## BAND FUND IS NOW \$1,265.56

Concerts by the Band Put Fund Just \$608 Nearer the Ultimate Goal

MAKING FINAL DRIVE

Need \$34 More to Get Uniforms

The Fund to date:	
Proceeds from High School Benefit Concerts	\$ 608.00
M. A. Kraft	15.00
Total	623.00
Previously acknowledged	642.56
Grand Total	\$1,265.56

The New Trier High School Band fund was just about doubled in the past week, thanks to the fund benefit concerts given by the band last Friday and Saturday evenings.

Lloyd Hollister, Inc., had received \$642.56 in contributions from citizens and organizations in the township so that the addition of another contribution of \$15 coupled with the \$608 realized from the concerts brings the fund to \$1,265.56, a most creditable showing when it is considered that the Band fund campaign has been in progress only a few months, with the holiday season to detract interest.

Since \$2000 has been set as the goal for the fund, simple subtraction teaches us that \$734.44 remains to be solicited before those uniforms for the members of the band are given their first "try on."

The concerts would have brought a considerably larger sum, had it not been for the sub-zero weather of last week-end which kept many potential ticket-buyers at the fireside, or more likely at the fire-door of the furnace.

The band is planning a third concert, date as yet undecided, but in the meantime Lloyd Hollister, Inc., will continue a patient plea to fathers and mothers and friends of New Trier students for help in raising the money necessary to secure those uniforms for the band members.

They want uniforms for the National Band tournament in the Spring. Many small contributions will do it!

If you are interested in the band and its future just mail your check to New Trier Band Fund, Lloyd Hollister, Inc., 1222 Central avenue, Wilmette, Ill.

## Major Denman Addresses Winnetka Legionnaires

Maj. Albert L. Denman, veteran of the World war and at present superintendent of police at Wilmette, was the guest of Winnetka Post, No. 10 of the American Legion, at its regular meeting Tuesday of this week.

Major Denman, who was in charge of Military Intelligence at Base Section 2, Bordeaux, France, during the war, recited many interesting anecdotes of his experiences while in the service. He is a master of dialect and his talk was enthusiastically received by the legionnaires.

The major is a member of the Wilmette Post of the Legion and has been an active member of the veterans' organization since its inception.

A group of Winnetka legionnaires went to the Great Lakes hospital Thursday evening of this week to visit and entertain the disabled veterans.

## Temple Club to Give Card and Dance Party

The Winnetka Temple club will give a card party and dance at the Winnetka Masonic temple on Friday evening, February 1, at 8:30 o'clock. The Vagabonds orchestra will furnish the music for the dancing and there will be a prize for each table of those playing cards. Bridge and five-hundred will be played. Tickets are to be secured from Mrs. J. E. Repeogle, 910 Oak street.

The Temple club is an auxiliary of the Winnetka Masonic lodge.

## OPEN CHICAGO OFFICES

Hill and Stone, well known north shore realtors with offices in Wilmette, Winnetka and Highland Park, have opened Chicago offices at 1528 No. 10 South La Salle street.

## CHRIST CHURCH NAMES NEW VESTRY MEMBERS

Robert S. Laird and Donald F. McPherson were elected members of the vestry of Christ church at the annual meeting of the members of the parish held at the home of the rector, Rev. E. Ashley Gerhard, Monday evening of this week. They were chosen to fill vacancies in the vestry.

Delegates to the annual Diocesan convention to be held in February were also elected at the annual session.

One of the most interesting departures in the evening's activities was the reading of a letter from Rev. William A. Thomas of Point Hope, Alaska, describing the work of the mission maintained by Christ church in that locality, the furthest north mission in the world.

The members of the parish voted active support to the work of Dr. Alice Barlow-Brown, Winnetka physician, who is doing splendid service in a hospital in the interior of China. It was decided that, in addition to maintaining a bed in the hospital, Christ church will give financial aid to the work, regarding it as a special service supplementing the regular benevolence program of the parish.

Following the meeting the members enjoyed refreshments served by Mrs. Gerhard.

## SUPER-DRAMAS HERE NEXT WEEK

Little Theatre Promises Interesting Programs

Next week's program at The Little Theatre of Community House promises to be one of unusual interest to Winnetkans. On Tuesday, January 29, Jack Holt in "A Gentleman of Leisure" and chapter three of "The Oregon Trail" will be presented, while on the following Friday, February 1, Richard Barthelme, in "The Bright Shawl," will be offered preceded by a program of Spanish dancing arranged under the direction of Miss Betty Bacon, who is in charge of interpretative dancing at Community House and at the New Trier High school. On both days there will be special children's matinees at 4:15 and evening shows beginning at 7 and 9 o'clock.

"A Gentleman of Leisure" is characterized as an excellent comedy-drama which affords Jack Holt one of the best roles he has essayed this season. The story centers about a young man of wealth who on a wager, disguises himself as a burglar and, getting a real burglar to help him, starts out on a farcical career of crime. Sigrid Holmquist is the leading woman and heads an unusually capable cast of players.

An interesting story about Abraham Lincoln is told in the third chapter of "The Oregon Trail," the chapter play of the Oregon Trail's history which will be shown next Tuesday.

On Friday, February 1, Richard Barthelme, in "The Bright Shawl" will be offered. Of this picture, The Educational Screen, an independent magazine devoted to the new influence in education, says in its film review department, "The Bright Shawl" is said to be a very beautiful picture, rich in the sunlight and shadows of the tropics, and glamorous with the costumes and graces of the romantic period when Cuba was struggling for freedom. The story has to do with the efforts of a wealthy young American, Charles Abbott, to assist some Cuban friends in their fight against Spanish oppression. A gorgeous figure in the maze of plot and counterplot, is La Clavel, a Spanish dancer, with whom Abbott carries on an ostentatious love affair, for the purpose of obtaining information. But the dancer, infatuated, helps him willingly, and her bright shawl, a familiar sight in the gay gathering places of Havana, becomes a symbol of Cuban freedom, for which she finally gives her life. Dorothy Gish as La Clavel gives a brilliant performance while Richard Barthelme as Charles Abbott is finished and wholly delightful.

Children not accompanied by and seated with adults are requested to attend the special matinees provided for them.

## CLERK-CARRIER EXAM

United States civil service examination for the positions of clerk and city carrier at the Winnetka post office, to be held at that place February 16, has been announced. In view of the benefits granted employees under employees' compensation and retirement legislation, persons appointed may be given medical examination by a physician in the federal service before entering on duty.

## OPEN HOUSE AT CENTER JAN. 29

Every Resident of Winnetka Invited to Inspect Newer Community House

GROUPS IN SESSION

Hostesses Secured to Serve as Guides

On Tuesday Evening, January 29 Community House will be wide open to the residents of Winnetka and their friends, from 8 to 9:30 o'clock.

The new addition to Community House has been completed and will be ready for inspection with representatives of various groups at home in their own rooms on that night.

Members of the American Legion and Triangle club boys will be in their rooms. Representatives from the Camp Fire and Boy Scout organizations will be present in their respective rooms. A motion picture will be shown in the large room, and those who are visiting the House will have the privilege of looking in this room in passing.

## View Many Activities

The Friendship Circle Club of Girls will have its regular meeting. The British American society will hold one of its picturesque dances in the Assembly room. English classes will be in session. In the gymnasium will be the different girls' classes. Toward the end of the evening the English classes will have recreation games as usual in the gymnasium.

Hostesses will be stationed in various parts of the building to whom inquiries may be directed.

This opportunity to see the House should be taken advantage of by the citizens of the village, says one of the directors, that they may know some of the things that are actually going on in Community House. These are just the regular activities—nothing special has been put on. But it is a night when all interested persons are welcome.

## NEW ORGAN PROMISED FOR CHRIST CHURCH

The vestry of Christ church, in its first meeting of the new year, formally approved the installation of a new church organ to entail a cost of \$17,500 including the necessary structural changes incident to the installation.

Mrs. Cornelius Lynde was named chairman of the Organ Fund committee to have in hand the matter of securing pledges from the parishioners, a task which, it is expected, will have been completed by March 1.

It will require approximately six months to install the new organ, which will be one of the finest in this vicinity and members are assured that the instrument will be in place before the beginning of autumn activities in the parish.

## OLD DOANE HOME IS DAMAGED BY FLAMES

Winnetka firemen braved ten-below zero weather in fighting their second big fire of the week last Monday afternoon when a call came from the home of Maurice Reiner at the corner of Oak street and Sheridan road. Despite the intense cold which nipped the ears and frosted fingers, they succeeded in extinguishing the flames before the residence was destroyed.

Starting about 2 o'clock from a fire being used to thaw out frozen pipes, the flames climbed up the rear wall, reached the attic and burned off a large portion of the roof. Chief G. M. Houren estimated the damage to be in the neighborhood of \$8,000.

The Reiner home, formerly owned by Dr. P. S. Doane, is one of the historic residences of the village having been considered, in the early days, one of the finest structures in Winnetka. The Reiner fire practically duplicated that at the L. H. G. Bouscaren home at 646 Prospect avenue four days before when the firemen were also called to face sub-zero weather for several hours.

As a bit of excitement between the two big fires, a small chimney blaze at the home of Wiley J. Huddle, 794 Rosewood avenue, occupied the attention of the department a short time late Friday afternoon. There was little damage.

## BEST CONCERT OF THE SERIES

Little Symphony Scores Tremendous Success

'Twas a mild moonlight night in January. Perhaps that helped a little to make the fourth concert the great success that it turned out to be. But ninety-nine per cent of the happiness of the audience was due to the masterly work of George Dasch and his men. It is not too much to say that they played as if inspired.

The keynote of artistic achievement was indicated at the very beginning when the clarinet struck up the opening strains of Halvorsen's "March of the Boyards." A prime favorite it is with its stirring, martial measures. Then followed the festive overture to "The Marriage of Figaro" by Mozart. The playing by the muted violins of the "Adagio" from Saint-Saens' Second Symphony was extremely effective; and the "Prestissimo" from the same composition met with enthusiastic approval. A "Serenade" for String Orchestra by Volkmann, the violoncello obbligato being played by Carl Brueckner, closed the first half of the program.

The second half opened with a presentation of Godard's "Scenes Poetiques," a pleasing combination of soothing silvan harmonies and gay village melodies. A delicious number was the playing of Massenet's "Duet for clarinet and cello" performed by Messrs. Evenson and Brueckner. The audience was much taken with a Canzonetta by Mendelssohn arranged by Director Dasch. The evening's program ended with two very jolly pieces by Herbert and Waldteufel.

The evening was a delight from start to finish. The hearers demanded and obtained several encores. One feature that added materially to the enjoyment of the occasion was the genial and generous spirit shown by Mr. Dasch and members of the orchestra.

## Sleigh Rides in Vogue at the Greeley School

Teachers at the Greeley school, who took their pupils on sleigh rides Wednesday afternoon were. Mrs. Ruth Martin, Miss La Reina Bubbett, Mrs. Clarre Bernhard, Miss Myrtle Nimmer, Mrs. Phyllis Schwoerer, and Miss Emma Jaycox. Thursday afternoon Mrs. Crawford, room mother of Miss Marian Gram's room, substituted for Miss Gram, who is ill, and took the pupils of her room for a ride.
