

# ADDITION FOR NEW ORRINGTON

**Excavation Work Started on 176-Room Addition to Big Hostelry**

**COMPLETED IN FALL**

**Plans Also Out for Another Carlson Hotel**

While work has been started on the foundation for an addition to the Orrington hotel, Evanston, which will make it the largest on the north shore, preliminary sketches are being drawn for Victor Carlson, owner, for another apartment hotel, that is to be erected at the northwest corner of Davis street and Hinman avenue, Evanston. Details of the plan have not been announced, but construction work at that corner, where, at present, the executive offices are located, will be started in the near future.

The Greater Orrington hotel, when completed will represent an investment of \$3,000,000. The Library Plaza hotel, which Mr. Carlson owns and built in 1921, was erected at a cost of \$600,000. The site at the corner of Davis street and Hinman avenue is 200x200 feet.

The addition is to have 176 rooms, accommodations for guests' cars and separate rooms for servants' quarters. The two and four-room suites are so arranged that six and eight-room apartments may be had either furnished or unfurnished, but with complete hotel service in either case. The roof garden will be extended north over the addition and will be one of the largest in the country.

**Addition Same Height**

The addition will be the same height as the present seven story building—with six floors of living quarters. There will be seven stores on the ground floor, making a total of eighteen for the Greater Orrington. Space has also been provided for a golf school.

The addition will fulfill the increased demand for accommodation for guest's cars and will be completed in September or October, about one year from the time that the present building was completed. Approximately \$1,000,000 will be spent on the new addition, or a total investment of \$3,000,000, with the addition and main structure.

The site just leased from Northwestern university has a frontage on Orrington avenue of 116 feet, giving a total frontage of 327 feet for the Greater Orrington. The new section will contain additional private dining rooms, lounge rooms and other public rooms. The total number of rooms in the Greater Orrington will be 408.

**Ground Rental \$4,066**

Ground rental of land, under the addition, will be \$4,066 annually, for the first twenty-five years, and \$6,102 for the next twenty-five years, and six per cent of the value of the land for the next fifty years.

Mr. Carlson, has an option to purchase the fee right at \$67,800 during the next two years, or at \$90,400 during the following eighteen years. The site has a depth of 154 feet on the north end and 100 feet on the south end, adjoining the present hotel. All of the shops in the present Orrington are rented.

Excavation work for the addition is nearing completion and concrete is already being poured for the foundation. Announcement has not yet been made as to who will issue the bonds for the addition. Peabody Houghteling & Co. handled the \$1,200,000 issue of the original building.

As in the case of the main structure, everything from plans to structural work will be directed by Mr. Carlson's staff of architects and engineers. During the winter months a large warehouse was constructed on Ridge avenue at Foster street for service to the Orrington and to the Library Plaza.

## Close "Preaching Mission" at Christ Church Sunday

One of the most important weeks ever experienced in Christ church parish will terminate Sunday, April 13, when the Rt. Rev. Paul Jones, formerly of Utah, will conclude his "preaching mission" which has included services and discussion in every department of the church.

Dr. Jones will preach this evening at 8 o'clock on the subject "The Blasphemy of War."

Tomorrow he will preach at the morning services on the theme, "The New Way of Life" and in the evening at 8 o'clock will discuss the subject "The Conquest of Fear."

Dr. Jones is one of the best known clergymen in the United States, a great friend of American Labor and one who has sacrificed a high position in the church because of his fearless thinking and liberal tendencies.

Every resident of Winnetka is invited to attend these final services of the preaching mission, which are to be held in the church edifice at Sheridan road and Humboldt avenue.

## Skokie School Honors Donald Guy Anderson

The pupils and faculty of the Skokie school have determined upon a unique memorial to Donald Guy Anderson, a pupil of last year's graduating class, who passed away last week. Perhaps there was no better loved member of last year's class, for the character, true sportsmanship, and unselfish helpfulness of Donald was known to all. The student's council, after debating means of expressing their sense of loss, determined to provide by subscription for a fund to establish the Donald Anderson Memorial Medal, to be given each year to the Skokie graduate most nearly fulfilling the ideals which had characterized him.

When the members of last year's class heard of what was planned, they asked to be allowed to share—and many have done so. The fund is to be completed this week, and those who have not already been reached may send their contribution to Principal Willard Beatty at Skokie school.

## PUBLIC FORUM

Ojai, Cal. April 4,

To the Editor, WINNETKA WEEKLY TALK, Winnetka, Ill.

Dear Sir: As an old resident of Winnetka and a subscriber to your paper cannot pass by without comment on the "Resolutions" of Winnetka Post No. 10, appearing in your issue of March 10.

These words of Thomas J. Lynch, the Post Commander, illustrate so vividly that the light in the standard variety of military mind is darkness, and darkness of a very sinister sort. It would hardly occur to this sort of person that under the title "puerile bigots" he would be compelled to include Christ and his twelve Apostles and many supremely great spirits since that time. But one regrets that such "talk" as that should be given a place in your paper, and such a very prominent place and I do hope that you may hereafter allow Mr. Lynch to express himself in private, and that you will publish this little rejoinder.

Yours very truly,  
Edward Yeomans.
