers of the committee on various phases of the service and the need for developing as adequate as possible a program of public health work for the community.

Miss Lucas was present on Wednesday of this week to conduct the infant clinic.

## Lost Bag Brings Candy for Girls: Boys Eat Reward

The girls in the office received two boxes of a well known brand of chocolates this week as a reward for returning a well-lined purse to a very distressed lady.

The boys very naturally ate most of the candy—but that isn't what we wanted to tell, just yet.

Fact is, a certain lady quite unintentionally dropped her purse on the walk across the street from Hollister, Inc. Another lady, who shortly chanced that way picked up the stranded bag and forthwith placed it in the hands of our classified advertising manager and left without giving name or place of abode.

A check in the purse made it simple to trace the owner who appeared soon after to claim her valuables.

Result, two boxes of candy, "for the girls," the major portion of which (candy) fell prey to the sweet-toothed male contingent of the celebrated fourth estate.

## North Shore Soccerites Annex Season's Opener

The North Shore Soccer club comprising several New Trier players took their first game of the season yesterday from the Chicago Soccer club, 2 goals to 1. J. Clarke of the home team scored both tallies.

The game, played at Foster field, Evanston, was well handled by Capt. Dave Mitchell. A well balanced team is on the field for the locals, and the backers believe it is one of the best in Illinois.

New recruits from Scotland, three in number, played a great offensive game and held the Chicago goal keeper, Dave McNaughton, worried throughout the entire ninety minutes of play. H. Orr and Andy Stewart also put up a nice game for the southern invaders, and but for their hard work the Evanston score might have been larger.

## Rev. Danforth Leaves St. Augustine's Church

The resignation of Rev. Leland H. Danforth, curate of St. Augustine's Episcopal church, was accepted with regret by the vestry of the parish at a meeting late last week.
