

PLAN VAST FAIR AT PATTEN GYM

Women of Northwestern 'U' Schedule County Event for Three Days in June

PROMISE BIG EXHIBIT

Program Is Jammed with Amusements Galore

The County Fair, which is scheduled for three days—June 19, 20, 21—at the Patten gymnasium, Northwestern university, and which will be one of the paramount events on the north shore this year, is being planned by the women of the Northwestern University Settlement boards in Winnetka and Evanston. It is announced that merchants of Evanston and other localities along the north shore, together with nationally known firms from other parts of the country will be represented at the exhibit.

Promoters of the big event say that the booths are being rapidly taken and that only a few remain to be sold. They add that the exhibitors are planning to have elaborate displays.

Joy Chasers Take Heed

Out door amusements, such as merry-go-rounds, a Ferris wheel, miniature railroads, pony rides, a Punch and Judy show, games of almost every description, fortune telling and motion pictures are only a few of the various attractions promised for the edification of young and old persons who will attend the fair. It is hardly worth the reminding that such essentials as soft drinks, peanuts, cracker jack, balloons, toys and whatnot will be there in abundance. And in addition to all these lures to draw vast crowds to the place, the know-ones declare that an attractive tea room, where luncheon and supper will be served, is an assured fact. Music and dancing will follow these triumphs of the chef's art.

See What's Promised

For one price of admission the visitor may witness four great shows, each lasting three-quarters of an hour. They will include a Fashion show; Hill's Dog and Pony circus; Shubert, the world's greatest contortionist; the Duncan Sisters, Polish dancers and a group of comedy acrobats.

And, by the way, there will be a contest in which the visitors at the fair will vote on the ten best booths at the exhibit. Prizes will be awarded each day to the ten voters whose choice most nearly approximates the majority vote. These prizes will include a bicycle, camera, radio, victrola, evening gown, sport dress, suitcase, traveling bag, two lamps and an electric fan.

The advance sale of the coupon books begins this week. By this arrangement, the buyer makes a 20 percent saving.

It is planned to sell 4,000 books in towns from Evanston to Lake Forest.

GREASE BRINGS FIRE CALL

Burning grease on a stove at the home of McClain Reinhart, 352 Ridge avenue, Thursday afternoon of last week, occasioned the only summons to the local fire fighters in several days. Little damage was done, according to Chief Houren.

'Pete' and 'Ivy' Take Charge of Union Squabble

About fifteen stalwart members of the Milk Drivers' union met up with two of Winnetka's policemen early Wednesday of this week, with the result that the local constabulary's collection of "shoot-irons," "cannons," and "Lugres," more commonly classified as revolvers, was enhanced by two highly interesting specimens.

The incident was in connection with a ruction in the drivers' ranks of the Winnetka Sanitary Dairy, John Kiewik, proprietor, members of which advised Chicago union officials that the local milk dealer had dismissed two "card" men only recently recruited from the ranks of the non-union workers.

Two automobile loads of union men appeared at the dairy to enter formal complaint, demanding a conference with Kiewik. Their rumblings came to the attention of Chief Peterson who immediately dispatched himself and Sergeant Iverson to the scene for purposes of investigation. "Pete" and his able colleague next proceeded with a quiet "frisking" party which netted a brace of ugly-looking bandit pistols.

Kiewik and a committee selected from the Chicago delegation then went into conference and after five hours decided the dairy would become strictly union insofar as its employees were concerned.

Kiewik was voluble in his laudations of Winnetka's police department, particularly that portion of it which encountered the Chicago gun-toters.

TOM BROWN IS GIVEN SALES MANAGER POST

Closely following the recent opening of their Lake Forest office, under Cowles and Taylor, Gilbert D. Johnson and Brother, north suburban real estate dealers, 110 S. Dearborn street, Chicago, announce the enlarging of their loop office space, as well as an increase in their sales force. The office of the Estate of William H. Johnson, which was formerly located in the Stock Exchange building, is now part of their suite of offices.

Tom Brown, who was manager of the Winnetka office, is now located in the loop office as manager of the organization. The Winnetka, Indian Hill and Hubbard Woods territory, as well as acre property lying west of Wilmette and Winnetka, will be under the management of C. W. Boyle, a former instructor at New Trier high school. Mr. Boyle will have as his assistants C. C. Campbell and E. Burt Brown of Winnetka. Fred Johnson and Edward H. Selig have been added to the sales forces of the Highland Park and Deerfield offices, respectively.

REMEMBER TO VOTE

The Winnetka League of Women Voters urges all Winnetka voters to go to the polls on Monday, June 2, and vote for one judge of the supreme court of Illinois from the 7th judicial district, which, among other towns, includes Winnetka. This is a very important election and as such merits the active interest of every citizen, the league emphasizes.
