

WANT DENTAL CLINIC HERE

Health Center Board Discusses Plan

Establishment of a dental clinic in New Trier township became a strong possibility if not a probability when the topic was taken up at a recent meeting of the Grosse Pointe Health Center board with representatives of various north shore organizations.

There is need for a clinic in the township, it is believed by the board, which bases its belief on the reports of the medical examiner and nurses who are acquainted with the situation. In a dental clinic the work is done for a nominal sum by an association of dentists in the community, a system, proved by tests to bring excellent results. Wilmette dentists, it was reported, are strongly in favor of the plan which is now operating successfully in Evanston, Winnetka, and other communities.

It was decided to present the plan to the public as the first step toward making it a reality. The health center hopes, through the courtesy of the Village Theatre, to run several explanatory films showing what a clinic would mean and accomplish.

Members of the Health Center board who attended the meeting were: Mrs. John A. Hoffman, chairman, Mrs. Wendelin P. Seng, vice-chairman, Mrs. Carl Widney, secretary and Mrs. A. W. Boylston, treasurer. The meeting was held at the home of Mrs. Morton L. Paterson, 925 Chestnut avenue. In conference with these officers and Mrs. Paterson were Mrs. Charles N. Hurlbut and Mrs. John Clark Baker, of Wilmette, Mrs. Lloyd Clark Ayres of West Lake avenue and Mrs. W. N. Gillette of Winnetka, all members of the board, and Mrs. John Hicks, representing the Kenilworth Neighbors, Mrs. Louis K. Gillson of the Wilmette Woman's club, Mrs. Charles Eldridge of the Economy Shop committee, Miss Norcross, the Health Center nurse, Mrs. Northam of the Wilmette Associated Charities, Mrs. Thurston, township supervisor, and Miss Jane Hufford, publicity secretary of the Chicago Tuberculosis Institute which helps to support the Health center.

At this meeting sales of Christmas Seal stamps were reported to have totaled \$1,200, divided as follows: Wilmette (including Grosse Pointe and district schools) \$800, Winnetka, \$340, and Kenilworth \$65.

SOME COMMON RULES MOTORISTS VIOLATE

Many of the motor traffic regulations for suburban towns north of Chicago as far as Lake Forest are not observed by some drivers, probably through ignorance of the existence of such regulations, it is reported.

One of the commoner rules which is unobserved as noted in the Motorists' Hand Book, published by the North Shore Motor club for 1923, is "Traffic emergency repair, ambulance and United States mail vehicles have the right of way in any street and through any procession."

In passing other vehicles, "Pass to the left when overtaking another vehicle, unless it is in the street car track, when it must be passed on the right." "It is unlawful for any person to drive a vehicle out of an alley onto a public thoroughfare without first coming to a full stop before driving the vehicle across the sidewalk or crossing intersecting the alley entrance."

When used cars are sold, "a license number cannot be transferred from one person to another. Plates must be removed by the vendor when motor vehicle is sold and report of sale must be made on proper blank."

Has North Shore District for Big Insurance Company

W. J. Cunningham, 443 Linden street, Winnetka, has been appointed north shore representative of the New York Life Insurance company. His territory is to extend from Evanston to Waukegan, inclusive. Mr. Cunningham is well known on the north shore and is expressing gratification over the fact that he has been assigned a field in his home community.

OPEN HOSPITAL WING IN JULY

St. Francis Staff, Sponsors In Banquet

Maternity wing of St. Francis hospital, Evanston, now under construction, will be completed and occupied by July 1, Rev. Frederick M. Lynck, chaplain of the hospital told members of the staff at a banquet tendered them by the sisters of the Order of St. Francis at the nurses' home last week.

The four story and basement addition to the south of the hospital, under construction since July 1, 1923, is rapidly being completed, Father Lynck told the banqueters. The wing, which is 50 by 160 feet, is to cost \$400,000 when finished.

A review of the work in 1923 at the hospital was given by Father Lynck. The roof of the new addition was finished by November 1, as the contractors contract specified, and since that time most of the building operations have been in the interior of the structure.

Plans for an out-patient, charity department in the new annex are being formulated by the sisters, Father Lynck stated. The 100 beds that will be available when this part of the hospital is finished make it possible to open a charity ward.

Dr. I. H. Chilcott, chief of staff, re-

sponded for members of the staff to Father Lynck's address of welcome. He spoke words of tribute to those in charge, adding that the physicians of the staff had been more than pleased with the conduct of affairs during 1923.

An orchestra, composed of Northwestern university students, furnished music throughout the dinner. Following the speaking, a musical program was given. Mrs. B. E. Fillis, 1138 North avenue, Winnetka, had charge of this entertainment.

More than 75 attended the banquet, including staff members and their wives, internes and nurses. It is an annual event of the hospital calendar. North shore residents contributed in the fund campaign for the Maternity wing.

OAKLANDERS BANQUET

E. C. Fawcett, Oakland dealer, attended the annual banquet and meeting of The True Blue Oaklanders, an organization of dealers all over the country, at the Auditorium hotel, Chicago, Wednesday of last week. Besides a musical program, M. S. Allen, George H. Hanum, president of the corporation, C. J. Nephler, general sales manager and

Walter Lichtenstein, Chicago banker, addressed the group.
