

MAIL CARRIERS SEEK HOLIDAY

Ask Residents to Vote on Saturday Half-holiday

If you receive mail in Winnetka you will, by virtue of that fact, be invited to cast your ballot in a village-wide "election" during the next few weeks to be conducted by the carriers of the Winnetka post office.

Getting down to cases—the Winnetka carriers, in company with their fellow carriers throughout the country are seeking a Saturday half-holiday. The Department at Washington favors the plan, it is explained, and the local postal officials are in accord with the request, but it has been thought best to rest the decision with the people who receive the mail.

Within the next week Winnetka carriers will distribute "ballots" in the homes of the village, calling upon the residents to express themselves concerning the proposed half-holiday or "Saturday afternoons off."

The "ballot" will read essentially as follows: "In accordance with the suggestion in the Winnetka Talk of October 13, we hereby cast our vote on the question of a half-holiday on Saturday for our mail carriers."

Voting is to be done within the next two weeks, it is explained, at the conclusion of which time the ballots will be collected and the decision of the balloters made public.

"Every person receiving mail in the village is eligible to vote in this election," it is stated.

Sixty percent of eastern cities have voted favorably on the Saturday half-holiday. Milwaukee, Racine, Kenosha and Waukegan also have approved the plan.

Join Friendship Circle, Working Girls Are Urged

Friendship Circle, the Community House club for working girls, started its 1923-24 season Tuesday evening of this week when some 30 young women enjoyed a session in the gym followed by a social hour. The circle will meet every Tuesday evening during the Community House year.

The first of the Friendship Circle special festivities is scheduled for Tuesday, October 30, when the girls will stage an old-fashioned Halloween party.

The Talk has been requested to appeal to the matrons of the village to advise girls employed in their homes of the splendid opportunities for recreational and social companionship afforded by the circle. Every working girl in a Winnetka home should become a member of Friendship Circle, its members feel, and it is hoped every girl will be made acquainted with its activities. The cost is negligible; the friendships cultivated invaluable.

Skokie Fire Gives Our Firemen Real Practice

After more than an hour's work, the Winnetka Fire department succeeded in extinguishing a fire which had started in the dry brush in the Skokie just west of Grove street and north of North avenue.

This is by no means the first time that the firemen have been called to that scene and, if the ground had not been quite so damp, the sod, which is composed of inflammable peat and decayed vegetation, would have provided serious trouble, according to Chief Houren.

Over Million in Deposits, State Bank Gives Dinner

President Henry R. Hale was host Thursday evening, October 11, to the entire staff of the Winnetka State Bank at a dinner given at The Orington, Evanston, in celebration of the achievement by the banking house of more than one million dollars in deposits.

The dinner also served to celebrate the first anniversary of the entrance into the new bank building on Elm street, which took place October 2 1922.

The growth of business evidenced in the steady increase in deposits, has brought many expressions of praise from friends of the bank.

Woman's Gym Class to Begin Work Next Week

The gymnasium class for women will be resumed at Community House Monday morning, October 15, at 9 o'clock, under direction of Harry P. Clarke. The class is open to every woman in Winnetka and meets three times a week Monday, Wednesday and Friday mornings.

The Woman's class has proven immensely popular in past seasons and indications are this year will be no exception to the rule. Mr. Clarke is an instructor of nation-wide reputation who devotes much time each summer to gymnasium work at Harvard university.
