

POPPY DAYS TO BE MAY 29-30

Winnetka Post Calls Upon Residents to Swell Poppy Fund This Year

BOOSTS SERVICE WORK

Funds Go to Help Unfortunate Ex-Fighters

Winnetka Post of the American Legion, Department of Illinois, is cooperating with the National and State headquarters in the sale of poppies, on Nation Poppy Days, May 29 and 30, and it is hoped that every man, woman and child will wear a poppy on these days in remembrance of the thousands who have "Gone West" as the result of the World War.

All money derived from the sale will be devoted exclusively to Service Work. The Service department of the American Legion is continually called upon to make expenditures along this line which tax its resources, it is explained, and as their only means of raising the money to carry on this work is from this source, they are making every effort to assure a large sale this year.

For Service Work

The Service department of the American Legion in this state alone has been responsible for collecting over \$2,500,000 in claims for ex-service men. They have placed more than 20,000 men in employment, besides interceding for many unfortunate ex-service men who have been in trouble in some way or other. They have taken care of the families of hundreds of men while their claims against the government were being adjusted. Many of these families

would have become County charges, as the physical condition of the men would not permit them to work. Fighting the just claims of all ex-service people is the first work of the American Legion.

Every Flower Labeled

Because of a prejudice which exists in certain states and localities against the sale of poppies as the result of undignified and ill-advised selling campaigns conducted in the past by other organizations, it has been decided that all poppies sold under the auspices of the American Legion will have a sticker bearing the words, "The American Legion, Department of Illinois." This will guarantee to each purchaser that he is not being victimized by irresponsible agencies.

The Poppy is the official flower of the American Legion.

Kenilworth to Witness Exhibit of Gymnastics

The annual exhibition of the gymnastic classes at the Community House at Kenilworth will be held Saturday evening, May 3, at 7:30 o'clock. At this time the boys and girls classes will demonstrate their various gymnastic activities, while the Boy Scouts and Camp Fire Girls will also have a place on the program.

LAKE SHORE TERRACE IN FORMAL OPENING

Saturday, May 3, will be a time of festivity at the Lake Shore Terrace, Sheridan road and Chestnut street, Wilmette, when Fred Miller, the genial proprietor, will invite the public of the north shore to inspect his newly remodeled dining rooms.

With the opening of the beautifully appointed rooms will be observed, also, the formal opening of the summer season at the Terrace.

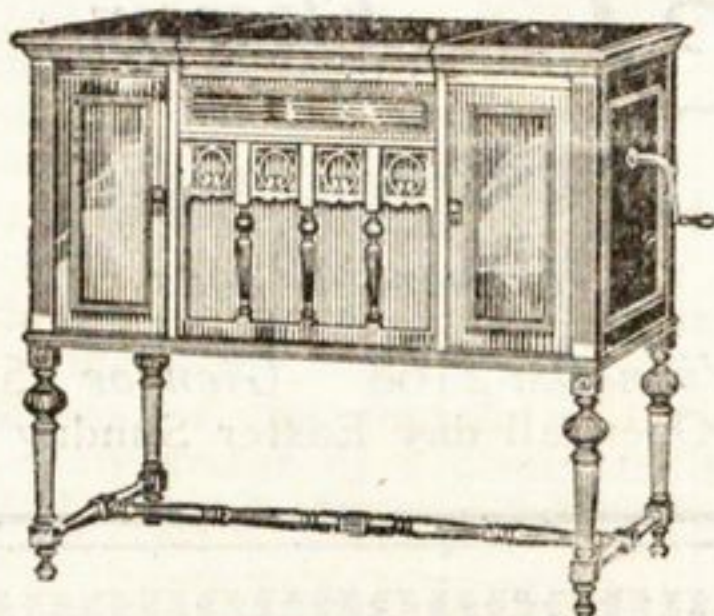

Mr. Miller, who came to the north shore about six years ago, was literally raised in the hotel and restaurant business. His experience has included affiliation with prominent German, English and American hostels and restaurants, among them the Waldorf-Astoria in New York and the famous Edelweiss restaurant at Chicago.

He possesses the happy faculty of anticipating the desires of the discriminating public and has gained a wide circle of friends on the north shore.

Saturday's program includes dancing from 7 to 11 o'clock, an excellent orchestra having been secured for the occasion.
