## SOCIAL ACTIVITIES

### Annual Meeting Terminates Season's Activities

ON Wednesday, May 7, occurred the annual meeting of the Woman's society of the Congregational church of Winnetka. This will begin with luncheon at 1 o'clock in Rudolph Matz Hall, the customary morning sewing meetings having been completed last month.

Members of this active association of women have learned to look forward to hearing the annual reports of the officers and committees presented in novel ways. This year they will be illustrated by living pictures and music. The election of officers is also an important part of the day's program.

The three hundred and fifty members of the society, and the other women in Winnetka who would enjoy being counted on its roll, or who would like merely to join the party for this day only, are invited to find their way to Community House next Wednesday.
