

WINNETKA GIRL HEALTH MODEL

Edith Dillon Wins First Honors at N. U.

For exceptional prowess in athletics and for all-round excellent health, Miss Edith W. Dillon, 814 Prospect avenue, Winnetka, this week won the silver cup for freshmen girls at Northwestern university. This is the second year of the award of health and athletic honors for freshmen girls and the ceremony took place in Fisk hall at chapel time. Dean Raymond A. Kent in presenting the token to Miss Dillon, said that the United States needs healthier women and men more than anything else. He referred to the bad showing made by American young men under examination for military service during the World war and urged all students not only to take proper exercise but to use the toothbrush three times a day.

Miss Dillon's achievements as a freshman girl in athletics was read by Dean Kent and was loudly applauded by several hundred students who were present. In addition to her excellent record in pure health points the Winnetka girl scored heavily in the following sports during the current year: Hockel, volleyball, basketball, baseball, and varsity hockey. According to Miss Gertrude Hawley, assistant professor of physical education and hygiene, Miss Dillon also made a high score in total strength and lung capacity.

That Northwestern university girls are generally healthy was indicated by the fact that Miss Dillon didn't win her honors easily. There were many runners-up and the best of these were awarded purple chevrons by Dean Kent.

"This contest," said Miss Hawley in her letter to Dean Kent, "has included all the freshman girls registered in Dr. Dorothy Grey's and my section in hygiene. This is the second year

the award has been made and last year the cup was won by Iris Boulton. The chevrons are for the ten highest after the winner of the cup. It is customary for the girls to wear the chevrons on the left sleeve of the gymnasium suit."

Indian Hill Golf Play Starts on Memorial Day

The Indian Hill Golf club's 1924 season opens with a Memorial Trophy tournament on Memorial Day, Friday, May 30. It is confidently expected that there will be many entries for this popular event and that the summer play will be inaugurated with much enthusiasm. The links are in splendid shape and all conditions are favorable for a big turn-out on next Friday, it is stated.

The Indian Hill cup golf contest will take place on Saturday, May 31. The programs for these two initial tournaments are as follows:

- Decoration Day, May 30—Memorial trophy, Donated by Douglas Smith.

Call Hearing to Discuss Addition at Horace Mann

Consideration of a petition by the Winnetka board of education for permission to erect an addition on the east side of the Horace Mann school building will be the object of a public hearing at the village hall, Thursday

evening, May 29, before the Winnetka board of appeals on zoning. The hour is 8 o'clock.

The proposed addition to the school structure would project beyond the building line on the west side of Chestnut street between Elm and Oak streets, it was explained at the village offices this week, and for that reason an informal hearing has been called to consider the matter and to receive the advice of interested property owners.
