

CLUBS WILL ADOPT AMERICAN ART BUREAU'S OUTLINE

Music, and Talk by Mrs. Lieber Program at Wilmette Club

THE morning speaker for the last regular meeting of the Woman's club of Wilmette, will be Mrs. Maurice Lieber of Winnetka whose speech, "The Receiving Line" is an exposition of the inner workings and functions of the various offices and departments of the club; their coordination and interdependence in a smoothly running club, and the enormous influence of club life on that of the individual, the community, and the nation. Mrs. Lieber's talks are always thoughtful and inspiring, and here is one of especial value and interest to club women. Mrs. Lieber will also be the parliamentary of the afternoon.

Luncheon will be served at 1 o'clock. The afternoon meeting will be enjoyed by the inimitable music and drollery of Mr. John C. Minnema, who combines an engaging personality with a pleasant baritone voice and a gift of fun that gets every one into the game; surely a good qualification at an annual meeting.

The last Philanthropy meeting of the year will be held Friday, April 25. Sewing will be for the Little Wanderers. Under the able direction of Mrs. McCue, these meetings, besides accomplishing a remarkable work, have been pleasant social events and all will look forward to their continuance next year.

The annual luncheon will be held at the Orrington hotel on May 7, at 12:30 o'clock. A fine musical program will be given by Miss Mina Hager, contra; Miss Dorothy Bell, harpist, and Isaac Van Grove, accompanist. There will be ample room for all club members and guests.

Tickets must be secured from Mrs. Fuchs in advance, as none will be sold at the hotel. Reservations not accompanied by check will be disregarded.

Malinckrodt high school is part of the Maria Immaculata convent and is located on Ridge avenue near Lake, Gross Point.

A program by the girls will be followed by a most delightful inspection of the institution.

She has taken as the subject for her address, "Does College Preparation Sacrifice Educational Values?"

Study Place of Picture In Decoration of Home

GOOD pictures, suitably placed, play an important role in the harmonious and tasteful furnishing of a home. With this in mind, the women's clubs of Illinois and Chicago are preparing, for next year's work, for an outline of study on art and the value of pictures in interior decoration.

At a recent meeting, the art chairman of the Illinois Federation of Women's clubs, Mrs. Charles W. Leigh, presided at a meeting of the divisional art chairmen, at which they decided to accept the outline which has been prepared by the American Art bureau.

This outline includes many novel and interesting aspects of this very old subject which never fails in its interesting appeal to those whose activities center in the making and decoration of a home. Among these will be "A Study in Personalities" which "shows the influence of each of the prominent artists on the development of art in this country." Programs for illustrated lecture programs on home decoration will also be included in this outline.

The American Art bureau is a member of the American Homes bureau whose purpose is developing the community by making better homes. It has been endorsed by President Coolidge, by The Art Institute of Chicago, by the Chicago Public School Art society and by the Metropolitan Museum of Arts of New York, as well as by other organizations.

"Clubs are urged to sponsor an exhibit of prints; that they follow the example of the Chicago Public Art society in giving prints to schools each year; by having contests for naming pictures in the schools, and in various ways teaching children to become friends of beautiful pictures."

Prominent Speakers At Catholic Club

THE regular meeting of the Woman's Catholic club of Wilmette will be held, April 25, at the Wilmette Woman's clubhouse. On this day the club will also have its annual spring luncheon and installation of new officers.

The meeting will be called to order promptly at 10 o'clock in the morning and will remain in session until noon. The luncheon will be served at 1 o'clock and the afternoon will be given over to the speakers of the day.

A very fine musical program will be rendered by Mr. Paul Mallory whose lovely tenor voice is always a delight to those who hear him. Mr. Mallory will be accompanied by Miss Margaret Carlisle who is an artist of rare ability.

The speakers of the afternoon will be Mrs. S. W. Blocki, president of the Tenth District, Illinois Federation of Women's clubs; Mrs. C. W. Pearce, chairman of the Fine Arts department of the Tenth District; and Mrs. C. W. Leigh, Art chairman of the state federation.

The proceeds from this festival will be directed into the music endowment and the students' auditorium fund. Mrs. James L. Houghtaling, Jr., Miss Eleanor Donnelly, and Mrs. Philip Wyatt Moore are the Chicago graduates acting on Mrs. Barnes' committee.

BEYOND REPAIR

Tonsils and adenoids are normal parts of the body with a definite duty to perform no less positively than are the teeth. Like the teeth, tonsils and adenoids should not be removed under any circumstances unless they are diseased. Unlike the teeth, diseased tonsils and adenoids can be repaired and therefore the only remedy in such cases is removal.

Last Board Meeting of Tenth District

THE Illinois Federation of Clubs of the Tenth Congressional District will hold its last board meeting of the year at 1 o'clock, at the Rogers Park Woman's club, Wednesday, April 23.

ENFORCEMENT NECESSARY
Thirty municipalities in Illinois have adopted a model milk ordinance recommended by the state department of public health. These ordinances, says the state director of health, are not worth the paper they burden unless they are strictly enforced and strict enforcement depends entirely upon public sentiment.

Gentlemen:
Attention: Mr. G. F. Frink,
Advertising Manager.
Since October 1923 when I bought my Packard "Eight", I have driven it about 8500 miles. I find it gives uniformly good service and is very satisfactory for my use. I have had several other makes of cars previously and can say truthfully that I believe the Packard to be the best from the standpoint of service, gas economy and general satisfaction.
Very truly yours,
John W. Tope.
