

CLUB WOMEN BACK ANNUAL RED CROSS DRIVE FOR FUNDS

Illinois Women Voters League to Convene in Chicago November 21

THE third annual convention of the Illinois League of Women Voters will be held at the Congress hotel, November 21-23 inclusive, an announcement which interests thousands of women in the state.

Individual sessions of the various departments of the league will feature the convention. The department of efficiency in government, child-welfare, education, living costs, international cooperation to prevent war, social hygiene, citizenship, uniform laws concerning women and women in industries are some of the very important sections.

Dr. Anna Garlin Spencer, of New York, will have many interesting things to tell the members of the league concerning her own experiences. Then, Dr. Allen Potter, commissioner of public welfare for Pennsylvania, will prove a specially interesting speaker, because of the similarity of her position to that of our own Mary E. McDowell. Perhaps the work of the positions themselves isn't exactly similar, but as the names of them sound alike, everyone will want to find out just how Dr. Potter's work is akin to that of Mary McDowell. It is usually very interesting to hear another state's version of something in which we all are interested.

Then, Mrs. James Paige, who is a member of the senate legislature of Minnesota, will tell all about the Gophers in politics.

Miss Jane Addams, Julia Lathrop, president of the League, Mary McDowell, Commissioner of Public Welfare, Mrs. Henry Ward Cheney, and Judge Mary Bartelme are also on the list of speakers.

Important Meetings at Wilmette Woman's Club

AT the Woman's Club of Wilmette, on the morning of November 21, at eleven o'clock, there will be a talk by Mrs. A. S. R. Smith on the work of the Artists' Guild, with an exhibition of embroideries, baskets and other hand work suitable for Christmas gifts. Most of us remember the very unusual and beautiful things that Mrs. Smith brought to our Art Exhibition, and will be glad to see more on the same order.

A collection of children's books will be shown at the club on the same day, and our librarian, Miss Sue Osmotherly, will speak on "Books for Children" at the afternoon meeting. There will be a variety of interesting reports, and a talk by Mrs. Northam on the very important and constructive work she is doing so quietly that very few of us even know what it is.

One of the best meetings of the year will be New Trier Evening, Friday, November 23, at 8 p. m. We have all heard golden opinions of the work of our new superintendent Mr. F. E. Clerk, who will speak to us of his ideas and ideals for the High School, and give us an opportunity to discuss school problems with him and his staff.

The New Trier Orchestra will play for us, and there will be an informal reception after the program. This meeting is open to all interested persons.

Channing Pollock Will Address Library Club

MR. CHANNING POLLOCK, author of "The Fool," will speak on "The Fool and I" at the Glencoe Woman's Library club on Thursday, November 22, at 2:30 o'clock. This is Mr. Pollock's principal address, for it deals with the production of "The Fool," the obstacles that were interposed to stop its production, and its final proof of the theory that a play with a clean theme, a religious theme, will win the support of a larger audience than a successful play based on ordinary topics.

Mrs. Lieber to Address Catholic Woman's Club

MRS. Maurice H. Lieber of Winnetka, chairman of Applied Education of the State Federation, will speak before the members of the Woman's Catholic Club of Wilmette on Friday, November 23, on "The Changing World." Miss Mabel Payton will give an intimate talk on "The Girl in Her Teens." The musical program will be furnished by Mrs. Blanche Crook, soprano, and Mrs. Hilda Bryant, contralto, accompanied by Mrs. Dorothy Wise. Among the duets will be "Boats of Mine," by Miller, "Mistress Mary" by Falter, "Shrieks of Sea Gulls" by Grodsky, and "Starry Night" by Dinsmore. The soprano solos will be "Pilgrim Songs" by Tschaiakowsky, "Because of You" by Strickland, and the contralto solos, "Coming Home" by Willeby, and "The Night Wind" by Farley. The artists are members of the Ridgewood Morning Musical club.

FRENCH LECTURES

The French committee of the Winnetka Woman's club announce a series of lectures to be given by Monsieur Cauuet on Monday mornings from 10:45 to 11:45 o'clock. "DEVIL'S INVENTION"

NORTH shore club women are directing their attention toward the annual Red Cross roll call, the campaign whereby funds will be raised to carry on work for the next two years.

The record of the Chicago chapter of the Red Cross for this year includes aid given to more than 10,000 disabled veterans of the world war and extensive work in disaster relief and preparedness work. The chapter now has in readiness for emergencies complete equipment for a 500 bed hospital, and a corps of volunteer men and relief workers. This little glimpse into the many ramifications of the organization gives an idea as to the need for funds to carry on its activities.

THE D'ORLEANS

When kings feasted, Solid Silver was their pride, and today it is still Solid Silver that contributes the final touch of luxury to the table laid for a formal dinner. To meet the exacting demands of such functions, Charles E. Graves & Company announce the introduction of the D'Orleans pattern of table silver.

This table silver de luxe has a richness and inspiration of design that lends a distinctive beauty to the table it adorns, and so adds immeasurably to the impression created by the dining-room as a whole. The D'Orleans is truly a design worthy of becoming a part of the most carefully conceived decorative scheme.
