State Bank Observes 14th Birthday Today

A quiet "family" celebration marks today the 14th anniversary of the Winnetka State bank—located on Elm street just east of Lincoln avenue.

There is to be no ostentation or waving of banners, just a business—as-usual atmosphere about the place as the many friends and business associates come and go in the day's routine of affairs.

After fourteen years of steady growth the bank today shows resources exceeding \$1,100,000.

Officers of the bank include Henry Hale, president; Louis B. Kuppenheimer, vice president; Sanborn Hale, cashier; Victor Elting, Carlton Prouty and Noble Hale, directors.

TO PRADERS OPERETTA

The first graders of Miss Veron's room at the Greeley school are preparing an operetta, "In Merry May," which will be given, Tuesday, May 27.

Many Residents Discuss Willow Viaduct Question

A public hearing Tuesday of this week on the matter of the proposed through traffic highway to be located immediately west of and adjoining the Chicago and North Western railway right-of-way, brought out a large attendance of interested property owners who centered the discussion principally on the question of closing the Willow street viaduct and the proposition of connecting the traffic highway with Willow street at what is now the viaduct intersection.

The questions referred to in the discussion were taken under advisement by an board of local improvements and an early report to the village council is anticipated.

Skokie Children to Give "Peter Pan" Performance

"Peter Pan" will be presented in Jane Kuppenheimer Memorial hall, Skokie school, Friday evening, May 23. Very few changes have been made in the cast employed in last year's production of the play.

This drama is undoubtedly the most successful of the plays given at Skokie and there have been many requests for repeat performances.

Wood block posters are being made for the purpose of advertising the play.

Will Tell Council How to Chase the Mosquito

Dr. H. W. Moore, assistant chief surgeon of the Chicago and North Western railway, whose home is at 731 Foxdale avenue, has been invited by the Village council to attend its session on Tuesday evening, May 20, and present a plan which he is sponsoring for the eradication of mosquitoes.

Dr. Moore's method of obliterating the annoying insect is said to be relatively inexpensive.

Name Six Skokie Girls to Lead Baseball Teams

Six girls of Skokie school were elected captains of the playground baseball teams Monday, of this week. The leaders are:

Florence Burnham, Virginia Lansing, Elizabeth Sanford, Elida Nelson, Isabel Milton and Virginia Honnold.

The girls will head teams to be selected this week. They were chosen from a field of twelve candidates.

GIRLS LEARN LIFE SAVING

A large number of girls at New Trier high school are working diligently to pass preliminary life saving tests. On Tuesday, May 20, an expert is coming to be at the school to judge the girls in their first tests. The gym hopes to have many ready to try out in this final meet.

Laws are Broken

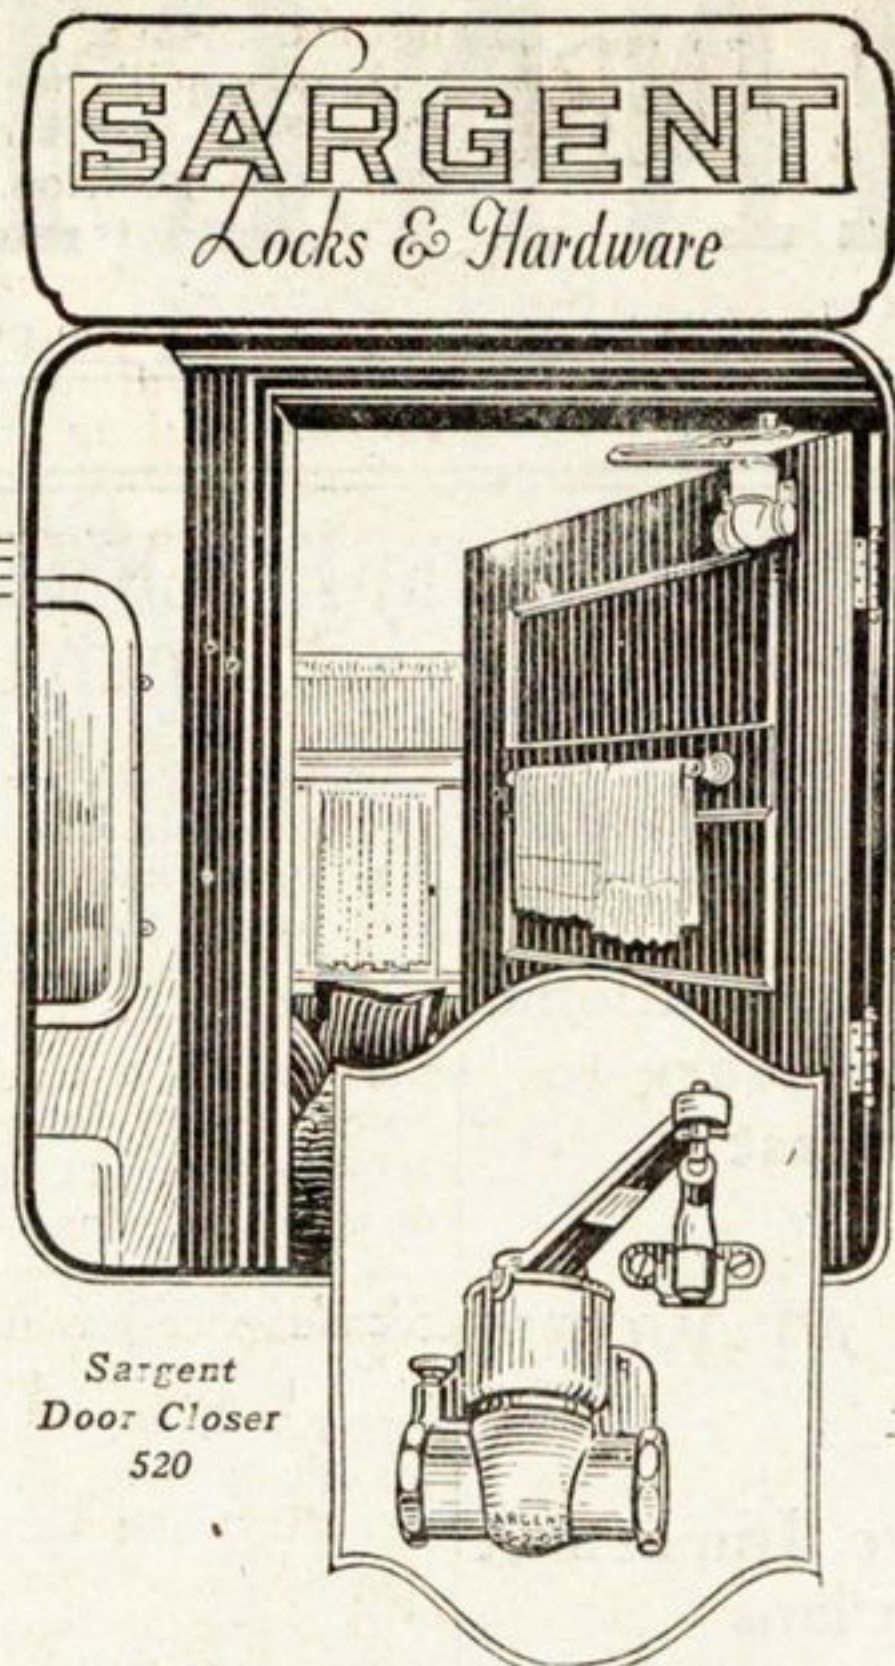

every day, even in this most civilized of nations, the United States—but citizens of the United States, particularly of Winnetka, are not every day given the opportunity of buying good heavy linen stationery at thirty-nine and fifty cents a box.

This stationery is made by the Elam paper company and will satisfy the requirements of the most exacting users. It conveys the message exactly as the writer intends it to be conveyed. The low price asked for it is only one of its minor virtues but it makes it available to all and for this reason it might be considered important.

Certain doors must be closed—silently and surely

THEY are many—the doors that must be closed. Perhaps they lead to the lavatory off the hall, the cellar stairs, the refrigerator room or the back stairs. They are the storm door in winter and the screen door in summer. To have them standing open often leads to annoyance, perhaps to real danger. A threshold is no barrier to tiny feet, nor will it stop drafts and dust and noise.

small in size—exactly suited for use on doors within the home. It is reasonable in price. It works with all the certainty and silence of the larger Sargent Door Closers you are used to seeing in public buildings, schools and offices. It is easy to apply. A plan enclosed in every box explains its use on the outside or the inside of any door. For convenience and the safety it will bring to your home, use these Closers on many doors. See "520" at this store.

For all these doors, Sargent Door Closer 520 is ideal. It is
