SCHOOLS HAVE THEIR "WEEK"

Winnetka Observes National Education Week Beginning Sunday, Nov. 18

PLAN MASS MEETING

Visiting Week and Plays at Schools

National Education Week, November 18-24, proclaimed by President Coolidge to be observed in every community throughout the United States, will have unusual significance for Winnetka, as indicated in the ambitious program outlined by the public school authorities in co-operation with various civic leaders and New Trier High school.

Augmenting a special section in this issue of Winnetka Talk, the National Education Week committee has arranged a great mass meeting to be held Monday evening, November 19, in the Jane Kuppenheimer Memorial hall at Skokie school, at which such leaders as Perry Dunlap Smith, headmaster of the North Shore Country Day school; Carleton W. Washburne, superintendent of schools; Willard Beatty, principal of Skokie school; Ernest S. Ballard, president of the board of education, and Frederick Edson Clerk, principal of New Trier High school, will be speakers.

Children Pen Essays

A special edition of the "Journalist," public school paper, will be issued during the week, containing essays on education written by various children in the Winnetka schools.

The week of November 18 is designated School Visiting Week and every possible effort will be made to get every parent to visit his child's school sometime during the week. Teachers will be urged to have the work of the children available for inspection. A prize will be awarded to the class room having the largest percentage of parents attending the Monday mass meeting and visiting the schools.

Clubs, Churches Interested

Co-operating with the schools, the Winnetka Woman's club and the Men's club of Winnetka will devote some time at their respective meetings to a discussion of educational matters. Winnetka ministers also are expected to call to the attention of their congregations the significance and mission of National Education Week.

In the schools, Education Week will also be observed in the presentation of three original plays at the Jane Kuppenheimer Memorial hall of Skokie school, Friday evening, at 6 o'clock, the children taking part to be enlisted from the Hubbard Woods, Greeley and Horace Mann schools. These plays will deal with good citizenship, health and Greek mythology.

The committee in charge of Winnetka's Educational Week program comprises, Ernest S. Ballard, president of the board of education; Mrs. Willoughby Walling, president, Winnetka Woman's club; Mrs. Earle Barber, president Parent-Teacher association; Mrs. B. F. Langworthy, member Village Council; John Venema, president Winnetka Men's club; Earl Weinstock, president Winnetka Chamber of Commerce; John S. Miller, Jr., president Village of Winnetka; Carleton W. Washburne, superintendent of schools.

Manager Woolhiser at City Managers' Meet

Village manager H. L. Woolhiser, is in Washington, D. C., this week-end attending the annual sessions of the National City Managers' association.

Mr. Woolhiser has been an active member of the association for several years and is usually called upon to tell something of his work in this municipality, considered a model of a certain type of city manager government.

Secretary of Commerce Herbert Hoover, was scheduled to give the principal address at the convention. Other north shore officials attending the sessions are Village manager H. H. Sherer of Glencoe, and James A. Williams, assistant manager of that community.

That Band Fund Is \$224.75; Will You Help?

CONTRIBUTIONS TO DATE	
Boys' Adventure Island Camp	\$2.75
Jeanette Perrin	2.00
A. R. Eddington	5.00
Mrs. William D. McKenzie	5.00
New Trier Commercial Ass'n.	50.00
Total	\$64.75
Previously acknowledged	\$160.00
Grand Total	\$224.75

The New Trier Commercial association indicated the way for other north shore civic organizations this week by making a contribution of \$50 to the New Trier High School Band Fund now being accumulated through Lloyd Hollister, Inc., publishers of Wilmette Life, Winnetka Talk and Glencoe News.

The Commercial association's generous gift brought the total, up to Wednesday, November 14, to \$224.75.

The goal of the fund, which is to provide uniforms for the 120 members of the New Trier High school band, is \$2,000. The band, by announcing a concert for the very near future, is promising to materially swell the total.

Small contributions from a representative number of citizens in New Trier will easily make it possible for the boys to get those uniforms.

"I am enclosing a small check for the band fund," writes one contributor, "I am sure you will be successful, for everyone must know that a band without uniforms isn't a band at all."

Lloyd Hollister, Inc., believes that is the sentiment of every citizen of New Trier. If our judgment is correct, the boys will have their uniforms before the holidays.

Will you mail your check today to:

Wilmette, Ill.

CAMP FIRE IN BIG MEETING

Eight Groups Hold Session Friday

All over the world Camp Fire Girls are beginning their work for the coming season. Here, in Winnetka, several new groups have been formed in addition to the old ones. There are now eight active groups representing more than 100 girls. The guardians are Miss Ruth Matz, Mrs. John S. Miller, Jr., Miss Clara Harsh, Mrs. John Olmsted, Mrs. Frederick Christopher, Mrs. Reginald Gates, Mrs. Barret Conway and Miss Margaret Haskins, with Mrs. Eloise Wortley as chairman of the Guardians.

Plans have been made for the first general meeting of the Camp Fire, which is to be a gathering of all the girls in the gymnasium on Friday afternoon at 4 o'clock. There will be an "inspection" of the groups by the chairman of the Camp Fire Council, J. W. F. Davies, after which the new girls and guardians will be taken into the circle. The girls of the group who sang the Camp Fire "Boating Song" with such success at Ravinia last summer will repeat the song for the other girls. The Winnetka Camp Fire Council will act as hostess to the girls and their mothers during a social hour which is to follow, when all will have an opportunity to come into a close realization of some of the meaning of Camp Fire. All interested in Camp Fire are looking forward to this meeting with special interest.

CHIMNEY FIRE

The Fire department was summoned to the home of Arthur Maldaner, 1149 Laurel avenue, Wednesday, November 7, to extinguish a small blaze which had started on the roof. The fire was caused by flying sparks from the chimney and the loss was said to be very slight.

REALIZE \$3,500 FROM BIG SALE

Gross Receipts from Community House Exchange Will Exceed \$3,700

THRONG OF BUYERS

Fund Sufficient to Equip New Building

As the result of a buying extravaganza never before paralled in Winnetka, the Community House Exchange closed its doors Thursday afternoon with practically all goods sold out and over \$3,700 in gross receipts. After all expenses are paid, the committee expect to turn over to the Governors of Community House well above \$3,500, thus assuring the purchase of a full equipment of seats for the new hall, cooking utensils, dishes and fittings for the new kitchen, etc.

The amount raised is much larger than the committee dared hope, and the number and eagerness of the buyers exceeded its fondest expectations. Crowds of men and women, some from the far south side of Chicago, and others from Evanston, Ravenswood, Highland Park and farther, were waiting for the doors to open on Wednesday at 1 P. M., and rushed for the tempting bargains displayed with such eagerness that tables were overturned, merchandise scattered, and the sales force almost demoralized.

At 9 o'clock that night, when the public was sent home, over \$2,400 had been realized, and many tables and booths were almost bare.

The piano, the kitten, the microscope, the billiard table, pictures, rugs, bedsteads, couches, everything found a purchaser. Between \$200 and \$300 was realized from old shoes alone. Books went fast, as did Chinaware, bric-a-brac and pictures. The new articles and fancy work of the Circle groups sold like hotcakes. The refreshment booth did a rushing business. The amount of goods to be sold was so large that it filled the Assembly room as well as the gymnasium, and both were thronged with keen shoppers every hour of the sale.

The few remaining articles of clothing, shoes, etc., have been given to the Winnetka Relief and Aid society and to the Salvation Army.

Mrs. Ayres Boal and the general committee, together with J. W. F. Davies, director of Community House and chairman of the board of governors, desire to express their hearty thanks to the many women and men who gave so generously of their time and interest, and to the village at large for its liberality in contributions and in purchases to make the Community Exchange so remarkably successful.

What Time is it?

You won't have to ask your husband this embarrassing question if you get one of these clocks.

FOR SALE—2 LARGE, NEW mahogany hall clocks, imported works, Westminster chimes, striking quarter hour.

BIBLE TRANSLATOR GIVES TALKS HERE

Widespread interest in the village is anticipated in the forthcoming series of four Advent addresses to be given at Christ church Parish House by Prof. Edgar J. Goodspeed of the University of Chicago on the general theme, "How We Got Our Bible." The series begins Monday evening, November 26, and will continue on three successive Mondays, the hour being 8:15 o'clock.

Prof. Goodspeed, as most Winnetkans know, is the translator of "The New Testament—An American Translation" which created attention throughout the country when first published a few months ago. He is eminently qualified to provide an able and interesting treatment of the theme prescribed for these lectures.

Subjects of the addresses will be as follows:

November 26—"The Text of the New Testament Books, and show how they have come down to us."

December 3—"Recent Discoveries in Egypt, and their light on the New Testament."

December 10—"The first putting of the Greek New Testament into English."

December 17—"The New Testament today."

LEGAL ROMANCE TALK AT CLUB

Men's Club to Hear J. R. Montgomery

John R. Montgomery, well known Winnetka man and former president of the Chicago Bar association will be the speaker at the next dinner of the Winnetka Men's club, scheduled to be held at Community House Thursday evening, November 22, at 7 o'clock.

Mr. Montgomery will relate the story of a legal romance; a story of how two orphans were nearly defrauded of a Cook county farm; a case revealing forgery, perjury and strange impersonations, and that led to investigations in far away Alaska and foreign countries.

The story is reported as highly entertaining and very fascinating, not technical and therefore of extreme interest to the layman.

Since it is evident that some Winnetka men who would like to enjoy the Men's club dinners and programs are not included on the regular mailing list, it is urged that they communicate at once with John W. Lasier, secretary, make reservation for Thursday and have their names included on the regular mailing list.

A large attendance enjoyed the last dinner of the club and it is anticipated that next Thursday's meeting will bring out a record gathering of the men of the village.

Teachers' Apartment Hearing Is Postponed

The informal public hearing on the question of erecting an apartment building in the village to house teachers in the Winnetka schools, scheduled to be held Monday evening, November 19, has been indefinitely postponed, it was announced this week by the Winnetka Zoning Board of Appeals. The hearing will be held at a date to be announced in a later issue of Winnetka Talk, it was stated.

William Aitken, local builder, and the board of education recently presented a petition to the Zoning board embodying an appeal from the decision of the superintendent of public works with reference to the construction of an apartment building for the use of Winnetka teachers, located on the north side of Gage street west of Linden avenue in Hubbard Woods.

The appeal stated that the board of education was to have option on all apartments from year to year for use of teachers employed in Winnetka schools at schedule of rental agreed upon in advance for five years and subject to revision by agreement for five additional years.

The property in question is located in "A" Residence district immediately adjacent to "C" Commercial district.

LODGE INVITES TO NEW TEMPLE

Officers of Grand Lodge to Take Prominent Part in Dedication

EVERYBODY INVITED

Is Open for Inspection on Sunday

A host of visitors will be in Winnetka this evening to help the 300 members of the Winnetka Masonic lodge dedicate their beautiful new \$150,000 temple on Elm street.

Ceremonies, open to the public, will begin promptly at 7:45 o'clock with an organ recital and exhibition of the temple's lighting system.

At 8 o'clock Worshipful Master Thomas N. Wheatley will extend the formal welcome to the new home of the lodge, thus inaugurating an impressive ceremony in which members of the Grand Lodge, including Grand Master Arthur E. Wood and Grand Marshall John Platner, will assume a prominent part.

Prominent Speakers

The program will include addresses by Rev. J. W. F. Davies, William F. Groene, William Kentnor, and masters of Glencoe, Wilmette, Glenview, Wauwatosa, Milwaukee and Equity lodges, and representatives of Wilmette Chapter, Evanston Commandery and the Wilmette Eastern Star.

Dr. Davies, who is chaplain of the Winnetka lodge, will speak on the subject, "The Temple, the men who made it possible and its significance." Mr. Groene, junior warden, will relate the history of the Winnetka lodge, and Mr. Kentnor, senior warden will discuss the future of the lodge.

Dedication ceremonies proper, will be in charge of Grand Master Wood and Grand Marshall Platner.

The dedication will be followed by dancing, the ten piece Vagabond orchestra furnishing the music, and there will be refreshments.

Temple Open Sunday

The Masonic temple will be open throughout the day on Sunday to afford every resident of the village an opportunity to make a leisurely inspection.

Officers of the lodge emphasize the fact that tonight's ceremonies and dance are open to every person in the village.

Completion of the new temple marks another milestone in the phenomenal growth of the Winnetka lodge. Organized about two years ago, with its meeting place in the Community House, the lodge now boasts a membership of 300. Plans for the temple were in progress almost immediately the lodge was formally constituted, and ground breaking ceremonies held December 12, 1922. The corner stone laying was observed early in the spring and work on the structure was pushed steadily until today Winnetka can boast of one of the finest lodge structures in the vicinity of Chicago, a monument to the progressive spirit of the Winnetka lodge, that element in our community life which makes for splendid achievements.

Praise for Goble

Prominent among the men who gave unstintingly of their time and energy to insure the early completion of the temple was Sherman Goble, chairman of the building committee. Mr. Goble is receiving congratulations at every hand in consideration of his almost constant supervision of the work on the temple.

Officers of the Winnetka lodge are: Thomas N. Wheatley, grand master; William Kentnor, senior warden; William F. Groene, junior warden; Edwin Fitch, senior deacon; Sidney Wellbeloved, junior deacon; Earl L. Weinstock, senior steward; I. Franklin Nelson, junior steward; Harry Cadenhead, marshal; Andrew F. Battey, secretary; Allen T. Weinstock, treasurer; J. W. F. Davies, chaplain; Carl Wiemann, tyler; William Wisman, assistant tyler; Orion Galitz, organist.
