

HOLD CAUCUS HERE MONDAY

Annual Meeting to Select
Village Candidates An-
nounced for Next Week

ALL VOTERS INVITED

Discussion of Municipal Af-
fairs Also Planned

Winnetka's annual Village Caucus, an institution of long standing in the community which is the instrument for the selection of candidates for various village offices, is to be held this year on the evening of Monday, March 3, at Community House beginning at 8 o'clock.

Every voter in the village is urged to attend this meeting and join in the discussions, since the annual caucus is not merely a nominating event but the occasion each year of a critical review of village affairs and an outlook, as well, into the future, a time when certain policies relating to municipal administration are clearly defined and put into effect.

Officers Pen Letter

In a letter addressed to voters of the village this week over the signatures of William B. Moulton, chairman, and William P. MacCracken, secretary, of the Village Caucus (named at the last caucus), attention to the caucus and approaching Village election is directed as follows:

"On April 1, 1924, there will be elected four village trustees, one village treasurer, one village clerk, one village marshal and collector and three library trustees for the Village of Winnetka.

"You are invited to attend a meeting to consider nominations for these offices, to be held at the Community House on Monday evening, March 3, at 8 P. M.

Non-Political Slate

"It is the aim of this meeting to bring together representative citizens from all parts of the village who wish to maintain a non-political administration of our village affairs by able and disinterested officials such as we have enjoyed for many years. Your cooperation is needed and you are urged to be present. You are also requested to bring with you any of your friends or

neighbors, particularly new residents of our village believed by you to be in sympathy with the objects of the meeting.

"The duty of calling this meeting was placed upon us by a similar meeting held last year."

Four Orchestras Play Next Friday Evening

Friday evening, March 7, at Skokie school, four school orchestras will give a grand combination concert. The co-operating orchestras will be one from the Wilmette public schools, another from Skokie school, and the junior and senior orchestras from New Trier High school. It is expected that there will be a big audience present to hear the boys and girls give their program.
