

LAW ENFORCEMENT TO BE IMPORTANT CONVENTION ISSUE

Pageant of Flowers to Open Convention for Club Delegates

THE biennial convention of the General Federation of Women's clubs will convene on June 3 in Los Angeles, to last until June 18. Subjects of national importance will be considered by hundreds of delegates representing 28,000 organized women in the United States. Some of the questions which will come up for discussion are World Peace, Immigration, International Relations, and what it is said, will be the most important issue of all, Law Enforcement.

Mrs. John Dickinson Sherman of Colorado, who was identified with the civic and club life of Chicago for many years, has been chosen by the Illinois delegation as its candidate for president of the General Federation. Mrs. Sherman, it is stated, was the only woman director serving on the board of the National War Garden commission during the war.

Departures will be made from the usual speeches by high officials, and a pageant of flowers and fruits will welcome the delegates on the night of opening. Another innovation will be the manner in which the convention will be conducted; instead of the customary conference method, the greater part of each day will be devoted to each department of work, with the holding of main sessions.

One outstanding day will be June 7, when a "play day" has been arranged. Excursions to mountain and beach resorts, to country clubs, movie theaters, and drives to the missions will be part of the program.

Library Club Meets to Plan Membership Drive

MRS. Sherman M. Booth was appointed chairman of the building committee for the proposed new club house at the meeting of the board of directors of the Woman's Library Club of Glencoe, held May 14, 1924. The financial department of this committee was organized May 19, at the home of the chairman with the following members:

Mrs. Sherman M. Booth, chairman; Mrs. Chesley R. Perry, secretary; Mrs. Albert O. Olson, treasurer; Mrs. William Cresmer, Mrs. Andrew MacLeish and Mrs. Edward H. Ravenscroft.

The president, Mrs. William A. Fox, has consented to act with the committee in her ex-officio capacity.

The numerous methods by which the project can be financed, which were presented and considered at this meeting, have inspired the committee with the utmost confidence that the building program as outlined is both practical and feasible.

The first step to be taken will be to increase the membership and stimulate interest by a membership drive, plans for which were made at a meeting of the members of the club on Monday morning, May 26, at 10 o'clock at the home of Mrs. Booth, 265 Sylvan road. Mrs. Homer F. Horton, second vice president and chairman of the membership committee, addressed the meeting.

Wives of Rotarians Aid In Philanthropic Work

FOR weeks the local papers have been reporting the activities of two new chapters of an internationally known organization, the Wilmette and Winnetka "babes of Rotary."

While conversing last week with a member of the family of one of the officers of Rotary International, the editor of this page was informed of a woman's organization that has come into existence for the express purpose of assisting Rotarians in the carrying out of their principle of "Service before Self."

Wives of the members of the Chicago Rotary banded together and formed a club which they call "The Women's Rotary of Chicago." The state has granted them a charter for their philanthropic work. At present numbering 155, these women sewed for the Park Ridge Home for Girls, the babies at the County hospital, and have helped the Travelers' Aid society. During the past year they have made over 6000 garments in addition to contributing over \$1000 in funds.

State Convention of Clubs Closed, May 22

THE twenty-ninth annual convention of the Illinois Federation of Women's clubs held in Moline, Illinois, closed on May 22, with the recommendations of Mrs. George T. Palmer, president, and the election of new officers.

Mrs. Palmer counseled "constructive criticism of individual club policies, together with general recommendations concerning the federation's attitude toward peace politics and law enforcement." She urged that club enforcements should not be for political purposes, "as the federation is non-political and non-partisan," and that clubs should be cautious in "joining questionable peace organizations, or in being influenced by 'peace at any price' talk which is a cloak for sedition."

Two resolutions were unanimously adopted during the day's session; one

approving restrictive and selective immigration; the other, urging passage of the child labor amendment.

Winnetkan Still Active On Junior League Board

SINCE resignation from office by Mrs. Kenneth Carpenter, (Lucretia Green of Winnetka) who gave up the presidency of the Junior league early in the spring, Mrs. John R. Winterbotham has been acting in that capacity. At the annual meeting that took place last week at the Woman's Athletic club, Mrs. Winterbotham was elected to fill the office for the coming year. The others who will officer the league's activities are: Miss Helen Isham, vice president; Mrs. Hale Holden, Jr., secretary; Mrs. Robert L. Curtis, treasurer; Mrs. Kenneth Carpenter, Mrs. John J. Mitchell, Jr., Mrs. James Cathcart, Miss Harriet McLaughlin and Miss Margaret Hambleton, directors.

Wellesley Luncheon An Enjoyable Affair

MANY alumnae gathered together at the Woman's Athletic club on Saturday for the largest spring luncheon given by the Wellesley club. Grouped at tables each representing several classes, with large bowls of spring flowers as appointments, the alumnae led by Miss Ruth Hypes of Evanston,

joined in singing college songs. Mrs. Hubert Howard of Winnetka, president of the Chicago club, presided on this occasion. Mrs. Helen Johnson White gave an interesting report of the council meeting held in the early spring, and because of the incidents and details she chose to relate, many of the alumnae

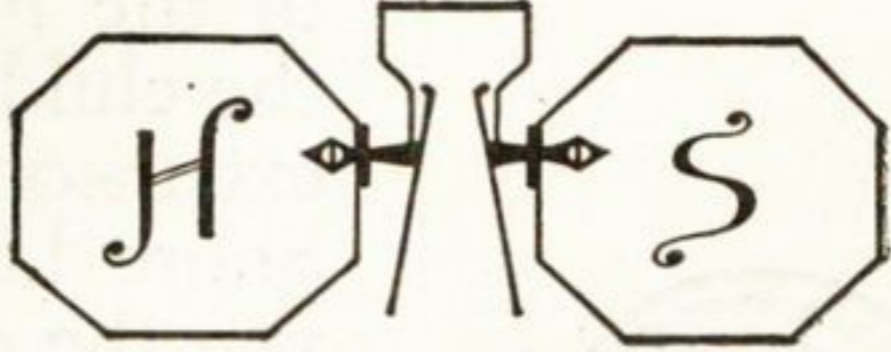

who had not been back for some time were able to visualize the Wellesley of today.

Another feature of the afternoon was the showing of several reels of the latest college films, at the conclusion of which a short business meeting was held before adjournment.
