Ravinia Prepares Free Concerts for Children

Children's Thursday afternoon programs of the Ravinia concert season will be one of the features of the summer course. This year Eric DeLamar will conduct the Chicago

Symphony orchestra on Thursday afternoons.

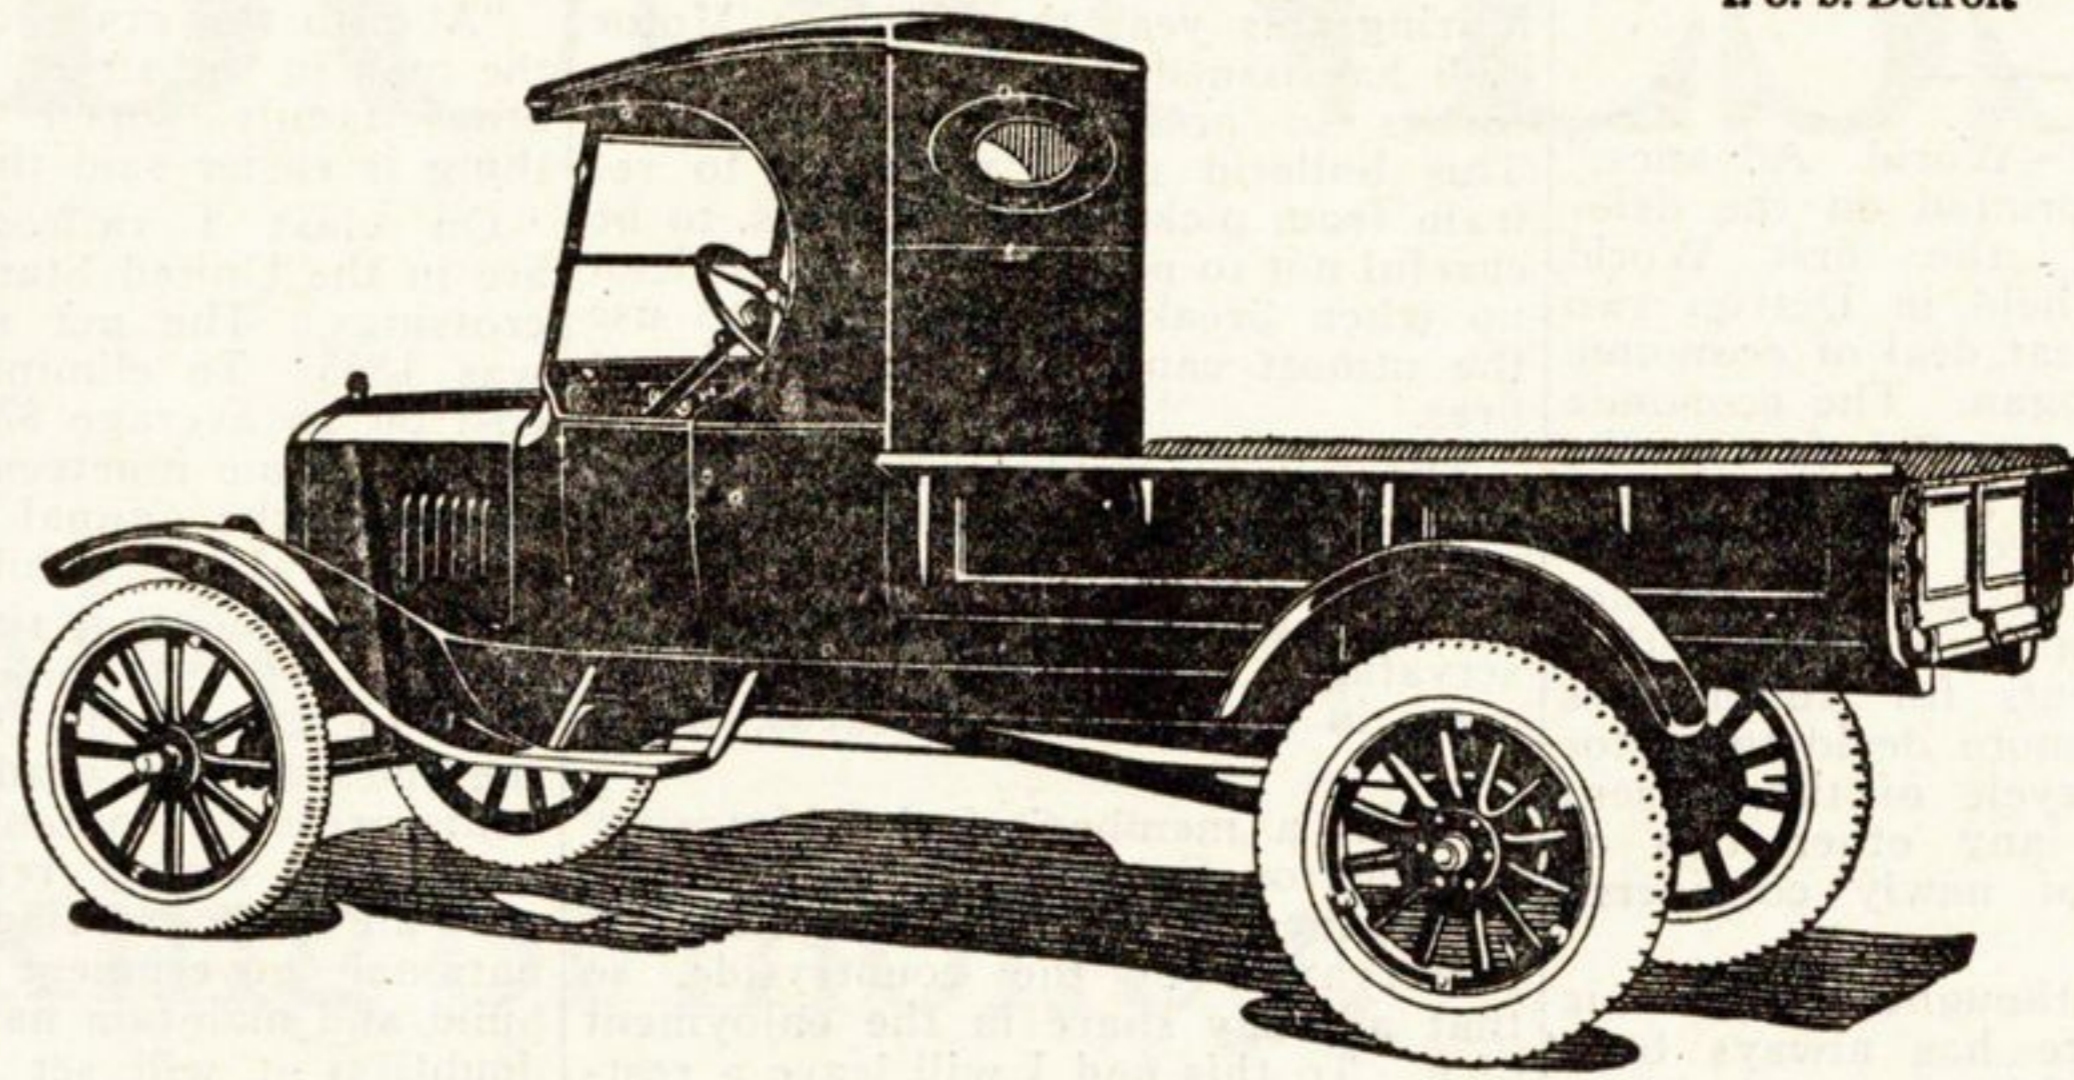

Several years back when similar afternoon concerts were given by the Chicago Symphony orchestra in Chicago, tickets were all sold out months in advance of the dates of the concerts. This year at Ravinia the

Thursday programs will be free to children living in the north shore district. Members of the Ravinia concert season committee will be in charge of these programs.

Ford Steel Body Truck \$490

L. o. b. Detroit

An All-Purpose Truck At A Remarkable Price

The new Ford all-steel body and cab mounted on the famous Ford One-Ton Truck chassis provide a complete all-purpose haulage unit at the remarkably low price of \$490.

Built of heavy sheet steel, strongly re-inforced, this staunch truck is designed to withstand severe usage in a wide range of industries. Generous loading space, four feet by seven feet two inches, permits easy handling of capacity loads and provision is also made for mounting of canopy top or screen sides.

Experienced drivers appreciate the weather-proof features of the steel cab, which is fitted with removable door-opening curtains.

CLASS OF 200 TO GET NEW TRIER DIPLOMAS

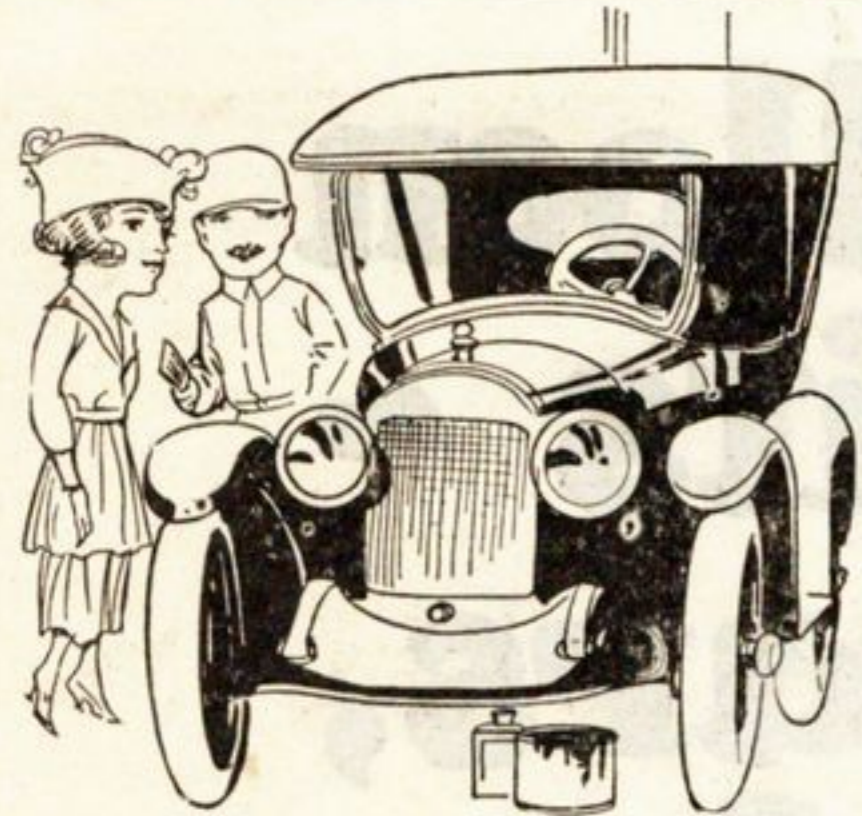

The largest class in the history of the New Trier Township high school, numbering more than 200, will be graduated Friday evening, June 20, when the commencement exercises will take place with Edmund Vance Cook, the poet and author, of Cleveland, Ohio, as the speaker.

Frederick E. Clerk, principal of the high school, will present the Senior class. Leslie F. Gates, president of the board of education, will present the diplomas in behalf of the school board. Edward S. Scheidhelm, of Wilmette, will respond for the 1924 class of which he is president.

According to the statistics of the number of graduating students from the New Trier Township high school, this year's class will at least double that of 1918 when 104 students received diplomas. The class of 1901, which was the first to graduate, consisted of 2 seniors.

TAKES IMPORTANT POST

Arthur L. Fox, of Glencoe, who was graduated and took the M. S. degree in chemistry in 1923 at the University of Illinois, and has since been a chemist with the U. S. Bureau of Chemistry at New Orleans, has been appointed a Research Fellow of the Public Health Institute, working on organic mercurials at Northwestern university.
