Three Speakers Share Wilmette Club Program

THREE speakers with messages of diverse appeal will appear on the Wilmette Woman's club program for Wednesday, March 26. In the morning Miss Ann Guthrie will talk about "Manners in the Home," a topic which promises to give many solutions for easing discordant notes which occur in even the most amicable of families. Luncheon and a business meeting will precede the afternoon's session commencing at 2 o'clock with a non-partisan political speech by Miss Esther Dunshee of Wilmette. Miss Dunshee, a resident of the village since childhood, is a very able lawyer widely known throughout the country by her lectures on "Laws for Women."

She has had the distinction of being one of the few women lawyers permitted to try her cases before the supreme court, and has broadcast her talks from the Daily News station.

At this meeting she will discuss the political situation and will emphasize the importance of all women voting at the primaries.

At the conclusion of her address, Mr. Sterling McDonald will come from Karpen's equipped with a few pieces of furniture and draperies to offer suggestions about arranging furniture and making the best of the interior furnishings one has. Coming at this season of the year when housewives are in busy preparation for the annual spring cleaning and eager to rearrange and brighten their homes after the long winter, what Mr. Sterling has to say will be most timely.

THE next meeting of the Woman's Catholic club of Wilmette, on Friday, March 28, will be devoted to the interests of the Indian. Mrs. J. Marc Fowler, state chairman of Indian Welfare, will be the guest of honor, and will explain at that time how club women can help the situation now existing among these people.

Attired in the Indian's native garb, Mrs. Verne Harris will give a lecture recital of Indian folk songs, assisted in her song illustration by Mrs. Rothing who also will appear in costume.

Miss Best, a sister of Mr. A. Starr Best of Chicago, is coming to the city in the interests of the Labor bureau, and she will be at the club that afternoon to discuss "Women in Industry."

Mrs. A. C. Tisdelle, Mrs. P. J. Vandenberg and Mrs. George E. Tarnow will be the hostesses for the meeting which will commence promptly at 2 o'clock, and for the social hour which will follow.

ASK THE MAN WHO OWNS ONE

Packard Motor Car Co.,
2357 S. Michigan Ave.,
Chicago.

Gentlemen:

I have driven cars since 1905, and have had a great deal of experience with real Service Departments and alleged Service Departments. I can conscientiously say that your service is not only real but the best within my experience. The Standardized Charge is the most satisfactory thing I have run into, and in my case has worked very much to my liking. It eliminates all complaint of overcharge, which is a much desired result.

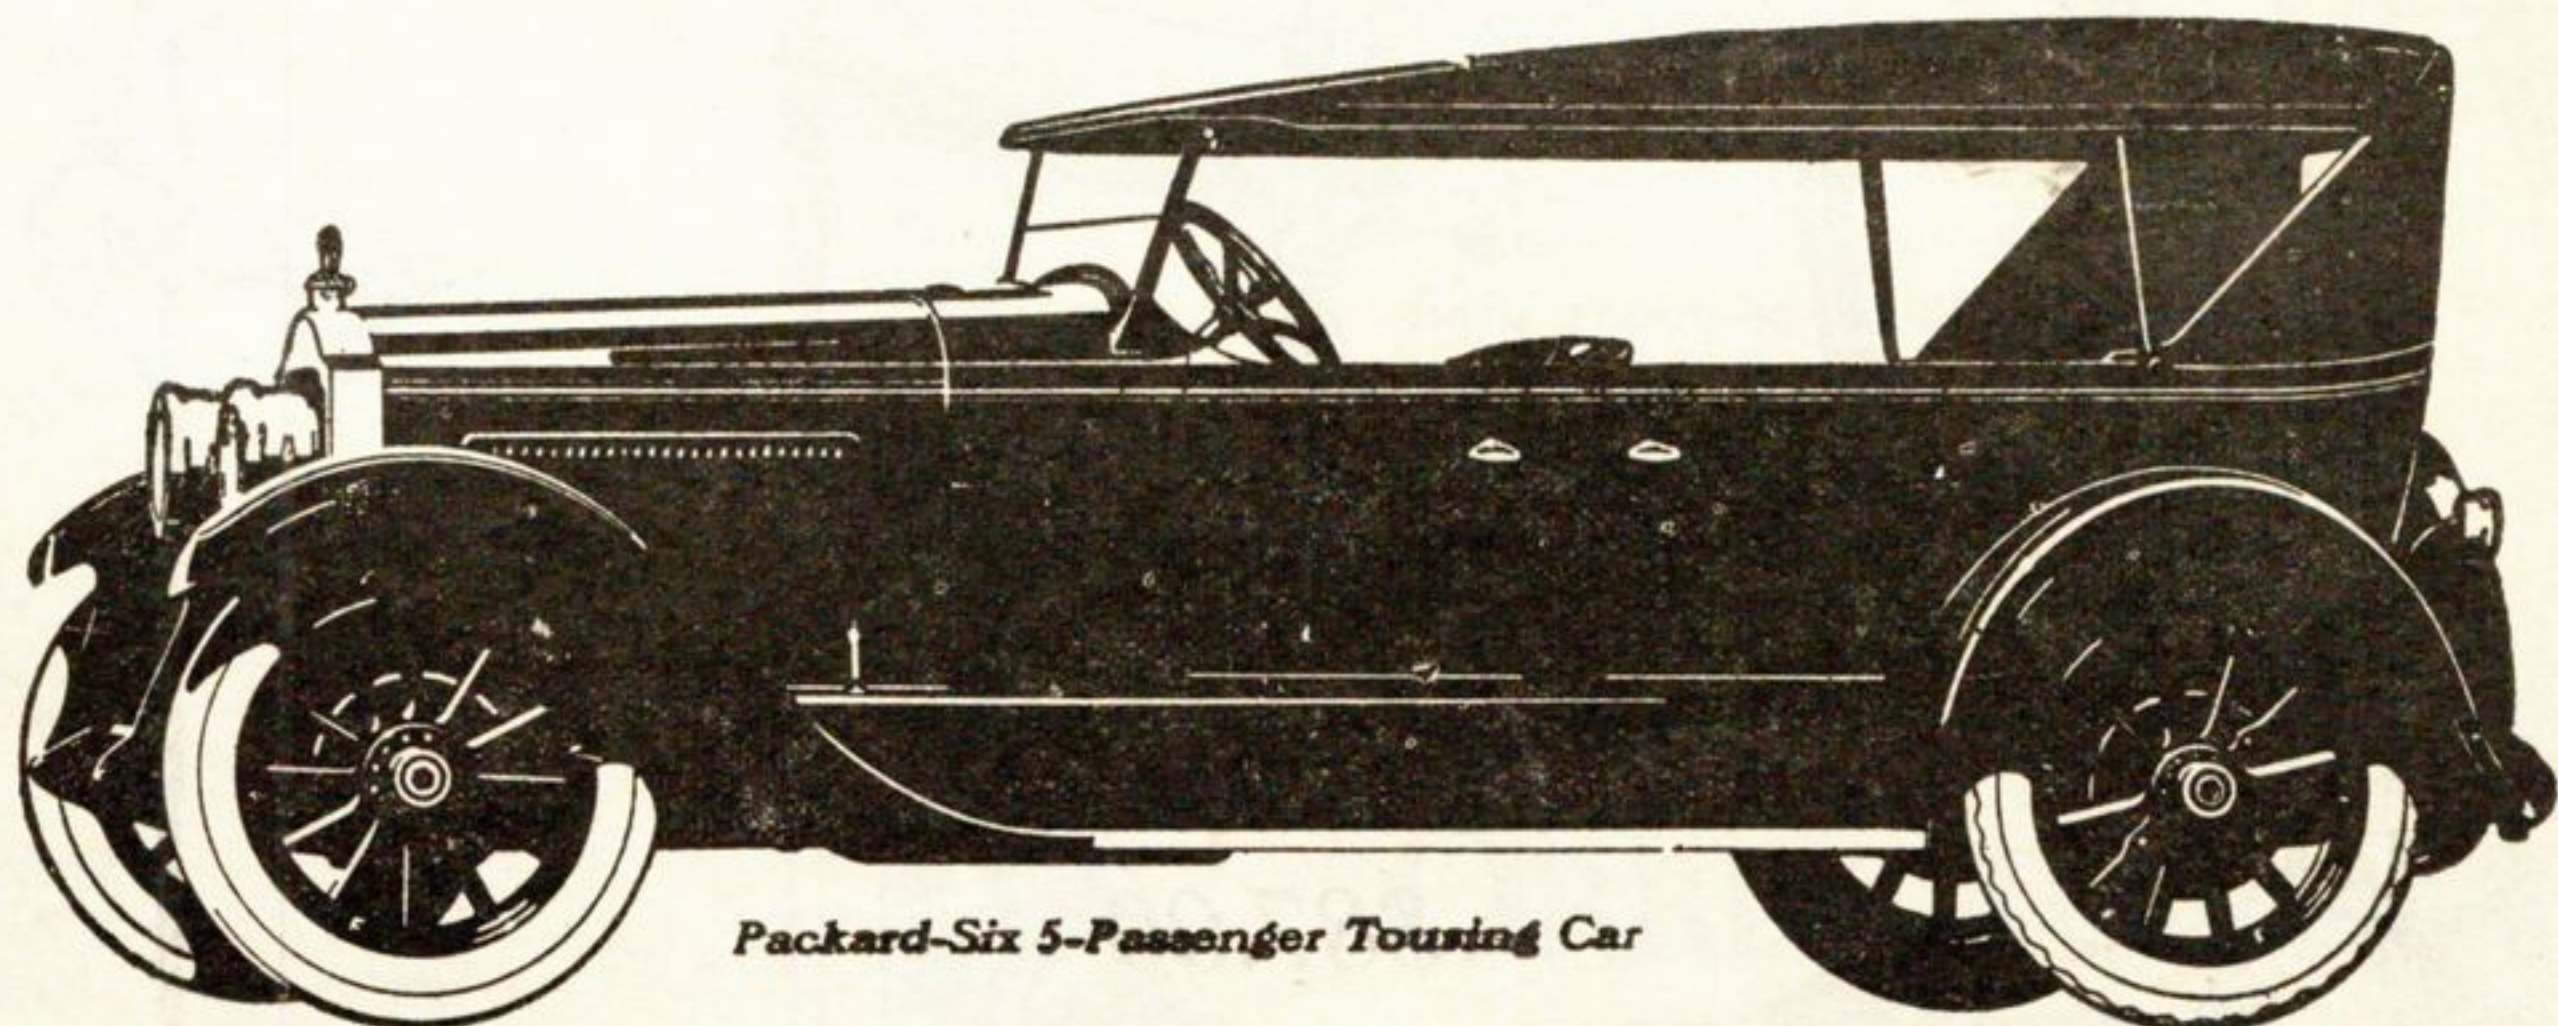

Yours very truly, H. C. EDMONDS.

Talk with any Packard-Six owner, and you will be impressed by his high praise of the downright economy of his car. He will tell you of its deer-like pick-up, its ability to carry him in comfort for hundreds of miles with as little mechanical attention as if he were a passenger on a trans-continental express, and other phases of its extraordinary performance. He will always dwell with greatest emphasis, however, on how amazingly little his Packard-Six costs to own, and to operate.
