

CLUB HEARS OF CIVIC AFFAIRS

President Miller and Manager Woolhiser Talk to Indian Hill Body

WANT BETTER LIGHTS

Illumination at Stations Is New Problem

Monday, November 5, was Newcomers' Night at the regular monthly meeting of the Indian Hill Improvement association.

Regular business was to a large extent set aside to make way for the special feature event of the meeting.

"Your Village" was the subject of very interesting and instructive talks by John S. Miller, Jr., president of the village, Carl Zeiss, member of the Park board, Walter S. Shoemaker, of the School board, and H. L. Woolhiser, Village manager.

Talks on Village Affairs

Mr. Miller urged the need of yard facilities for storage of village equipment.

He visualized in an interesting manner how government had traveled westward in parallel lines, thus giving Winnetka the old New England form of government plus the more modern village manager system.

Mr. Zeiss called attention to the recreation facilities at Elm Street Beach and at Playfield and spoke encouragingly of future activities of the Board in improving conditions at the Elder Lane Beach and in supplying new skating rinks.

Mr. Shoemaker warned against a feeling of complacency in connection with school facilities. He presented statistics to show that according to the present rate of growth, Winnetka would require eighteen new school rooms by 1927—and that it is none too early to begin planning for them now.

Mr. Woolhiser spoke of the importance of management in village affairs which offered responsibilities, and the judicious handling of an income, equal to that of the larger corporations. It was an interesting program and

both newcomers and old timers benefited from the opportunity to learn important village facts from the officers who so generously contribute their time and efforts to village affairs.

Seek Better Light

The committee on street lighting reported favorably on the question of better illumination at the Indian Hill stations.

The Entertainment committee, which is also a very excellent quartet, furnished the musical program—a-la-quartet,—ably supported by Mrs. Fitch, who delighted the audience with two of her characteristic readings.

President Bryson announces that the drive for 100 per cent membership in the Indian Hill Improvement association will begin November 18 and that the membership committee has been instructed to secure as members every adult residing south of Willow street.

Refreshments and dancing wound up the evening. The meeting was held as usual in the Greeley school Assembly hall.

CHANGE MEETING PLACE

Because of the White Elephant sale to be held next week in the gymnasium and Neighborhood room of Community House, the Friendship Circle will meet on the upper floor upon the occasion of their regular gathering Tuesday evening. There will be a special program and games, it is announced, and all working girls in the village are urged to attend.

One's Eyes Never Have a Vacation

Vacation-time brings needed rest and relaxation—except to your EYES. Not only does travel expose them to cinders, smoke and coal gas, but days spent in the open result in irritation by sun, wind and dust.

Protect and rest your EYES this summer with *Murine*. This time-tested lotion instantly soothes and refreshes irritated EYES.

EYES cleansed daily with *Murine* are always clear, bright and beautiful. It's perfectly harmless—contains no belladonna or other harmful ingredients.

Our attractively illustrated book, "Beauty Lies Within the Eyes," tells how to properly care for your Eyes, Brows and Lashes and thus enhance their beauty. Send for a copy of this helpful book. It's FREE.

Ford Four-Door Sedan

\$685 ^{o. d.} _{Detroit.} fully equipped.

Inside and out, the new Ford Four-door Sedan shows improvements of far more than usual importance.

It is lower and sturdier in appearance. New cowl, hood, radiator and apron add size and finish to the front. Sun visor and wide, well-finished aluminum doors with bar handles perfect the design of the body.

The lasting lustre of the exterior finish is equalled in richness by the

soft brown shades of the silk window curtains and the deep broadcloth upholstery.

Dome light, door locks, window regulators and handles, all finished in nickel, complete a refinement you would expect only at a far higher price.

Convenience, utility and economy have established Ford supremacy. The Four-Door Sedan adds to these factors greater Ford prestige.
