

CONCERT SERIES NOW ASSURED FOR 1924-25

Another season of symphony concerts for the north shore is assured. Monday evening the management of the New Trier Township Orchestral association took subscriptions for season tickets for the 1924-25 season in sufficient amount to insure a fine financial position for the association. The occasion was the next to the last concert of this year, and notwithstanding the fact that a great many concert goers were absent because of the inclement weather, those present approved the ambitious plans of the committee unanimously.

As was stated in WILMETTE LIFE last week, the personnel of the orchestra will be raised from 35 players to 45 players next year, with a consequent increase in the price of the tickets to \$5.00. On April 21, the date of the last concert of the season, these subscribers who were not present will be given an opportunity to sign subscription cards. Already a large number of people who were guests at last Monday evening's concert have signed subscriptions for the waiting list, and the prospects are that season tickets to these concerts will be as scarce next year as they have been in the past. The work of taking subscriptions for the series of matinees will not be begun for a month or more.

Country Day Basket Ball Men Beat Francis Parker

The Francis Parker Boys basket ball team of Chicago was defeated and another victory added to the North Shore Country Day school's long string Friday night, March 8, in the North Shore gymnasium. The visitors proved much stronger than expected and were leading at the end of the first half 12-9, having outplayed and outpassed their opponents.

In the final half, however, the North Shore team came back with new pep and unbeatable determination to win, and by the end of the third quarter had brought the score to a tie, 16-16. In the last quarter two field goals and a free throw gave North Shore the necessary margin on which to win, and the score ended in their favor 21-17.

Village Assessments Must Now Be Paid in Chicago

Special assessment books of the Village of Winnetka were closed Monday, March 10, and the property owners are advised that those who have not paid their special assessments to date will be required to make payment on or after April 1, in the County collector's offices in the County building, Chicago.

Special assessments on the Hubbard Woods and Indian Hill station parks are now due and payable to Sanborn Hale, treasurer of the Park district, at his offices in the Winnetka State Bank.

Charles P. Soule Dies Suddenly of Paralysis

Charles P. Soule, 555 Cherry street, died suddenly Friday night, March 7, following a stroke of paralysis suffered while he was visiting at the Chicago Athletic club. Rushed to a nearby hospital, Mr. Soule died shortly after he was stricken.

Masonic services were held at Rosehill chapel on Monday afternoon, March 10. Mr. Soule was western manager of the American Type Founders company. He was a 32nd degree mason, and a Shriner, a member of the Square club of Jersey City, the Oriental Consistory and of numerous other clubs in Chicago. He had been a resident of Winnetka for many years.

He is survived by his widow, Ida Rommiess Soule, and a son, Paul R. Soule, 807 Forest avenue, Wilmette.

200 School Children to Appear in Concert Here

The sixth grades of the four Winnetka public schools, totaling more than 200 pupils, will give a joint choral concert at the Skokie school April 4, and friends of the schools are invited to attend.

Several members of the New Trier High School orchestra have agreed to furnish the accompaniment, and the first chair cellist of the Chicago Symphony orchestra will also render several solo numbers.

Much very creditable talent is to be found among these pupils, it is said, and they are doing their bit toward developing music appreciation among the school children. Further details will be given later.

"Prophet and Jehovah" Is Men's Class Topic Sunday

"The Prophet who reopened intercourse with Jehovah," is the subject for discussion at the meeting of the Men's Sunday Morning class of the Winnetka Congregational church at Community house, Sunday, March 16.

John Edgar Freeman will be the leader this Sunday and Myron E. Adams will conduct the floor discussion.

Every man in the village is invited to the class sessions.

WANT STORM SEWER

The Board of Local Improvements this week received a petition from owners of property located on Scott avenue west of Greenwood avenue, requesting installation of a sewer on the south side of the street to replace the present open ditch at that location.

STATED MASONIC MEETING

There will be a stated meeting of the Winnetka Masonic lodge on Tuesday evening, March 18, when there will be examinations in 1st degree. It will be Ladies' Night in the dance hall of the temple.

North Shore Book Fellows Organize; Meet on Sunday

A Book Fellow circle, the only one on the north shore, has been organized in Evanston and will meet every Sunday evening, at 8 o'clock, at the home of Hugh Robert Orr, 1417 Oak avenue.

Two books already discussed by the circle are Booth Tarkington's "Midlander" and "The King of the Black Isles."

On Sunday, March 16, the circle will read Joseph Conrad's "Rover."

All Book Fellows on the north shore, as well as other interested persons, are invited to these meetings.

What a Blessing Is Insurance!

YOU realize it after you have a fire and a loss. With no insurance on account of your own negligence.

THEN, that Automobile Accident! Your car skidded—smashed into another fellow, then a damage suit. It is then that you blame yourself for not having provided yourself with protection.

THE AETNA. will take care of you at a very moderate cost.

CLARK T. NORTHROP, Agent
556 Center St., Winnetka, Ill.

OUR tender, desirable roasts, steaks and chops will aid you in mastering the proper art of mastication. Each sweet morsel of our meats will appeal to your palate and to your digestion's sense of assimilation.

What we told you last week about the facial treatments, holds equally good regarding scalp treatments. It is just as important, in order to attain satisfactory results, to understand the anatomy of the scalp, its structure, nerves and muscles. These splendid scalp treatments should be followed by our corrective hot oil treatments.

NO TAILOR

can make your suit look so well with just taking out spots and pressing, as we can with our process of cleaning. We get the dust and grit right out of the pores of the material. Your suit will last twice as long if we clean it.

10 daring tests of Oakland's Duco Body-finish

See These Tests

Muriatic Acid—It does not harm Oakland's new finish.

Sulphuric Acid—A finish that stands this test will stand the hardest usage.

Fire—Even a flame cannot harm Oakland's finish.

Ammonia—The strongest ammonia is used in this test.

Fire Extinguisher—It kills fires but not the brightness of Oakland's finish.

Lime Cement—This test proves that it's hard to harm Duco finish.

Hot Tar—See how easy it is to clean road tar from Duco.

Boiling Water—It is fine to know that the finish will stand this test.

Mud—See a muddy car cleaned with a dry cloth without harm to its finish!

Dust—With Duco you can safely dust your car as often as you please.

Every day and evening, beginning March 17th and ending March 22, we will put on a most unusual demonstration at our show room. The beautiful new Duco body finish of the True Blue Oakland will be tested and its remarkable qualities proved right before your eyes.

After seeing these tests, listed at the left, you will realize what a wonderful advance Oakland has made in bringing out this new finish.

Come—Bring the Family See These Tests

Examine, too, the many other advanced features of the 1924 Oakland, the desirability of which can also be demonstrated just as conclusively.
