What is a One-Cent Sale?

It is a sale where you buy an item at the regular price—then another item of the same kind for 1c. As an illustration: The standard price of Jonteel Vanishing Cream is 50c. You buy a jar at this price and by paying 1c more, or 51c, you get two jars. Every article in this sale is a high-class standard piece of merchandise, just the same as we sell you every day at regular prices and have sold you for years.

A New Way of Advertising

This sale was developed by the United Drug Co. as an advertising plan. Rather than spend large sums of money in other ways to convince you of the merit of these goods, they are spending it on this sale in permitting us to sell you a full-size package of high standard merchandise for 1c. It costs money to get customers. The loss taken on this sale will be well spent if the goods please you.
