

AWARD HONORS TO 30 SENIORS

New Trier 1924 Honor Society Named

In a recent special assembly 30 New Trier High school seniors who have made the highest scholarship averages during their high school course were formally elected to the Honor society and awarded the gold pins representative of that honor.

The honor society was composed of the fifteen boys and fifteen girls who have, in the past three and a half years, made the highest grades in their various courses of study.

Those who made the society were:

BOYS	GIRLS
Philip Borncamp	Margaret Bennett
George Daniels	Eva Benson
Edwin Felke	Virginia Bower
Henry Hudson	Ruth Bower
Robert McAllen	Marcia Converse
H. Mitchell	Emily Deming
Robert Prentiss	Ruth Eisendrath
E. Ravenscroft	Evelyn Grant
Walter Sanders	K. Hamilton
E. Scheidenhelm	Caroline Kimball
Richard Spencer	Irma Otten
Elliot Starrett	Edna Petersen
David Thayer	Ruth Shellman
Darrell Ware	Alice Tiplady
Todd Wheeler	Betty Weber

In addition to the thirty, three girls were given honorable mention. Their averages for the seven semesters were just a fraction below those of the winners. These three were Louise Blum, Gertrude Brown, and Doris Hanville.

It is significant to note that all this year's members of the Honor society were active in school affairs including soccer, swimming, basket ball, dramatics, debate, orchestra, band, and girls' athletic.

Miss Margaret Fitch of Pasadena is visiting in Winnetka while en route to New York. She is the guest of Miss Clementine Eastman, 1027 Elmwood avenue.

High Debaters Divide Honors with La Grange

Debaters representing New Trier High school shared honors with La-Grange High school orators last Friday evening in the first Suburban league debate of the season.

New Trier's affirmative team came away victorious, but her negative debaters were forced to take second place to the LaGrange entry. The debate was on the question of the League of Nations.

Edward Ravenscroft and Robert Garretson were the New Trier affirmative team. Elizabeth Stutson and Edwin Kracke were the negative.

Extra! Henry R. Hale Will Take a Vacation

It's going to be vacation time real soon for Henry R. Hale, president of the Winnetka State Bank, and from all reports he certainly is entitled to desert the "counting room," since he hasn't enjoyed an extended vacation in 15 years, or since the bank was established.

But, to get on with the story. Mr. Hale leaves Winnetka on Friday, April 25, for Montreal from where he will sail on April 30 for a 3-weeks' visit in the British Isles.

Since the State bank was established Mr. Hale has never been away from the business for more than a 10-day period in each of the 15 years.

Bon Voyage, Henry!

CAMP FIRE HIKERS HAVE A BIG OUTING

By D. C. D.

(One of the Camp Fire Girls.)

Tuesday, April 15, about 40 of the Camp Fire Girls of Winnetka hiked west for about five miles to the Forest Preserve. As chaperones of the party we had Mrs. Wortley, Mrs. Conway, Mrs. Davies and Miss Ruth Pease.

Leaving the Community House at 10:45 with our lunch we went through town, west on Willow street, and turned north at the Chicago, St. Paul and Milwaukee railroad crossing. As we were walking along the road, we noticed smoke in the Skokie. It appeared as if it were near the Winnetka Golf course. Since we knew we couldn't do anything, we resumed our journey. About 12:15 we arrived at the Forest Preserve, where we hastily began to prepare our lunch. We all camped more or less near a stream, built our fires, and began to eat. After having a delicious lunch, and resting a while, we played a few games, which were good fun. As "Chief" (Mr. Davies) had another engagement, he could not come to lunch, but arrived in time to join our games. Some of us left at 2:15, and the others followed, later. On the way home we saw two birds which we added to our bird-list.—Blue-Bird and Golden Crowned Kinglet. When we arrived home we were a terrible sight. Not only were we tired and covered with dust, but our faces were red as beets, on account of the wind. In spite of that, we had a wonderful time.

Express Company Extends Territory in the Village

Village officials announce that they have been successful in their negotiations with officials of the American Express company for a general extension of the territory served by that company in the village.

While, heretofore the boundaries of the territory served have been Rosewood, Glencoe and Chestnut on the west and Vernon avenue in Hubbard Woods, the limits henceforth would conform with the limits of the village.

Delivery in the future is to be made by motor truck rather than by horse-driven vehicle, it is announced, thus materially expediting the service in the village.

ANNOUNCEMENT

Officials of the Public Works department stated this week that householders are permitted to utilize without charge, packing that has been used during the winter to prevent freezing of fire hydrants.

Winnetka Rotarians Dine With Winnetka Merchants

Twelve members of the Winnetka Rotary club enjoyed luncheon with the Winnetka Tuesday Business Men's club this week at Community House. The gathering was the first meeting of members of the two groups since Rotary International, with the sanction of Winnetka Rotary, approved the forming of a Winnetka Club of Rotary.

It was announced at the meeting that Winnetka Rotary was in process of formation.

With Frederick E. Clerk, superintendent of New Trier High school, as toastmaster, the meeting heard an extremely interesting talk by J. W. F. "Chief" Davies, director of Community House, on the general theme of reminiscences in his fifteen years' experience as head of that remarkable community enterprise.

Dan G. Stiles, president of Winnetka Rotary, and Rev. Stephen A. Lloyd, another official of the Winnetka organization, also spoke, offering the cooperation and assistance of Winnetka Rotary in the establishment of a Winnetka Club of Rotary.

"Chief" Davies received a floral gift from Winnetka Rotary in consideration of the 15th anniversary of his directorship at Community House.

Elizabeth L. McKeown Is Summoned by Death

Miss Elizabeth Lattimer McKeown, daughter of Mr. and Mrs. John C. McKeown, South Private road, passed away early Sunday morning, April 13, at the home of her parents.

Miss McKeown went into nursing during the war, continued her work in that profession after its close, and held a responsible position in a down-state hospital until her health broke down. She was thought to be on the road to recovery, when death came unexpectedly.

Besides her parents, she is survived by her brothers and sisters: Inez, Lattimer, Thomas, Alice, Winifred, and Kenneth.

Services were held Tuesday afternoon from the home, with the Rev. James A. Richards officiating. Burial was at Memorial Park.

Have You Made Your Mark In This World?

A well known authority has said: "Those who aspire to make their mark in this world should endeavor always to choose the best investment for his time, energy and money."

Money invested in public utility companies is invested in an enterprise operating as a most essential factor to our present day life, selling and delivering their product the same instant it is produced, and receiving compensation practically upon a cash basis.

No community can grow faster than its utilities. Look around you and you will see how rapidly the North Shore is growing. It is very necessary that your utility companies grow in a corresponding way.

These utilities need funds from time to time to pay for these extensions and additions, therefore, the whole public is interested in the provision of new capital to extend the public utility company. In fact the public utility business is actually controlled by the public.

Certainly there is not a more essential utility than your gas company. Industrial uses of manufactured gas alone have multiplied until it is now in over 5,000 different processes.

Do you know that you can put your surplus funds or your savings to work in the Preferred shares of your local gas company and that they will earn 7% annually for you? Those shares are free of the Normal Federal Income tax and exempt from Personal Property tax when held by residents of Illinois.

Are you interested? If you are return the attached coupon and we will have our representative call upon you and explain in full.
