Virginia Invites You to Witness "Treasure Island"

By VIRGINIA LANSING

(Skokie School)

"Fifteen Men on a Dead Man's Chest, Yo, Ho and a bottle of Rum."

Stevenson's famous old "Treasure Island" will be presented at Skokie school next Friday and Saturday night, March 21 and 22, at 7:30 o'clock.

"Jim Hawkins," the cabin boy, old "Squire Trelawney," with "Doctor Livesey," "Black Dog," "Pew," and all the other famous characters will be there as impersonated by the Skokie eighth grade boys, whom you know so well.

Remember the old captain who had the treasure map in his possession? Well, he'll be there in his best mood to excite your interest. Remember the mutiny of the crew and old John Silver? Well, just come to Skokie school next Friday and Saturday night with a quarter in your pocket and see the celebrated Pirate Story of Treasure Island.

More Changes in Street Names Are Sought Here

The committee of the Village council appointed to consider the matter of re-naming the various streets in the village this week sent out a circular letter to the property owners on Ridge avenue requesting suggestions of a new name for that thoroughfare.

Plans are underway to rename Church road, from Willow street to Winnetka avenue, designating it Ridge road to conform with the highway which extends to the Winnetka limits from the south and meets Church road at Winnetka avenue. Hence the suggested change for the present Ridge avenue in the village.

Letters have also been directed to residents on the various private roads in Hubbard Woods asking cooperation in the selection of appropriate names by which these roads may be designated in the future.

Strictly Fresh Eggs

Direct from farmer to your home. 35c per doz. delivered.

Irons Shirts, Dresses
Everything in the family ironing

With the aid of the electric clothes washer, the gas-heated clothes dryer and the electric ironer heated with gas and run electrically, you can easily do all your home laundry work in one day.

SPECIAL OFFER

During the month of March

\$2.50

will place one of these 3 pieces of home laundry equipment in your home.

Why does a ball bounce?

—because, when it strikes, it is knocked slightly out of shape. But, being elastic, it springs back to shape, and this reaction makes it rebound. The use of

Puretest Rubbing Alcohol

helps put "in shape" tired, aching muscles and stiff joints that sport, labor or illness has "knocked out."

A refreshing body-rub for athletes, invalids and infants. Excellent also for removing perspiration odors and for soothing the face after shaving.

One of 200 Puretest preparations. Every item the best that skill and conscience can produce.
