

# FIRST CONCERT MONDAY EVENING

New Trier Township Orchestral Association Announces Program for Concert

SEASON IS "SOLD OUT"

Children's Concerts to Begin November 5

The music season on the north shore will open Monday evening, October 15, at the auditorium of New Trier High school. The occasion will be the first of the evening series of symphony concerts given under the auspices of the New Trier Township Orchestra association. A grand orchestra of thirty-eight men under the direction of George Dasch will give a program fitting for the event.

All seats for the entire season of seven months have been sold long since. The association's treasury is full. All that remains is for the subscribers of the evening series to enjoy themselves.

Following is the program for Monday evening:

- Overture—"In Autumn" .....Grieg
- Symphony No. 2, Opus 36, in D Major .....Beethoven
- Adagio molto—Allegro con Brio .....Larghetto
- Scherzo
- Allegro Molto

- Intermission
- Ballet, "Sylvia" .....Delibes
- Prelude and Les Chasseresses
- Valse Lente
- Pizzicati
- Cortege de Bacchus

- a) Adagio .....Ries
- (Arranged for orchestra by George Dasch).
- b) Moto Perpetuum .....Ries

(Played by all the violins)

Marche Hongroise (from "La Damnation de Faust"). Berlioz.

The season of Monday afternoon concerts for children of the grade and high schools will begin about November 5. The work of assigning tickets to those who subscribed last spring is now under way. This distribution will be conducted by the music supervisors in the four villages, to whom application and payments should be made. Inquiries from high school pupils will be received at the high school by Mrs. Homer E. Cotton, and from grade pupils by Miss Elizabeth Schrock in Glencoe, Miss N. Louis Robinson in Kenilworth, Mrs. Stella Maher in Wilmette and by Mrs. Philemon B. Kohlsaat in Winnetka.

## Looks Like Early Winter, Coppers Change to Blues

Have you observed that our policemen are wearing new uniforms? The khaki suits have been placed in storage and the new heavy blue uniforms with shiny buttons are again the vogue for the winter season. The new suits were parceled out to the men Wednesday and were put on for good that same afternoon.

# PLAYERS NEED RAIN MAKERS

Thespians in the Market for Stage Houdinis

If you are suddenly accosted by a young tall, dark gentleman who queries you with "Are you a rain maker?" or "Can you produce a lightning flash?" or other mysterious illusions on the stage—DON'T call the police—pull him gently to one side and let him tell you the whole story.

He will probably introduce himself as Earl Fox, well-known Winnetkan, but better known as stage director for the North Shore Players.

### True Genius

If Fox is as good as they say, and his clever stage wizardry in "3 Live Ghosts," "Jane Clegg," "Peg of my Heart," etc., etc., seems to bear this out, why then he is nothing short of a genius! "But"—he wails, "I can't do it alone. I need rain makers, electrical wizards, scene shifters, lightning makers, dagger-hurlers, "mediums" carpenters, stage houdinis, magic men—in fact any one who has had experience in the mechanics of "back stage" work."

### Off "Thirteenth Chair"

"Because"—as he explains it, "the next production of the North Shore Players is to be Bayard Veillers' "The Thirteenth Chair"—the original "mystery" play from which all the rest came. In it are countless mystifying effects of ghosts, lights, illusions, hidden knives, sliding panels and "what not."

"Believe me its more than one man can do—the mental strain is awful."

There you have it. He needs help.

So—if a young, dark, tall gentleman accosts you with a query of "Can you make rain?" or "Create a lightning flash?"—take him aside and tell him "yes," if you are interested. He can use you. (P. S. If he doesn't cross your path—better meet him Monday night at 8:00 at the Winnetka Community House, Winnetka.)

## Country Day Eleven to Meet Lake Forest Team

The first football game to be played this season by the lightweight team of the North Shore Country Day school was against the bantam-weight eleven of Lake Forest Academy at Lake Forest, Friday, October 12.

The academic "gridders" of Lake Forest were reputed to have a strong team this year, and a real battle was anticipated.

# SCHOOL SITE IS SCENE OF FROLIC

Kindergarten College Girls Hold Fete Here

Students of the National Kindergarten and Elementary college held their autumn fete on the site of their future home—Sheridan road at the boundary of Evanston-Wilmette, Wednesday of this week. Juniors and seniors who visited the grounds last year had given the Freshmen a glowing description of the north shore, and especially of their particular portion of the north shore—and the Freshmen were not disappointed.

Myriads of gay balloons added a gala note to the grand march of possession with which the students circled the grounds. The seal of ownership was more firmly impressed when the senior class president brought out a huge brown bulb, filled with hundreds of satiny brown tulip bulbs which were planted in the soft earth with happy thoughts of a spring visit with the campus a riot of color.

Everyone then joined in the old games—Jolly Miller, Looby Loo, Lassic—which are quite out of the question for the whole group in the college with its increased enrollment. The competitive games which followed showed the effects of the athletics included in the schedule this year. Bonfires, songs, stories and a weenie roast on the beach completed the program.

## N. U. Gridders Will Get a New Bear Cub

Persistent attempts to educate their bear cub in the duties of a mascot failing, Northwestern university students have sent bruin back to the wilds of Wisconsin from whence he

came. This does not mean that the Purple will be forced to worry along throughout the football season minus a mascot. Not by any means. Already another bear is on his way to the Evanston campus from a circus where they teach little bears how to behave.

Bear number one proved to be everything that a mascot shouldn't be. He took a keen delight in scratching his keepers with no sign of a contrite heart or a kindly spirit. When bruin was turned loose in Patten gymnasium Monday he made for the rafters in the dizzy heights of the huge inclosure and only fatigue and hunger induced him again to seek his cage. Passionate and soothing entreaties alike failed to strike a responsive cord.

Unwilling to chance another such experience, George Fry, acting president of the student council and one of bruin's chief care-takers, has a written guarantee that bear number two is as peaceful as a puppy and as playful as a kitten. He was born under the big canvas and is guaranteed to be a loyal Purple fan from the start.

## Busy Concert Season Ahead for Milan Lusk

Milan Lusk, Wilmette violinist, has just returned from a successful concert trip in Michigan. At his recital in Allegan, he was accorded a veritable ovation by the enthusiastic public which was not satisfied until four encores had been added at the conclusion of the program. This same demonstration followed in Grand Ledge, and in Lanark.

Mr. Lusk is facing a busy concert season. His annual violin recital will take place on December 9 at Cohan's Grand Opera House.

## EXCEPTIONAL RIDING COMFORT

The new Dodge Brothers Touring Car is exceptionally comfortable to ride in; it is good looking; and it incorporates many important refinements of detail.

The body is longer and lower, eliminating side sway, affording more leg room, and enhancing the beauty of the lines.

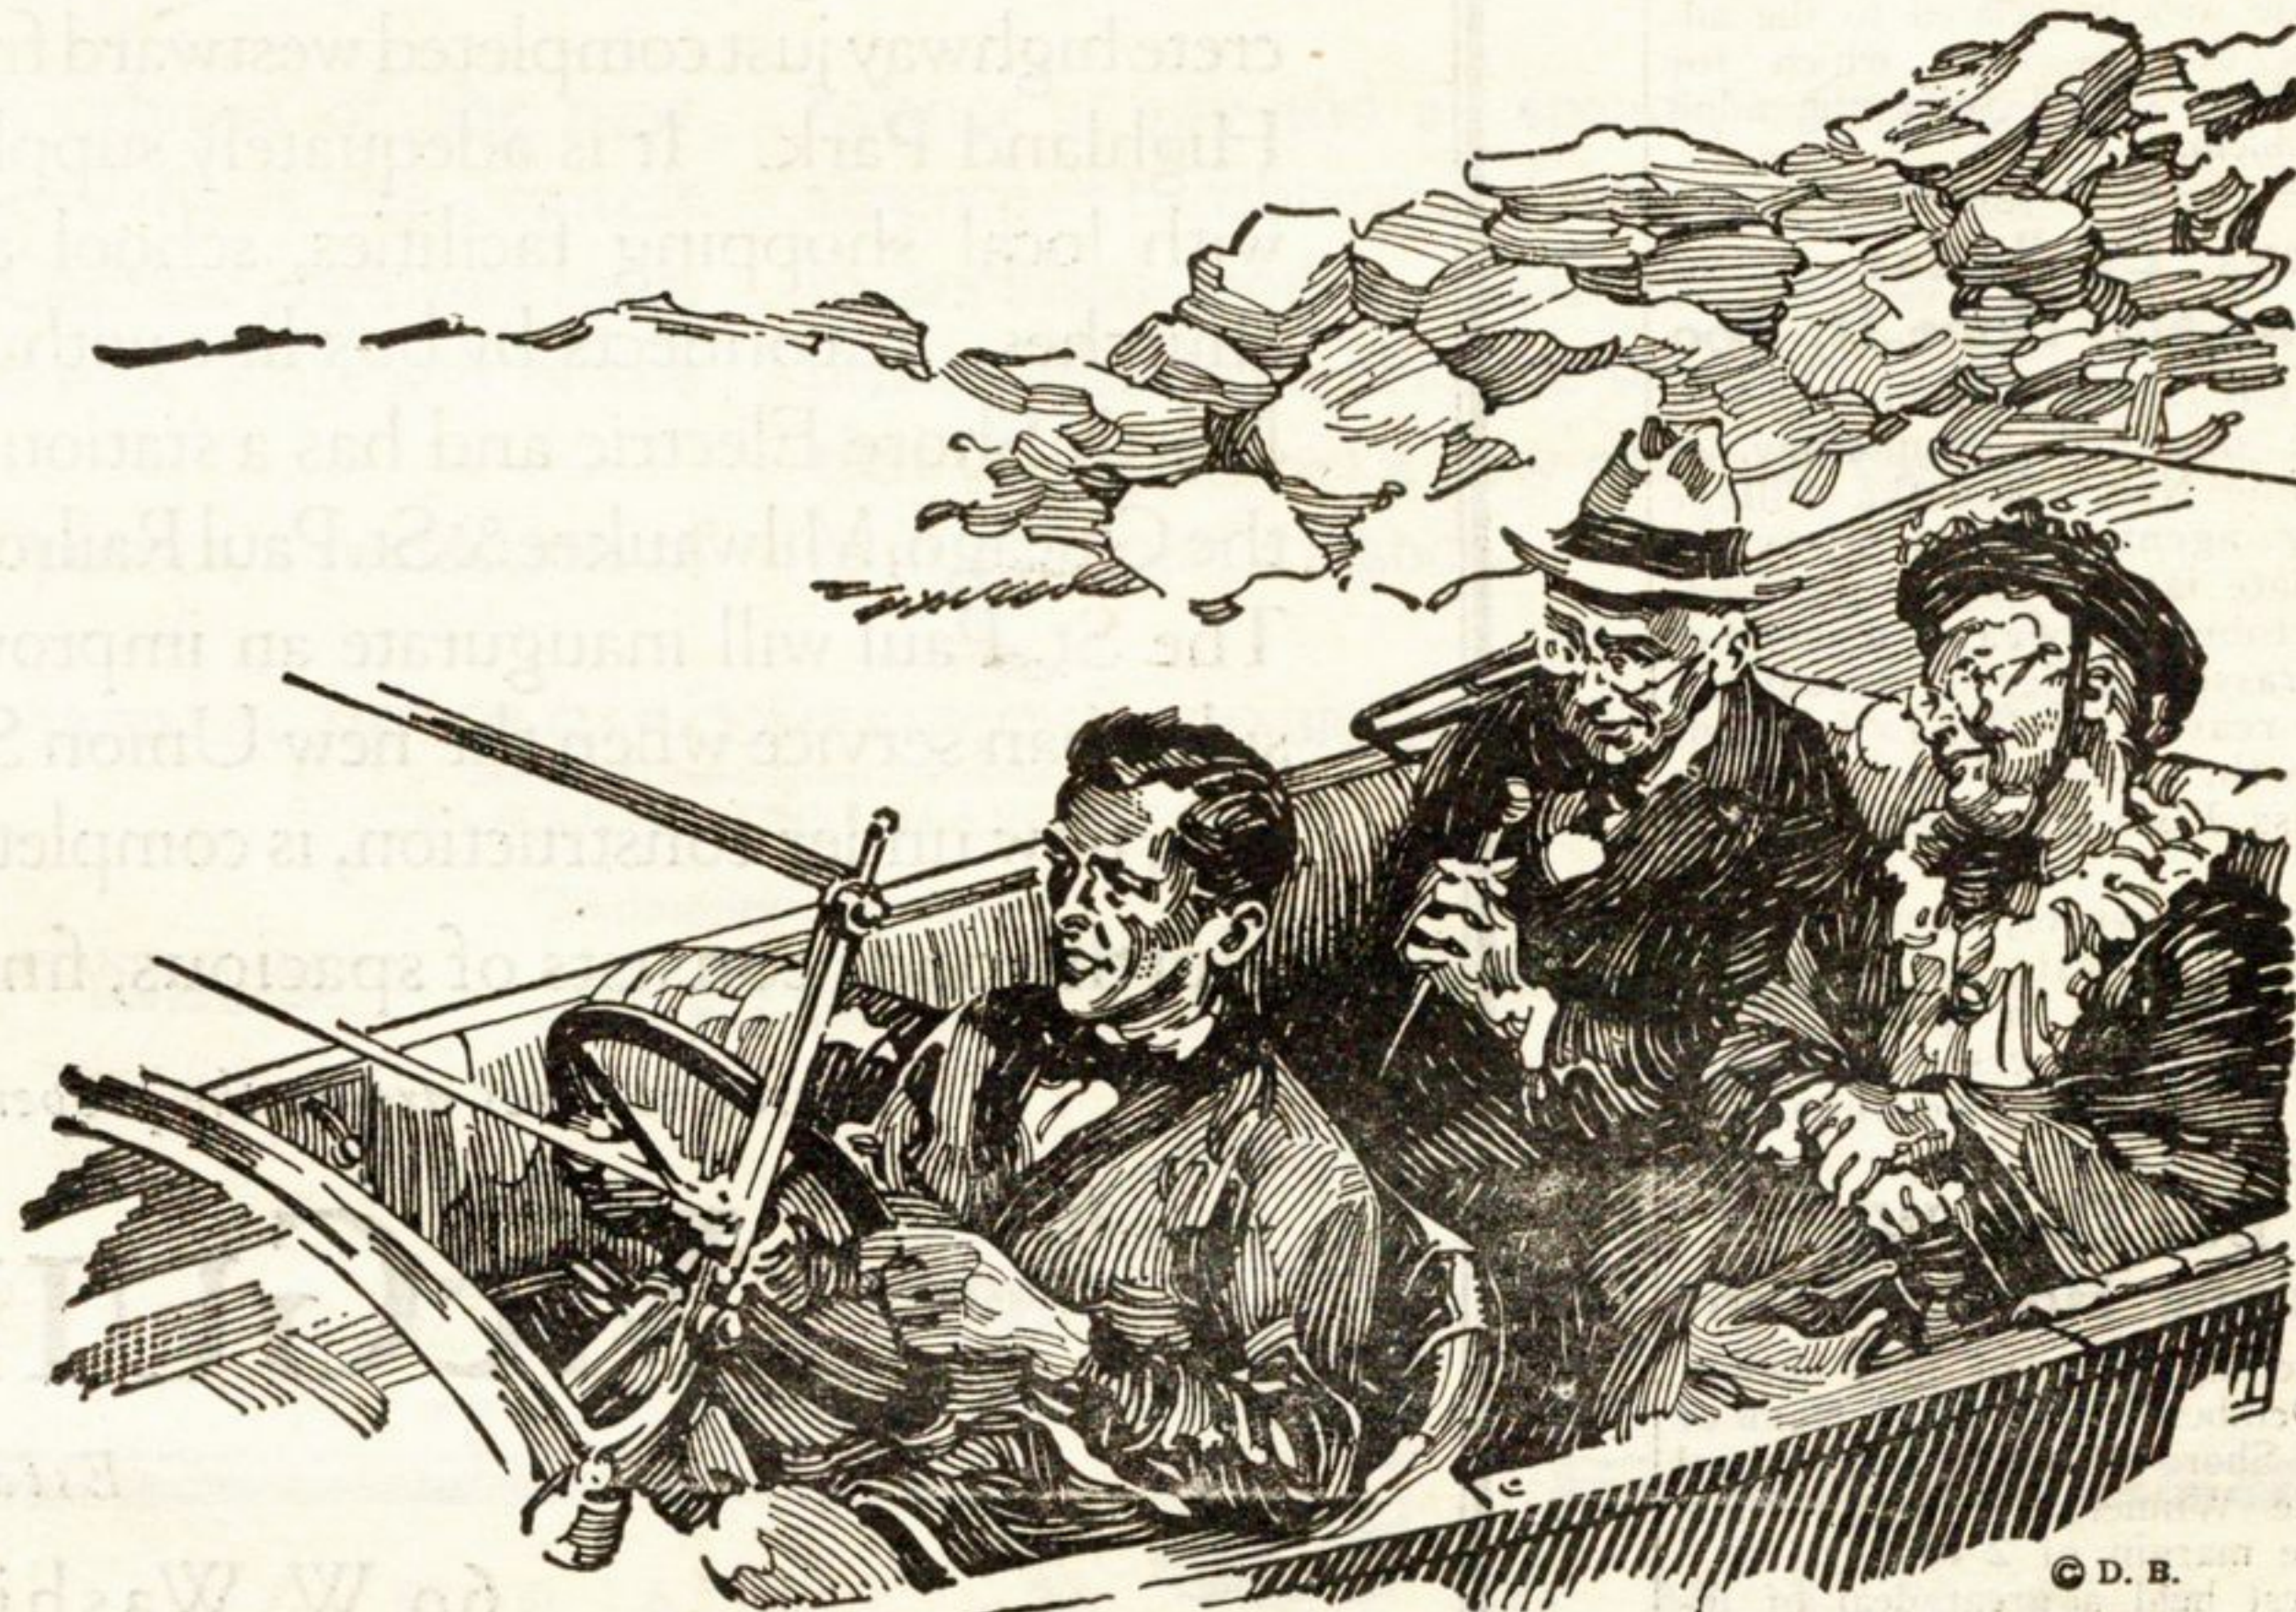

Deeper seats, long underslung rear springs and longer front springs, give ample assurance that cross country touring can be enjoyed without weariness or fatigue.

Yet with these improvements, and many others, it is still fundamentally the same car—built on the same chassis and powered by the same sturdy engine.
