**Canned Food Week Specials**

**March 1st to March 8th**

Do not confuse this sale with the regular canned foods offered in weekly sales. Only Extra Fancy First Brands of the Leading Wholesalers are offered, with our positive guarantee back of each can.

Prices will be made on case lots and single dozen lots, we assure you that your saving will be at least 25% on all products.

We reserve the right to limit buyers and also will not accept orders from retail grocers, as this sale is for our customers and the public.

Canned foods will be higher in the fall. We have bought our 1925 futures and have paid 20% more than last year's price. Stock your pantry and save the difference.
