Chorus Holds Its First Practice; Meets Monday

The Village Chorus held its second meeting last Monday evening in the parlors of the Winnetka Woman's club. About fifty of Winnetka's singers were on hand prepared to put in an hour or so of good hard practice.

John Cobb, president of the Village Improvement association, made a few remarks at the opening of the meeting, in which he made plain to those present that the Improvement association was backing the chorus financially.

Then began the real work of the evening. Noble Cain, leader of the choir, took up his baton and started in on a good stiff drill. Under his enthusiastic and discriminating supervision the singers practiced the opening choruses of Henry Hadley's well-known composition, "The New Earth."

The chorus will meet again Monday evening, November 19.

Social Dancing Classes Will Be Held on Friday

The Community House classes in Social Dancing for boys and girls have been changed from Thursday afternoon to Friday afternoon at 4 o'clock. These classes are under the instruction of Mrs. Harry P. Clarke.

Many Winnetka parents have already realized the advantage of such an opportunity as is offered in this work under the able direction of Mrs. Clarke and have entered their children.

There is still room for a few more children, and it is not too late to sign up for these classes now, it is explained. Parents wishing to avail themselves of this opportunity can register their children now. A regular membership in Community House with a small additional fee covers the cost. Younger children meet at 4 o'clock and the older ones at 4:45 o'clock.

Winnetka Eleven Takes Close One from Point

Winnetka's football team scored a 7 to 3 victory over the husky Gross Pointers Sunday. Tomorrow the local boys encounter the strong Wilmette eleven which recently registered a win over the home crowd.

In the first quarter Bleser of Gross Point scored a nicely placed drop kick giving his team a 3 to 0 lead.

After that the game was a see-saw affair until the third quarter when "Red" Dahl got away around right end for thirty yards and a touch-down. He also kicked goal.
