

Banks Mail \$14,000 in Christmas Saving Checks

Four hundred Winnetkans shared the sum of \$14,000 this week, which represents the total amount of money paid out to individuals who took advantage of the Christmas Savings plan of the Winnetka State Bank and the Winnetka Trust and Savings Bank.

The Winnetka State Bank reports that \$9,000 was paid out in Christmas Savings checks to about 300 people, while it is announced that the Winnetka Trust and Savings Bank paid 100 people a total sum of approximately \$5,000.

Last year the Trust and Savings Bank paid out approximately \$2,500, thus showing an increase of 50 percent this year. It is said that those people who were on the list this year are joining the club again for the next year, but with larger amounts. Both

banks are now taking in new members for the ensuing year and it is believed that the total of the checks made out in 1924 will more than double those mailed to the Christmas shoppers this season.

Peddling Booze to Come High for John Ostrowsky

Winnetka police have instituted proceedings to secure an injunction restraining John Ostrowsky, recently found guilty of manufacturing and selling intoxicating liquors at his home at 1487 Asbury avenue, from further engaging in the practice under penalty of having his home sold over his head without any remuneration for him from such disposition. Ostrowsky was fined \$100 and costs before Magistrate Northrop.

It was said that government officials were to take a hand in the Ostrowsky case.
