

# GOLF DAYS FOR WOMEN IN FULL SWING AT THREE CLUBS

## Skokie Holds Open Day for W. W. G. A. on Monday, June 23

NORTH Shore, Indian Hill and Skokie clubs have, as usual, set apart a day of each week to be devoted to golf matches for women. Great interest has already been shown, and the clubs are very desirous of having even more players participate in the matches that have been scheduled for the summer season. Skokie will open its course next Monday for one of its biggest events for women, Western Day, open day for the Women's Western Golf association.

Commencing at 9 o'clock in the morning, there will be 18 hole medal play, with prizes for low gross, for first and second low net, and for the least number of putts.

The second event taking place at 2 o'clock, after the serving of the Golf luncheon, will be the best ball foursome, with choice score of partners on the last 9 holes.

Mrs. H. G. Phillips is chairman of the women's golf arrangements, with Mrs. J. Milton Trainer in charge throughout the month of June, Miss D'Arcy Orde for July, Mrs. Henry for August, Mrs. D. H. MacFarland for September.

About 20 players took part in the matches on Monday, which consisted of 18 hole medal in the morning, with Mrs. Edgar Stevens the winner of the prize for low gross, and Mrs. John Cullen for low net.

In the afternoon Mrs. Cullen won the 18 hole putting contest.

## August 1 Ends Club Drive for Members

A meeting of the board of directors of the Woman's Library club of Glencoe was held on Tuesday morning, June 10, at 9 o'clock at the home of Mrs. William A. Fox, 585 Longwood avenue, at which time the question of chairs was discussed and several samples were inspected. A satisfactory exchange was agreed upon.

The adjournment of the board was followed immediately by a meeting of the finance committee. Plans for the summer were discussed and two decisions were made, namely, that the membership drive will end August 1, and that no canvassing for funds will be made during the summer, but that two entertainments will be given, one in July, the other in August.

A definite, authoritative statement has come from this committee that the club members will not be assessed for the new building, and that the dues will not be raised. All donations from members will be entirely voluntary.

## Dorothy Dalton Gives Health Hints to Women

While there is nothing especially original about these rules, I believe that regularity in their practice will keep any woman, well, happy, strong and youthful.

"My home is all outfitted for gymnastic purposes, and daily I indulge in some sort of exercise. A ride over the boulevards on my horse, a few moments with the foils and, when possible, a swim in the surf also keeps me right up to mark for the strenuous days at the studio with all the rigorous and nerve-racking attendant work. For acting a stellar role in a picture is no cinch, all opinions to the contrary notwithstanding.

"A woman must have regular exercise. It is necessary to her development and keeps her in trim for any kind of mental or physical endeavor. Nerves would not exist if people only exercised properly, ate correctly, slept sufficiently, rose early enough, kept their minds clean and their bodies supple and in well-trained condition. Exercise and regularity of habits, that's the thing. So I keep at it, allowing nothing to prevent my daily routine, and I feel 100 per cent all the time."

Miss Dalton's new Paramount starring picture, "The Moral Sinner," directed by Ralph Ince, will be shown at the Hoyburn theatre Wednesday and Thursday, June 25 and 26. It is a screen version of the famous crook melodrama, "Leah Kleschna," which closes a three weeks engagement at the Great Northern Saturday evening.

## Screen Villain Has Hog-Raising Hobby

For years a stage star, famous as a screen character actor, noted as a playwright, with a hobby for hog-raising—that is William V. Mong, who appears as Perez, crafty secretary of

the King in Emmett Flynn's "In The Palace Of The King" which Manager Elliott has booked for the Hoyburn theatre, Monday.

Mong, born in Chambersburg, Pa., began his stage career more than 27 years ago in Indiana. He starred for ten years in road shows, and played the leading role for five years in his own play, "The Clay Baker." He also starred on the stage in "The House Next Door," written by himself, "The Light in the Window" and "The Divorce Question."

He began in pictures in a film version of his own play, "The Clay Baker," about twelve years ago and has been identified with the screen since then.

Mong gained a name as a character actor with his work in "A Connecticut Yankee" and increased his popularity with "Monte Cristo," both of which

were directed by Flynn. Some of Mong's best work has been in "The Miracle Man," "Shame," and "The Ten-Dollar Raise."

When not cavorting before the camera, Mong is satisfying his hobby, which is raising blue ribbon hogs. He has a great reputation as a breeder of hogs, and until recently owned a large ranch near Los Angeles.

## A Bridge Across the Years

MAKE it your rule to talk at least once a week by telephone to the son or daughter away at school. The cost of the service is a trifle compared with the joy of hearing the young people's voices and knowing they are well and in good spirits.

And it cheers them, too.
