

# PLAN TO SHOW CULVER FILMS

## Summer Camp Scenes to be Exhibited Here

Films showing something of the interesting activities of the boys of the Culver Summer schools on Lake Maxinkuckee, Ind., will be shown on the north shore next week under auspices of the Culver Club of Chicago.

Maj. M. V. Bennett, dean of the cadets at Culver Military Academy, will be present and supplement the showing of pictures with a brief talk on the training in these schools which are the largest and most completely equipped in America.

The Culver pictures, it is announced, include scenes of woodcrafters at mass games, handcraft work, boys slipping down the Tippecanoe river in large war canoes, bird study, and study of trees and plants under expert counselors. There will also be scenes of the midshipmen in their white duck suits sailing various types of boats, participating in exciting races in man-of-war cutters or engaging in athletic work. Special features will include pictures of feats of horsemanship, scenes of cross-country hikes, and aviation work in genuine U. S. Navy NC-9 planes.

The pictures of the Culver Summer schools will be shown at the Country club of Evanston on the evening of April 29, at 8 o'clock; at the Union church, Glencoe, May 2; and at the Community House, Winnetka, May 3.

These pictures show many unique features of the Culver plan for an organized vacation and will be of interest to every one. Information may be secured from the Aide to the Superintendent, Culver Summer Schools, Culver, Indiana, it is announced.

## PARENTS TO WITNESS PUBLIC SCHOOL DRAMA

Once a semester the little people of the Elementary schools are promoted to the dignity of a 7:30 evening performance with the privilege of having fathers, mothers and friends see their plays.

Friday evening, May 2, is the red letter date. Owing to the demand for seats the plays will be repeated Saturday afternoon, May 3. Both performances will be held in the auditorium of Skokie school.

It is the object of the Dramatic department to make all of the performances self-supporting, hence a small admission is charged. The proceeds pay for all costumes, properties, stage equipment for the entire semester for all three schools.

The children are busy painting, dyeing and sewing costumes, and the shops are turning out shields, spears and properties for the plays.

Forty children from Horace Mann school will be seen in an interpretation of Maeterlinck's "Blue Bird."

Fifty children will play in "The Chinese Nightingale," an original play with a prologue in Chinese fashion by Douglass Whitehead, and the children of Greeley and the Hubbard Woods schools will contribute a cast of more than 10 in "The Boy Knight from the Forest," by Stevenson.

"The Boy Knight" is a play from the days of King Arthur. The 125 children taking part range from 8 to 12 years in age and have been taken from the third to the sixth grades.

An interesting feature is the fact that the children "tried out" for their parts and were elected by their class mates.

## Leaving Town? If So, Notify Village Hall

"Are you going to move?" ask Winnetka's Village officials of Winnetka residents.

"The Village manager requests," reads an announcement issued this week, "that residents of the village who are moving this Spring, inform the Village of that fact by telephone or mail as soon as moving arrangements have been made, giving the old address, the new address, the date when you will move and where the key to your new home may be obtained by the Village service man."

"This request is made in order that there may be no interruption of electric, water and garbage and ash removal service and that service bills may be rendered to the correct address."

"The telephone number at the Village office is Winnetka 2196."

Mrs. Syme, who was visiting her son, Mr. J. Syme of Laurel avenue, has returned to her home in Newfoundland.

Mr. and Mrs. William McAdams of Lincoln avenue, announce the birth of a daughter, born April 20, at the Evanston hospital.

Fred Hagen of 1386 Scott avenue, returned to the University of Illinois on Monday after being in Winnetka for the spring holidays.

## 'LARKS' WILL SING FOR YOU ON TUESDAY

By OBSERVER

"Nightingales sang yesterday  
Now the Larks are singing"

—and this is what members of the comparatively new Winnetka Choral society are saying when they sing the "Chorus of Homage." It sounds presumptuous for the singers to class themselves as only second to the nightingales but it is not so at all, and if you want to know why it is *not*, come and listen to the "larks" as they sing in their first concert on Tuesday evening, April 29, at 8 o'clock at the Winnetka Woman's club.

Under the able direction of Mr. Noble Cain, it is surprising to see what these people have accomplished in so short a time.

If you have not been asked to buy a ticket, just come to the door, pay the small charge, and go in and listen. It is a foregone conclusion that your enthusiasm will be awakened and appreciative applause will be the result.

The most ambitious number sung by the chorus is "The New Earth" by Henry Hadley. The poem to which the music is set is by Louis Syres Garnett, who will read the poem before the singing of the "Ode."

The soloists for the evening are Mr. Edwin Wallenborn, pianist; Mrs. Burton Atwood, soprano; Miss Helen Mueller, contralto, who sings in the Second Presbyterian church of Chicago; Mr. John Edgar Freeman, bass, and Mr. W. A. Snyder, tenor.

Miss Serena Forberg was at home from the University of Wisconsin for spring vacation. She returned to school last week.
