

CALL SPEEDWAY FANS TO RACES

Big Program at North Shore Polo Field Friday

Dirt track auto speed kings will race at the North Shore Polo club speedway, Lincoln avenue and Peterson road, Chicago, on Memorial Day and Sunday, June 1, in a series of feature events under the sanction of the United Race Drivers' association. Old time racing rivalries are expected to make these contests on the reconstructed half-mile oval as spirited and as daring as Chicago fans have seen in many years.

Many drivers well known to north side auto fans have entered the two-day meet, including George Beck with his famous "Zepp" and Eddie Heckler, a real "comer" in a Nelson Brothers special. Other racers include Ernie Fosnaugh, former dirt track champion of Canada; Jim Leonard, who has driven in dirt track races longer than any other man in America; Harry Nichols, world champion over five miles on a half-mile track, and Curley Young, a young speed marvel.

On Memorial Day the elimination trials will start at 9 o'clock in the morning, each driver to make three laps. The sixteen with the fastest times will compete in the fifty-mile race at 3 o'clock in the afternoon.

On Sunday the program, starting at 2:30 o'clock, consists of six big events. Cliff Woodbury and Fuzzy Davidson, both in Frontenacs, will compete in a special ten-mile match race which promises to be a thriller.

Another interesting event for the Sunday meet is a "Straw Hat Derby" at fifteen miles. In this the drivers whose hats blow off or fly away are disqualified. It was in a race of this character that made such a sensation at the Ascot track in Los Angeles, and in which Davidson gained his triumph over Ralph DePalma.

Other races for the big Sunday meet are a ten-mile for light cars, a ten-mile for heavy cars, a fifteen-mile final in which six qualify from each of the first two events, and a consolation.

Wilmette Summer School Classes Begin June 16

Summer school in the Wilmette public schools will begin Monday, June 16, and will close July 25, it was announced this week. Classes will be conducted in the morning from 9 to 12 o'clock. Classes will be small and the students will get individual attention, it is emphasized.

Parents of children who will enroll are urged to register them by the close of the regular school session on June 12. This request was made from the office of J. R. Harper, superintendent of schools. The number of teachers who will be retained for the summer session depends on the size of the enrollment list.

The Tracy Buckinghams contemplate the building of an exceptionally attractive home on this property.

Winnetka Police Seeking News of Alleged "Checker"

Winnetka police are holding a state warrant for the arrest of Edward Paul Wetzel, erstwhile taxi-cab owner of the village, who, it is charged, recently secured approximately \$1,000 from Winnetka merchants through the expedient of a series of alleged bogus checks.

Wetzel, as previously stated in Winnetka Talk, came to the village about six months ago and established himself in the cab business. Soon after, according to the police, he opened a "checking account" in one of the local banks and at once proceeded to "check out" at the expense of several kindly disposed merchants.

Wetzel left the village, it is said, when his reported activities came to the attention of Chief Peterson's department.

Mr. and Mrs. Charles O. Aspenwall, 1195 North avenue, are driving to Deerfield, Wisconsin, for Decoration Day.
