They Did It!

The Freshman Boys of New Trier High school took the matter of proving their school spirit into their own hands last week. Through their nine adviser rooms, they started a campaign for voluntary contributions to the High School Band Uniform fund. In three days of collection they obtained \$58.81 in cash contributions. Mr. E. F. Kelley, father of Ned Kelley of Mr. Herron's adviser room, heard the band play at Fathers' Night meeting on December 10 and decided that the band deserved his support. He sent a check for \$5 by Ned the next morning thus swelling the cash receipts to \$63.81. In addition to the cash given, three boys, one each from the divisions headed by Mr. Grinnell, Mr. Stokes and Mr. Oaks, reported that their parents would buy them uniforms because of their membership in the band. Since the uniforms are to remain the property of the school when the student leaves, the pledging of the three uniforms is equivalent to another \$75, or a total of \$139.81. Since only the money actually received is counted as contributed, the efforts of the Freshmen boys are valued at \$63.81 or an average of about 30c for each student.

Here We Are

The ranking of our adviser rooms in amounts contributed is as follows:

This display of school spirit on the part of the freshman boys is of the real tangible sort. It is the spirit with a punch and the kind that counts. The boys hope that it will lead to a better understanding of the needs of the band by the members of this community. The boys feel that if the community learns of the embarrassment which the band suffers as a result of playing in school contests, etc., with no uniforms, the need will be met at once. The Freshman boys have "done their bit." Will the community finish the job? Make out your check to NEW TRIER BAND FUND, LLOYD HOLLISTER, INC., 1222 CENTRAL AVENUE, WILMETTE, ILLINOIS

Shoji Osato, Earthquake Refugee, Enters Business
Shoji Osato, son-in-law of Mr. and Mrs. Francis W. Fitzpatrick, 2319 Pioneer road, Evanston, who recently returned from the Quake region of Japan, will soon open a photographic studio in Winnetka, and probably will make his home in Evanston. He will hold an exhibition of paintings and photographs soon after Christmas, it is said. Mr. and Mrs. Osato and their two children were in Japan at the time of the earthquake disaster. For several days, before communication could be made, it was feared the family were lost. Recently Mrs. Osato and one child came to America, and were followed soon after by Mr. Osato and the second child, from whom they had been separated.

DICK BARTHELMESS AT COMMUNITY PICTURES

Richard Barthelmess goes back to the Virginia mountains, the location of his unforgettable "To'able David," for his most recent First National picture, "The Bond Boy," which will be shown at the Community House, Friday, December 28.

As Joe Newbolt, impoverished son of aristocratic parents, he is forced to bind himself out to Isom Chase to work until he is twenty-one. The humiliating part of it is that Chase is the new owner of the Newbolt farm, having gotten possession of it when Joe's father a visionary inventor, was forced to relinquish it to his one time hired man.

How Chase is accidentally killed in an unfortunate marital tangle, how Joe is arrested for murder and condemned, how he effects his thrilling escape, solves the mystery and brings about his own freedom and happiness; these incidents are dramatically woven into a charming love story in this screen version of George Washington Ogden's fascinating tale.

The production, which was directed by Henry King, is heralded as a screen sensation. With Barthelmess appears an imposing cast, including Mary Thurman as leading lady, Charles Hill Mailes as Isom Chase, Virginia Magee as the ingenue, Mary Alden as the star's screen mother, Lawrence D'Orsay, Robert Williamson, Leslie King, Jerry Sinclair, Thomas McGuire and Lucia Backus Seger.

Campers Hold Reunion Dinner on Wednesday

The holiday season has a double significance for Winnetka boys and girls who attended camp at Lake Hamlin, Michigan last summer, for it is the time of year for that annual Camp Reunion dinner when they get together to renew acquaintances, sing the camp songs and enjoy a general good time.

This year the Camp Reunion dinner will be held Wednesday evening, December 26, at 6 o'clock in Community House.

The principal talks will be made by Mrs. E. W. Wortley, who was in charge of the Girls' camp. J. W. F. Davies, generalissimo of the Community House summer camps, and representatives of the boys' and girls' groups.

Camp songs will be sung, views taken at last summer's outing will be shown and there will be a general renewal of the camp spirit.

The guests will attend the dinner attired in their camping garb.

Listen! The Arcanians Want Basketball Games

The Winnetka Royal Arcanum basketball squads are anxiously awaiting an answer to their challenge, hung at all corners, for some games in Community House gym. The teams "crave competition," we are told.

Basketball teams on the north that are anxious to brush up against the Arcanians may arrange games by telephoning H. Larson of Winnetka 1575, or H. Arbin at Winnetka 525-R.

Santa Claus Appears at the Country Day School

Santa Claus has visited the North Shore Country Day school. He

brought cheery greetings to the Christmas party on Thursday and inspected with satisfaction the beautiful exhibit of dolls and toys to be given away by the school toy shop.

It was pronounced the gayest party ever. The faculty played games with

the kindergarten, the seniors with the first grade, and so on, down and up, all to amuse old Santa whose comments and appreciation and huge, bumpy Christmas stockings for the lower grades, were all very exciting to many small folks.
