

RED CROSS IN ANNUAL DRIVE

Mrs. Willoughby Walling Is Local Chairman

Armistice Day to Thanksgiving Day is the time set for the seventh annual roll call of the American Red Cross.

Mrs. Willoughby B. Walling is in charge of the roll call at Winnetka, it was announced at Chicago headquarters this week.

The Chicago chapter enrollment will be under the direction of the executive committee: Marquis Eaton, chairman; Col. A. A. Sprague, James Simpson, Frank O. Wetmore, John W. Scott, William A. Grigley, Jr., Charles H. Wacker, A. A. Carpenter, and Jacob M. Dickinson, Jr.

With the exception of one, all of these men have given their time to the Red Cross, since the beginning of the war.

Dr. Thomas E. Roberts of Oak Park, and Mrs. James A. Patten of Evanston, are in charge of the suburban division roll call. They have given the same number of years.

Need \$1,000,000
In fact thousands of men and women who devoted their time to the Red Cross during the war are still on the job.

The goal is half a million dollars, which will be adequate to run the chapter two years.

Approximately one man out of every four who offered their lives to the country is either dead or has suffered a disability.

The families of many of these men are our responsibility.

The Chicago chapter aided 10,000 disabled veterans last year.

The Chicago chapter secured \$60,000 in governmental compensation for disabled veterans in one month.

The Chicago chapter has transcribed 400 volumes of standard literature into Braille for blinded ex-service men who are always asking for something to read.

The practical and economical methods of helping the disabled ex-service man is to enroll with and contribute to the Red Cross.

"On the High Seas," Next Friday's Film

Co-featuring Dorothy Dalton and Jack Holt, and with Mitchell Lewis in their support, a Paramount picturization of Edward Sheldon's first original screen story, "On the High Seas" will be shown at Community House, Friday evening, November 16.

It is a powerful story of the sea and recounts the stirring adventures which befell a beautiful young woman cast adrift upon the ocean in a small boat in the company of two burly stokers. After some dreary days in the boat they take refuge on board a sinking schooner, from which they are rescued in the nick of time, after one of the men had been killed by a falling mast. Mitchell Lewis plays this role. Irvin V. Willat's direction of the picture was excellent. There will be two shows, one at 7:15 and one at 8:45 o'clock.

SOMETHING FOR NOTHING

We're told that we mustn't think that we can get something for nothing. But what do you call it when you get a Want Ad for THIRTY CENTS? That's only a little more than nothing.

Pirates Bold Have Lair at School House

Should residents of Hubbard Woods and Glencoe happen of a Saturday morning to see a band of fifteen ferocious looking young pirates with red sashes, bandanas about their heads, daggers between their teeth, and cutlasses ready for action, they need not get panicky and phone the police. The "pirates" are members of the Hawthorn School Adventure club, composed of Winnetka and Glencoe boys under the direction of Charles A. Kinney, on one of their treasure hunts.

Mr. Kinney, formerly director of shopwork in the Winnetka schools and now head of the manual training department of the Francis W. Parker school in Chicago, is in charge of the shopwork at Hawthorn school.

Here the boys have a "cave" where club meetings are held. In this secret place they are fitting up a pirate ship with fo'c'sle, brig for captives, and a real treasure chest, chiefly for "eats." To enhance the nautical atmosphere of the dry land ship Mr. Kinney has loaned the pirates coils of rope, anchors, life buoys, flags and other marine equipment and a small canon. Access to the ship is possible only to those possessing the secret password.

The club meets on Wednesday afternoons and Saturday mornings. A part of Saturday is spent in the new school shop. The rest of the time is given to group games, trips into the woods or along the lake where the boys will get some practical experience in camp cookery. A few trips will be made to the Field Museum and other places of interest in Chicago.

As soon as the pirate ship is ready for inspection the boys plan to initiate their fathers into the mysteries of piracy. The boys in the club are John Curtis, Gerry Schnur, Allan Frank, Francis Allen, John Reilly, Jamie Odell, Allen Johnston, David Curtis, Dunham Reilly, John Danley, Melvin Strauss, Wolf Hattery, Charles Palmer-Ball, Jack Odell, Burton French, and Charles Eberhart, who assists Mr. Kinney.

Peddles Sans License Pays Fine to Northrop

Among the offenders listed in the Winnetka police court during the past week appear the name of Jacob Kaleeb, Chicago, who paid a fine to Magistrate Northrop on a charge of disorderly conduct, and peddling without a license. Those who appeared in the police court for violating the traffic regulations were: J. B. Schultz, Chicago; Edward Hughes, Chicago; Peter Vaisol, Chicago; Irwin Henbrook, Highland Park; A. K. Stearns, Ravinia. The number of arrests for speeding during the past week is considerably less than that of any previous week over a period of several months.

HOSTESS GROUP NAMED FOR C. H.

Volunteers Chosen to Aid in Direction

Community House directors this week announced the "hostesses" who are to volunteer their services in aiding in the supervision of activities at the social center during the winter months.

The "hostesses" will be: First week of month: Monday, Mrs. George D. Wolf; Tuesday, Mrs. Marcus Richards; Wednesday, Mrs. Frederick Thomas; Thursday, Mrs. John Bunker. Second week of month: Monday, Mrs. Robert Greenlee; Tuesday, Mrs. Charles Butler; Wednesday, Mrs. Robert Wilson; Thursday, Mrs. Morris K. Wilson. Third week of month: Monday, Mrs. Edmund B. Bartlett; Tuesday, Mrs. Arthur F. Klein; Wednesday, Mrs. Marc Newman; Thursday, Mrs. Harve Badgerow. Fourth week of month: Monday, Mrs. Ralph Snyder; Tuesday, Mrs. William Truesdale; Wednesday, Mrs. William Woolfolk; Thursday, Mrs. William McCauley. Fifth week in month: Mrs. William Wersted; Tuesday, Mrs. Merritt Lum; Wednesday, Mrs. Joseph Brown; Thursday, Mrs. William Moffet. The committee of "hostesses" is under the general chairmanship of Mrs. Frank Crawford.

Each year a committee of women volunteers for service as "hostess" in Community House, each woman serving one evening a month. This bit of service is of great value to the work in the House, as, owing to the many and growing activities in the evening, there is real need for some one to be on hand in the office, to meet strangers, answer questions, take care of the emergencies, check up on the gymnasium classes, and do the many things that arise in connection with the varied interests and activities of the evening.

COMMITTEE APPROVES DILLER ST. VACATION

The Streets, Drainage and Forestry committee of the Winnetka council Tuesday of this week reported favorably on the application of the North Shore Country Day school board to have Diller street vacated from Forest to Church road. The recommendation of the committee contained the provision that the school authorities enter into the necessary contract with the council to present to the village the necessary land on the west side of Church road required in connection with the proposed through highway route.

The Village attorney was instructed to prepare an ordinance in that regard for introduction at the next council session.

In connection with the Diller street vacation plan the Streets, Drainage and Forestry committee received several objections from property owners on Forest street who were of the opinion that the street in question should be retained open as a parking space for patrons of the school, who otherwise park their cars on Forest street.

The school authorities, in that connection, agreed in writing, that in the event of the vacation of Diller street, parking space would be provided on the school grounds, and promised strict compliance with police regulations prohibiting parking on Forest street.

The objections were withdrawn, it was said, upon the assurance that there would be no parking on Forest street.

Florida Weather Ideal, Says Trav'lin' Freddie

Fred Schwall, captain of the Winnetka Fire department, who left October 24, for an extended motor trip through the south, has sent word to his fellow workmen that after traveling a distance of 2178 miles, he is only 214 miles from his destination in Florida.

Accompanying Mr. Schwall is his wife, and her mother, Mrs. William Brand. He reports that the weather in Florida is ideal and that he will be back sometime next spring.

Roast Sizzles to Nought; Fires Let Out Smoke

A dandy roast of beef went up into smoke at the Frank Squire menage at 1456 Asbury avenue, Wednesday, and caused enough excitement to rouse the local fire fighters.

When the apparatus arrived, the roast was nought, and all the braves had to do was open a few windows and doors to give the neighbors a chance at the appetizing odors.

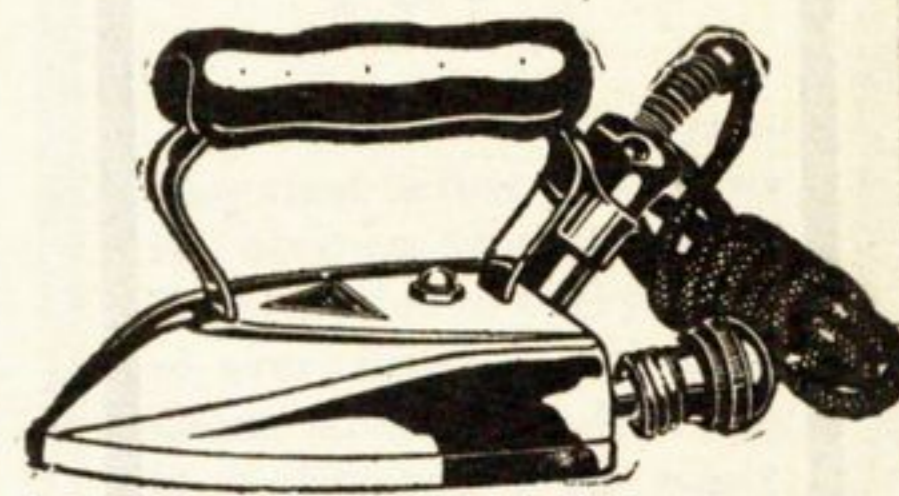

Damage—one roast gone and a bit of smoke.
