

St. Catherine's Club Benefit To Be A Large Social Affair

THE Gymnasium of Loyola university, Sheridan road at Loyola avenue, made famous as the scene of the late "Pageant of Youth" and the center for many athletic events of note, will open its doors on April 26, the Saturday afternoon following Easter, for a benefit card party.

The beneficiary of the occasion will be St. Catherine's club, a home for dependent girls, at 901 Addison street, Chicago, founded a few years ago by Mrs. James R. Bremner. This club, begun in a small way, has developed into a note-worthy enterprise, enlisting the services of a large group of women on its board and engaging the sympathetic interest of all who know something of its work.

"The title 'Club' was chosen rather than some name designating the home as an institution," it is explained, "since the idea back of its founding was to provide a real home, in its truest sense, for girls who are in no way delinquent, but, made dependent and thrown upon the world by circumstances beyond their control. The club shelters girls from eight to eighteen. It is a work of love, which by its very nature must make a strong appeal to women.

"Up to the present time, the work has gone on very quietly, under the leadership of its modest, untiring, big visioned founder and a few earnest co-workers.

"It is hoped that the card party given in the spacious quarters of the Loyola Gymnasium may serve to acquaint a very large circle with this beautiful work, for knowing of it, they are sure to give it their eager support.

"Worthwhile prizes are to be awarded; one to each four people. All of the popular card games will be played, as well as 'Bunco' and there will be a door prize.

"It is suggested that all the old, new and prospective friends of St. Catherine's club immediately note the date in their engagement books, Saturday, April 26, the hour, 2 o'clock.

"Mrs. James McAlear, 448 Surf street, Chicago, will be the chairman of the committee in charge of the card party, with Mrs. William Kinsella as co-chairman, and plans are afoot to make it a memorable affair.

Mrs. Herbert A. Morin of 635 Maple avenue, Wilmette, was elected chairman of the Literary Round Table of the Chicago Culture club at the annual meeting which was held on Monday at the La Salle hotel. Many residents of the north shore are members of this club, one of the largest and oldest clubs in Chicago, having a membership of about 500. Every member of the club is a member of the Literary Round Table at whose meetings literary programs, discussions, debates, and book reviews are given. Many women of prominence in social and professional life are among those belonging to this Woman's club.

The Delta Gamma mothers are having a benefit bridge party for the sorority house fund on Thursday afternoon, April 24, at the ballroom of the Orrington hotel. Mrs. Carl Latham, Mrs. Joseph N. Woollett, Mrs. Ralph Wilbur and Mrs. Joseph Halsted are patronesses for the affair. Mrs. Marcus Stearns, 1615 Ridge avenue, Evanston, is in charge of the ticket sale.

Miss Martha Thomas of Glencoe, Miss Eloise Smith, Miss Dorothy Campbell, Miss Genevieve Emrich, of Wilmette, accompanied by their mothers, will spend a few days of their vacation visiting the Principia school at St. Louis. All of these girls are enrolled there for the coming year.

Mrs. Levering Moore of Glencoe has been elected president of the Daughters of 1812. Plans were made at the meeting to erect markers on the graves of the first six governors of Illinois, all of whom fought in the war of 1812.

Dr. and Mrs. Edwin Schildberg of 642 Ash street, will return on Monday from a short trip to French Lick Springs.

The Hawthorn Lane circle will have its next meeting on Tuesday, April 15, with Mrs. Clarence Mehlhope of Woodland avenue.

The north shore's first season of Chamber music closed on Sunday afternoon, April 6, with a delightful program charmingly rendered by a trio of artists, two of whom have been heard twice before.

The renditions of Madame Ella Spravka, a gifted pianist, and Richard Czerwonky, violinist, and Richard Czerwonky, violinist, have been a joy to those who were present at the former concerts.

In addition to the instrumental music, Boza Oumiroff charmed his audience with his personality, and with his beautiful voice, sympathetic and responsive. A group of Slavonic songs showed to advantage the range and variations of his tones.

The choice of selections carried an appeal to those who had gathered together to hear the best of music produced beautifully by artists of discrimination.

The Chamber Music society has made plans for a second season which will include four concerts given by these same artists and by additional ones. The membership will be limited, so that it is advisable for those wishing to avail themselves of the opportunity to hear beautiful music produced in an atmosphere of informality to send in applications early.

The following program is indicative of the type of music this society wishes to present to north shore music lovers.
