"Grumpy" and "Ruggles" on Week's Movie Program

Next week's pictures at Community House promise to be of unusual merit. On Tuesday, March 4, Theodore Roberts will be shown in his greatest characterization, "Grumpy." One foot in the grave—that's what they said about Grumpy. But when a slick young man steals a valuable diamond from under his nose and then proceeds to steal his grand daughter by giving her the diamond—Watch Grumpy come to life.

Friday, March 7, marks the presentation of one of the best pictures of the year, "Ruggles of Red Cap." This picture was made from the book of the same name by Harry Leon Wilson who also wrote "Merton of the Movies," and was directed by James Cruze who made "The Covered Wagon." The story deals with a westerner who visits England and the continent and whose wife is quite a social aspirant. However Mr. Ruggles find it exceedingly hard to imitate the dukes, etc., and so earns the name of "the funniest chappie you ever saw." Critics praise it, doctors prescribe it, grouchies enjoy it, everybody loves it—don't miss it. Red Cap isn't on the map of the United States, it has been said, but it's on the movie map as the leading town in the state of laughter.

There will be matinees both Tuesday and Friday at 4, and evening performances at 7:15 and 9 o'clock.

Facts of Interest to Winnetka Voters

Editor's Note: Accompanying is information sent out from headquarters of the Winnetka League of Women Voters calling the attention of the electorate of the village to the importance of voting in the forthcoming primary election.

AT THE PRIMARY ELECTION, April 8, 1924

Because—it gives Mrs., Miss, and Mr. Voter themselves a chance to share in choosing their parties' nominees. The best candidates of every party can be chosen by voters if good citizens will come out and vote at the Primary.

Because—good officials cannot be elected on November 4 unless able men or women have been nominated on April 8.

Because—in many cases the Primaries settle the elections. Where one party is much stronger than the other its nominee is sure of election. In 1922 the Primaries settled who were to go as representatives to the General Assembly in 23 of 51 senatorial districts.

Because—the woman voter's power in her party can, as yet, be more effectively exercised at the Primaries than in party committees and conventions.

Because—1924 is the Citizen's chance to say what he wants done by his party and his government. In 1925 the public officials we have elected will be responsible for carrying out what we have told them to do.

Because—each party on April 8.

Expresses its preference for president; Nominates candidates for United States senator and congressmen, for governor, lieutenant-governor, secretary of state, auditor of public accounts, treasurer, state senators and representatives, county state's attorney and other officials; and

Elects its party precinct, senatorial and state central committeemen and its delegates to the national party convention.

Because—the party's nominees, committeemen and delegates to the national convention chosen on April 8th, write the national and state party platforms.

Because—women voters must learn to use to the best possible advantage the methods established by the Election Laws of the State for the nomination of candidates for office.

Because—the women of Winnetka are neither careless nor indifferent and must fully realize that there are many important issues which demand their intelligent attention.

Because—only 46% of the women of Illinois voted at the last Presidential

Election and the women of Winnetka must support the Winnetka League in its effort to raise this percentage to 75. Be Sure To Vote At The Primary Election April 8, 1924.

Many Educators Visited Local Schools This Week

The Skokie school has been receiving an average of more than 30 visitors each day since the Department of School Superintendence of the National Educational association has been in convention at Chicago. The observers have been visibly impressed with the results of the Individual system of instruction method for which the Winnetka schools have become internationally famous.

Special arrangements were made to receive the guests and pupils and teachers alike have enjoyed a week of strenuous activity. Most of the teachers have been attending the sessions of the convention in Chicago, and Superintendent Washburne has been in constant demand at the various parleys.

Expert on Child Training Speaks Here Monday Night

Miss Alma L. Binzel, one of the leading speakers this week at the National Education association convention in Chicago and staff member of the Federation for Child Study with headquarters at Minneapolis, will speak to the parents of Winnetka Monday evening, March 3, at 8:15 o'clock at the Skokie school.

Miss Binzel will have as her subject "Mental Hygiene—One Aspect of Training for Parenthood." The Winnetka Parent-Teacher association urges all who can to take advantage of this opportunity to hear a splendid discourse

on a topic of vital interest to every parent and friend of children.
