

RITUAL CEREMONY FOR SKOKIE SCHOOL GRADS

The eighth grade of Skokie school will be formally graduated Thursday evening, June 12, at 8:15 o'clock. Invitations have been placed in the hands of the graduation class, and the attendance at the graduation exercises will be upon invitation only.

The ceremony will be in the form of a ritual, similar to the one given last year, and will give in dramatic form episodes which portray the ideals, events and aspirations of school life.

The Rev. James Austin Richards of the Congregational church has been invited to take part and has accepted. Allen Wolff, Jr., and Frances Anderson, members of last year's graduation class, will also take part, while many of the faculty members and all of the graduating class will of course be included in the presentation.

As part of the graduation activities the class will be the guests of Mr. and Mrs. Aaron Younker, Sheridan road, at a beach party and supper, Saturday afternoon, June 7.

The following Saturday the class party will be given for members of the graduation class only, in the evening.

Mrs. Aaron Younker, Mrs. Leonard H. Roach and Mrs. A. E. Riddle are the parents on the committee which is working with Miss Mary Reese and the following children in preparing for the graduating exercises: Mabel Anderson, Jean Snell, Montgomery McKinney and James Whitaker.

The Winnetka Masonic lodge will be host at dinner Tuesday evening, May 27, to a large group of masons who are prominent in Chicago advertising and newspaper circles. The guests are to be in the village at the instance of William Kentnor, master of the Winnetka lodge, who, as a member of the firm of Benjamin and Kentnor, has for years been prominently identified with advertising agency work in Chicago.

Tuesday evening's dinner has been designated Advertising Men's Night and is expected to be one of the most interesting features on the current year's program of events at the temple.

Wisconsin Masons Plan Day for Winnetka Lodge

Members of the Winnetka Masonic lodge will journey to Wauwatosa, Wis., on Saturday, June 7, to be guests of the Wauwatosa lodge in a day of festivity and recreation.

Winnetka and the Wisconsin lodge are closely allied in interest in view of the fact that Wauwatosa lodge has assumed a genuine interest in the establishment and growth of the local organization. The Winnetka Masonic temple is patterned in many respects after that at Wauwatosa and the unit from the neighboring state has been frequently represented at Winnetka masonic functions including initiation and dedication ceremonies.

There is to be a ball game on the Wauwatosa program on June 7, as well as a dinner and a fellowship gathering in the evening.

BUY IT AT HOME.

I'm goin' to Taylor's Hardware,
Said Little Jimmy Brown,
I'm goin' to buy a mower,
Right here in my home town.

I'm not goin' to Chicago,
Or any other place,
'Cause daddy got so badly stung,
He cursed the human race.

You'd ought to see that mower,
He thought he got so cheap.
By gosh! the thing, it would disgrace,
Old Henry Ford's scrap heap.

That's why I'm goin' to Taylor's,
I know he'll treat me square.
I know that if the thing goes wrong,
He'll make it right. So there.

YOUR LAST CHANCE!

This will be your last chance to buy men's furnishings at such remarkably low prices. I am trying to reduce my stock on account of having to move to another location, in a smaller store, next to the Exide Battery Station, Prouty Annex, near Oak St., temporarily, until the new store is finished, as the one I am now in is going to be torn down.
