CANVASS ALL HOMES

Circulars Proclaim Many Advantages

The Indian Hill Improvement association is out to enroll every resident of the village whose home is located south of and including Willow street as an active member of the organization.

Through its Membership committee, headed by H. T. Hyatt, and including twenty of the most active members of the association, a personal canvass of the entire neighborhood is to be made. It is anticipated that, as a result of this campaign, the association will have a larger membership than any other similar civic organization on the north shore.

As a preliminary to the canvass, a very effective circular was placed in every household in the district. The circular, from which the following is quoted, reviews the history of the organization and sets forth the basis for its claim to the unanimous support of the community.

Study Civic Needs

"The Indian Hill Improvement association is an organization now in its sixth year, organized for the good of the community; to study its needs; to protect its interests; to direct its growth; to promote community pride and a neighborly spirit among its people.

Meetings are held monthly at the Greeley school. These meetings are given over not merely to business matters affecting the community, but also include entertainment features, dancing and refreshments. Ample opportunity is thus afforded for all to meet and become better acquainted with their neighbors.

Helps District

The association has been a real factor in Indian Hill's development. It has improved train service; brought about better station facilities; fostered and is primarily responsible for the Indian Hill park, the accomplishment of which not only beautified the entire district, but forestalled the otherwise certain coming of a commercial section on its site; had our

bathing beach kept clean last summer; fostered a weed ordinance subsequently passed by the Village Council; had erected fountains in the Elder Lane and Station Parks; developed a community spirit unrivalled along the north shore.

All Adults Eligible

All adult residents of the district are eligible to membership in the association, it is explained, two members, at least—husband and wife—being desired from each house.

Applications, together with remittance fee to cover, should be addressed to H. T. Hyatt, 477 Elder lane. prospective members are informed.

"PRIDE OF PALOMAR" AT COMMUNITY MOVIES

A story of California with a powerful theme is "The Pride of Palomar," a Cosmopolitan production from Peter B. Kyne's noted novel of the same name, which will be at the Community House next Friday. The leading roles are portrayed by Marjorie Daw and Forrest Stanley.

The story tells of the struggle of a World War veteran against crushing interests in his native state, the fight centering around the possession of the family ranch, which he finds on his return from overseas service, has all but fallen into the hands of the enemy. Making the story highly dramatic is the fact that the father of the girl whom the young man loves heads the opposing interests.

There will be two shows, one at 7:15 and one at 8:45 o'clock.

Richards Family Now Located in Parsonage

Rev. James A. Richards and family have moved from 577 Ash street and are now located in the new church parsonage at 739 Lincoln avenue. The telephone number is the same, Winnetka 179.

Mr. Richards will make a hurried trip to New York next week in connection with his work on the Commission on Missions of the Congregational denomination.
