

Have you compared

the quality and prices of Winnetka groceries and meats with quality and prices elsewhere? Not just once, but a fair number of times?

Haven't you had, on the whole, first class delivery and sales service in Winnetka?

We believe that

**it would be
to your advantage**

to look around in Winnetka before buying groceries elsewhere.

DON'T YOU?

The merchants listed below are members of the Winnetka Chamber of Commerce. They solicit your trade and can give the service you desire.
