

WINNETKA PUBLISHES BEACH REGULATIONS

(Continued from Page 1)

Spruce street, Elm street, Oak street, Cherry street and Willow street.

In order to control the large crowds of pleasure seekers from outside the village, particularly on Saturday afternoons, Sundays and holidays, the following police regulations are posted:

No bathing or picnicking is allowed at street ends.

Parking of cars on Sheridan road and at street ends east of Sheridan road is not allowed.

In the case of Winnetka residents and their bonafide guests the regulation regarding bathing and picnicking at street ends is not rigidly enforced as it is desirable to extend the privileges of the street end beaches to our own citizens to the fullest extent without inviting an influx of outside crowds. It is requested, however, that Winnetka residents observe strictly the rule regarding parking of cars on Sheridan road, and on street ends east of Sheridan road.

Space on both sides of Maple avenue from Sheridan road south to Pine street is reserved for Winnetka cars, the occupants of which are using the bathing beach and other facilities at Lake Front park.

'Ware Private Property

No picnicking or bathing is allowed on private property adjacent to the public parks and street ends without written permission from the owners. No picnicking is allowed on street parkways.

Without adequate regulation, our beaches, both public and private, would soon be over-run with irresponsible non-residents. Any measure of regulation is exceeding difficult to administer and requires the highest degree of patience and tact on the part of the police officers and cheerful and considerate co-operation on the part of each and every Winnetka citizen. It is suggested that this co-operation can best be given along the following lines:

Make use, as much as possible, of the public beaches provided by the park board at Lake Front park and at Elder lane park.

In case it is desired to bathe or picnic on private property, secure the permission of the owner, which in most cases will be cheerfully given to Winnetka residents and their guests.

If spoken to by a police officer, bear in mind his difficult task of distinguishing you from a non-resident and remember that he is merely endeavoring to do his duty by carrying out instructions designed to enhance your pleasure and safety.

WINNETKA BOYS TO GO CAMPING

Group Starts for Hamlin Lake on Monday

Vacation days are here for the children, and the call of the out-of-doors is heard!

A happy group of boys are busy packing duffle-bags and suit cases, preparatory to leaving, Monday afternoon, for "Chief" Davies' camp at Lake Hamlin.

They plan to gather at the Community house shortly after 5 o'clock, meet the councilors in charge of the party, receive final instructions and then go by electric car to Milwaukee, where they will take the steamer Nevada for Ludington, Mich. Arriving there early Tuesday morning, they will drive out to Lake Hamlin, where a launch will take them across the lake to camp and breakfast.

Dr. Davies and his family have been in camp for the past two weeks, getting everything in shape. The camp cooks are there and everything is in readiness for the campers, and for the best summer in the camp's history. Eighteen days of hikes, swims, games, camp-craft, nature lore, conference discussions, evenings around the camp-fire, when the waters of the lake sparkle in the moonlight and the song of the whip-poor-will is in the air, as together the camp leader and boys review the day's events, and listen to the tent-stunts, or a story by "Chief" Davies.

After their return, a large group of Winnetka girls will go to camp on July 14.
