

VOTERS' LEAGUE PLANS BIG YEAR

New Year to Begin Early in October

October 13 has been set for the opening fall meeting of the Winnetka League of Women Voters, Mrs. Walter L. Benson, the newly elected president, announced this week. It is the goal of the league to have 75 percent of the women of Winnetka turn out at the polls for the presidential election in November. At the election here this spring 56 percent of the women voted. While this is considerably better than the average for the state of Illinois, which was 46 percent, the Winnetka league is confident that Winnetka can and will show a large increase in the use of the ballot this fall.

The establishing of headquarters in Community House is to be a new feature of the league this year. Here information on candidates and bills may be obtained at all times. As the Winnetka league is a part of the national league, it has at its disposal the accumulated information of this nation-wide organization. The information gathered by the league is unbiased by any party affiliations. These Winnetka women, whether Republican, Democrat, Socialists or unaffiliated, have unusual opportunity of exceptionally easy access to the facts and figures they wish to know before going to the polls.

In addition to Community House headquarters many other new features have been planned to make the work of the league more far-reaching and helpful to the woman who desires to use the citizen's privilege and duty with intelligence.

Among these is a series of lectures in October and November by Mrs. Walter F. Dodd, of Chicago. The league feels most fortunate to have secured the services of this well known lecturer and government expert, who is the co-author of "Government in Illinois." Mrs. Dodd's subjects include—governments in the U. S.; registration; party membership; primaries; governments over the citizens of Winnetka. These lectures will be free to the league members.

Monthly luncheons will be held during the fall and winter.

A final appeal to winter members who have not yet paid their dues for this year is being sent out this week by the new chairman of the finance committee, Mrs. Austin Jenner of Hill road. The dues are so small that it is no wonder that some members have overlooked their notices, it is explained. The league is open to every woman in Winnetka and Kenilworth and a large membership has enabled the organization to operate effectively at a very small cost per person. Any woman wishing to join the league may do so by communicating with Mrs. Harold DeLay, 878 Oak street.

Local Exchequer Enriched by Recent Speeding Fines

Speeders and parking regulation disobeyers enriched the Winnetka village treasury by \$182 and costs this week. There were 11 brought up in Magistrate Northrop's and Justice Nelson's court sessions during the week who were fined. Roosevelt Pederson of Evanston drew the heaviest fine, \$25 and costs, while J. G. Marshall of Lake Forest paid the smallest, \$7 and costs.

The other men who paid fines were Max Flakowski, Chicago, \$20 and costs; Lyman Hay, Chicago, \$25 and costs; W. H. Jackson, Chicago, \$10 and costs; A. L. Hunt, Winnetka, \$20 and costs; George Oler, Forest Park, \$20 and costs; S. M. Freiska, Wilmette, \$20 and costs; Richard Weidmann, Winnetka, \$10 and costs; W. H. Worth, Winnetka, \$10 and costs; W. H. Hays, Evanston, \$15 and costs.

Local Families Attend Commencements in East

Among those who have attended the commencements of their young people this year are Mr. and Mrs. Frank F. Ferry, 391 Sheridan road, whose daughter, Mary Hill, is graduating from The Tabor school, Providence, R. I.

Mrs. Gerald H. Beard of 756 Center street went to Poughkeepsie, N. Y., to the commencement of Vassar college, from which her daughter is graduated this month. Later she goes to visit relatives and friends in other parts of the East.
