December Passes Minus Burglaries and Prowls

Winnetka was entirely free from burglaries during the month of December, according to Chief W. M. Peterson's report of the activities of the Police department over that period.

There were 31 arrests for violations of traffic regulations, including speeding and other infractions. Four disorderly conduct cases were handled and one larceny complaint.

Five accidents were recorded during the month, 39 buildings were found left open at night by their owners and station complaints numbered 10. Unclassified cases coming to the attention of the police numbered 159.

The complete absence of burglaries and "prowls" during the month was thought to have been due in a large measure to the disintegration of an alleged "gang" that has been operating in all the north shore villages.

But, as one veteran policeman so frequently remarks, "When things are quiet, redouble your efforts."

Davies Scheduled to Talk Before Men's Sunday Class

Dr. J. W. F. Davies, associate pastor of the Winnetka Congregational church, is scheduled to lead the discussion at the Men's Sunday Morning class at Community House on January 13.

The subject for this Sunday is announced as "The Part of the Father in the Religious Education of the Home."

Sunday's topic is one of a series discussed by leading men of the community on the general theme, "Religious Hobbies."

Eight Fires Recorded in Winnetka Last Month

December was a comparatively quiet month for the Winnetka Fire department, with only eight calls recorded in Chief G. M. Houren's monthly report.

Most of the fires were caused by defective heating apparatus. One was caused by defective wiring and two were due to burning rubbish.

The total damage for the month was recorded as \$1,327, the properties involved having a total valuation of \$46,000.

Miller Pens Letter

(Continued from page 5)

Wednesday night, at which he was to have been a speaker, penned the accompanying letter to S. Bowles King, one of the governors of Community House:

January 8, 1924.

S. Bowles King, Esq.,
 c/o Sullivan Machinery Co.,
 Peoples Gas Building,
 Chicago, Illinois.

Dear Bowles:
 An occasion of necessity requires me to leave very suddenly for New York and, to my great disappointment, will prevent me being with you at the dinner in Community House tomorrow night.

I have tried, without success, to get in touch with you by telephone.

I had been looking forward to the opportunity personally to express to you and the other members of Community House the good wishes of the Village Council and of myself on this occasion of the opening of the new building. The Council has expressed itself in the form of a resolution of which I am sending a copy under separate cover to you.

Shows Nation-Wide Need

Without question, the influence of Community House, in its varied aspects, is the most enlightened and far felt in Winnetka. It is an example of a nation-wide need. With the development of our American society, ever more complex, the institutions of our free government will depend for their successful functioning, upon the sense of civic obligation in the hearts of the citizens. The individualist, complacent at his independent fireside, cherishes a false and selfish philosophy. To the extent that he is loyal to that philosophy, he enjoys the advantages of our society without sharing its responsibilities. If our theory of the people's sovereignty be sound, the hope of the future must rest upon the vision of a wise citizenry awakened to the possibilities and obligations of its community life. Such a vision, Community House holds before us. May its enlarged house generously increase the abundant harvest of its good work.

I will greatly appreciate it if you will express to the trustees and members my disappointment at being unable to be present at the dinner.

With best wishes, I am
 Yours very truly,
 JOHN S. MILLER, Jr.

HOLD WEEKLY MOVIES AT SKOKIE SCHOOL

The successful though short season of Friday afternoon moving picture shows in the Jane Kuppenheimer Memorial hall, Skokie school, last fall, resulted in a demand on the part of the school children for weekly movies. To meet this demand Harry Clarke, who handled the entertainments, has arranged a delightful and valuable series of programs for each Friday afternoon during the spring term, beginning Friday, January 11. The programs this term will begin at 3:30 and will probably last an hour and a half or less. The program, in the majority of cases, will contain a feature film of two to five reels, some studies of wild life, and an illustrated fable or comedy reel to close the program.

Beginning this Friday, the first episode of a group of films illustrating the life of Lincoln will be shown. Next Friday, a study of Bees, an Aesop's Fable, and a reel of the Yosemite Valley will be added to the second of the Lincoln episodes.

In all, five or six reels will be shown each week. The profits from the films will be used to pay for the motion picture machine which was purchased by the schools last year.

SERVICES HONOR TEACHER

Memorial services were held in Evanston this week for Miss Almy Hoyt, a former resident of Winnetka and teacher in the Evanston public schools, who passed away at her home in Evanston on December 24. The services were held in the Assembly room of the Noyes school, Evanston. Miss Hoyt has been an instructor in the Evanston schools since 1901.

"Go to Church Month" in North Shore Parish

January, 1924, has been designated by the North Shore Methodist Episcopal church, Glencoe, as "Go to Church Month" and every effort is to be made to have every pew in the church filled on every Sunday in the month.

In connection with this rally to worship, Rev. George MacAdam, the pastor, announces a special series of sermons placing emphasis upon the value of regular church attendance.

Sermon topics for Sundays during "Go to Church Month" have been announced as follows:

Sunday, January 13—"The Little Brown Church."

Sunday, January 20—"What's the Use of Going to Church, Anyway?"

Sunday, January 27—"Why Doesn't Smith Come to Church?"

Arrangements have been made for special programs of music at these services to be given by the quartet and organist of the church.
