

MOST LOCAL WOMAN'S CLUBS SHOW WEEK OF INACTIVITY

History of N. U. From '58 to '24 Set in Tableaux

ONE of the largest and most important "get-together" meetings of Northwestern university alumnae and girl students, took place last Saturday afternoon at the North Shore hotel, where a luncheon and program of historical tableaux was staged.

Five episodes in Northwestern university's history was the subject treated and following the luncheon, were shown in this order:

- 1—Scene at Prof. Jones' school of 1858, known as The Northwestern Female college, with girl students in costume.
- 2—Woman's Fourth of July celebration, 1871, when the first money for Willard Hall was raised by N. U. girls. Miss Kathryn Crush, School of Speech, to represent Miss Frances Willard.
- 3—Tableau representing the Spirit of the Y. W. C. A., of 1890. Girls in costume.
- 4—Tableau typifying the beginnings of the movement for the Evanston campus—1913.
- 5—"Girls of 1924"—representing the various activities in which Northwestern girls have participated recently to help swell the women's buildings' fund.

Glencoe Club Centers Efforts on New Home

FOR some time the interest and activities of the members of the Woman's Library club have all been centered in one great purpose, that of a new building, but for such an enterprise there must be the much sought after financial wherewithal. For funds the club members have been zealously striving. Several delightful affairs have been given recently which have helped to realize this monetary need as well as to afford pleasant social hours. Another such party is to be held at the home of Mrs. Oliver Roberts on Valley road on the afternoon of February 29, at 2:30 o'clock. Tickets for this affair may be obtained from Mrs. Wiley or from any of the members of her committee.

While the funds for this new building are being increased, definite steps are being taken by a newly organized committee whose object is to make plans on the new building.

On January 24, at the home of Mrs. Sherman Booth, a meeting was held at which the Library club board appointed the members to act on this Plan committee. On January 31, this committee was organized at the same place of meeting. Mrs. Frank Cain of Highland Park, who is the president of the Highland Park Woman's club and chairman of their building committee, spoke that afternoon about their new building, which has just been finished.

Every other Thursday, alternating with the regular meetings of the Library club, this Plan committee meets at the home of Mrs. Sherman Booth, 265 Sylvan road. Working with Mrs. Booth, who is the committee chairman, are the following women: Mesdames Otto Barnett, Edwin Casels, Douglas Cornell, William T. Creser, William A. Fox, Fred E. Hubbard, William H. Johnson, William A. Levering, Andrew MacLeish, Isaac McCurdy, Albert O. Olson, Henry Martyn Paynter, George J. Pope, Edward Ravenscroft, Fred A. Fager, Walter Smith and Merle B. Waltz. Members of the board of the Library club are invited to attend these Thursday meetings.

Wisconsin U. Alumnae to Sponsor Haresfoot Play On February 24

ON April 14, the Twenty-sixth annual production of the Haresfoot club of the University of Wisconsin will be given in Chicago at the Aryan Grotto.

In Madison many men are trying out for "Twinkle Twinkle," this year's performance. In addition to the musical clubs, it is expected that more than 400 men will attend the dramatic and dancing tryouts. More than 100 students have been instructed in dancing under the club's direction, to supply suitable material for the chorus. This has been going on since the first of the school year, it is stated. Approximately seventy-five men will travel with this production, which the sponsors say will be the most elaborate in the club's history.
